Landreth's Warranted Garden Seeds,
DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Water st., at the stand formerly occupied by Geo. A. Berry.

Extract from the "Report of the Visiting Committee of the Pennsylvania Horticultural Society," unanimously adopted and ordered to be printed.

LANDRETH'S NURSERIES AND GARDENS.

"These extensive grounds are on Federal street, near the Arsenal. * * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen are top feet high. * * * The selection of GREEN-HOUSE PLANTS is valuable and extensive.

"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plan very superior to that of working upon suckers, which come with them into the graft all the diseases of the parent stock. * * *

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of those Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of nature of the furins of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the age, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."

☞ Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.

☞ Orders received by F. L. SNOWDEN, from whom catalogues may be received gratis. mar8-y

PORTER'S *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Buildings, Baltimore, Md.

Mr. Porter respectfully announces that he has at considerable expense fitted up apartments and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.

Mr. Porter is aware that the impression has gone abroad (owing to the many failures to produce good pictures,) that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.

Ladies and gentlemen are invited to call and examine specimens.

Instructions given, and instruments and materials furnished upon reasonable terms.

All orders from country operators promptly attended to. nov26-tf

PITTSBURGH CHAIR AND CABINET WAREHOUSE.
No. 82, Third Street, Pittsburgh.
THE subscribers would respectfully return their thanks to their friends and the public, for the very liberal patronage bestowed since the commencement of the new firm, and would earnestly solicit a continuance of the same.

They would respectfully invite those who want to purchase anything in the furniture or chair line, to give them a call and examine their extensive stock on hand, consisting of some of the most splendid Eastern and French patterns of Rosewood and Mahogany Furniture. Flattered by the very extensive patronage received in their business, they have, at considerable expense, made arrangements in New York, by which they will have the latest Eastern and French patterns forwarded monthly, thus giving the citizens of Pittsburgh an opportunity of patronizing home industry, and finding in their own city what they formerly would obtain only in the East. Having adopted the principle of small profits and quick sales, they will be able to sell at as low rates as any of the establishments in the Eastern Cities.

The Celebrated Italian Remedy
FOR THE CURE OF CHRONIC DISEASES.
MAZONI'S SICILIAN SYRUP OR TROPICAL HYGIENE.
Discovered by Dr. Mazoni of Italy in the year 1845, and introduced into the U. States early in 1846.

THIS unrivalled medicine for the radical cure of *Chronic* diseases has spread throughout Europe with the most unequalled speed and triumphant success, effecting the most astonishing cures ever known or recorded in the annals of Medical History. Since its introduction into the United States it has equally sustained the high reputation it so justly received in the East, curing here as it has done there, the most inveterate and long standing diseases with which the human family are afflicted. The Physicians of Europe and America (as far as they have become acquainted with its mode of operation) together with the thousands who have been restored to health by its superior efficacy with one united voice proclaim it as to the most perfect remedial agent ever offered to suffering humanity. It is now an established fact *that Consumption may be, can be, and has been cured by Dr. Mazoni's Sicilian Syrup or Tropical Hygiene.* The most of our goods are from manufacturing establishments with which we are connected. We shall continue to receive weekly from those houses, fresh and desirable goods, made expressly for our sales.
