CLOTHING! CLOTHING!! CLOTHING!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS

NOW made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the east, where he personally selected and purchased his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been made to the measure of the markets of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions on the western continent. It is gratifying to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with pride I can keep time with the ever constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and which being the case on the same ratio of profit, can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year, coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Medical.

The Press, Medical Faculty and Thousands who have used *Dr. Swayne's Compound Syrup of Wild Cherry*, all concur in pronouncing it one of the best remedies ever invented, for the cure of all

PULMONARY AFFECTIONS.

CONSUMPTIVES BEWARE OF IMPOSITION.—The Wild Cherry Tree in all ages of the world, and in all countries where it is known, both among civilized as well as savage nations and tribes, is justly celebrated for its wonderful medicinal qualities.—This, combined with many other valuable vegetable extracts, and prepared by a skilful physician, who possesses the advantages of the experience and practice of his profession of nearly a quarter of a century, must be a valuable acquisition to those who are laboring under any of the dangerous diseases of the Lungs so common in our climate. Such a preparation is Dr. Swayne's Compound Syrup of Wild Cherry, prepared by himself at his labartory in Philadelphia. *Dr. Wistar*, of Philadelphia, *has not* nor never *has had* any thing to do with any preparation of Wild Cherry, but there was one got up in Philadelphia and the name of *Wistar* attached, the right of which was sold out to some merchants in the West. If you would get the genuine article, the only one prepared by a regular physician, see that the signature of Dr. Swayne, of Phila'a, is on each bottle.

More Home Testimony.

PHILADELPHIA, Sept. 28, 1846.

Dr. H. Swayne:—Dear Sir—Having seen the "astonishing cure" performed on Mr. Thomas by your *Compound Syrup of Wild Cherry*, I was induced to try it on myself. I was taken with a violent cough, spitting of blood, shortness of breathing, together with violent attacks of Asthma. I overdone myself from exertion which I was not able to perform, which prostrated my system to a great extent. I commenced the use of your Compound Syrup of Wild Cherry, together with your Extract of Sarsaparilla and Tar Pills, which gave me almost immediate relief, and I am glad to give my testimony to all who may be afflicted in a similar way. I am now able to resume my daily labor. It would do well to see that the signature of Dr. H. SWAYNE is on each bottle of Wild Cherry. My residence is in Thirteenth street two doors from the corner of Willow, where I shall be glad to have an interview with all similarly afflicted. WM. R. WALTON.

Letter from the Rev. R. Jackson.

Formerly Pastor of the First Presbyterian Church, New York.

CINCINNATI, Feb. 15, 1846.

Dr. Swayne—Dear Sir—Permit me to take the liberty of writing to you at this time, to express approbation, and recommend to the attention of heads of families and to others suffering in the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Pains in the Chest and Side, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, pain in the Chest and Side, General Debility, Defectency of Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be seen to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

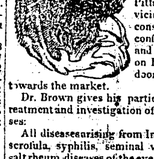
The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., obviously remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will be found to withstand its influence. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchits or affection of the throat generally; also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to possess the same effect, or to impart a similar property to the nervous system; by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is highly agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanatory directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.



These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic; in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections, and in Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes, as a certain aid in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In few words, it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

☞ The great celebrity and success of these articles have caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. CHRISTIE has but one authorized agent in each city of the Union. The only agent in Pittsburgh,

W. W. WILSON.

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. Indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of its assertions and the efficacy of his discovery.

A POSITIVE AND PERMANENT CURE FOR

RHEUMATISM

AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, Comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other 'remedies' having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, whether it be in the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Pains in the Chest and Side, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, pain in the Chest and Side, General Debility, Defectency of Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be seen to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., obviously remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will be found to withstand its influence. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchits or affection of the throat generally; also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to possess the same effect, or to impart a similar property to the nervous system; by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is highly agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanatory directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic; in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections, and in Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes, as a certain aid in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In few words, it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

☞ The great celebrity and success of these articles have caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. CHRISTIE has but one authorized agent in each city of the Union. The only agent in Pittsburgh,

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. Indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of its assertions and the efficacy of his discovery.
