GREAT ITALIAN REMEDY.

PHILADELPHIA, April 20, 1846.

Being afflicted for some 8 years with that most distressing disease, the asthma, and for the last 3 years much of the time confined to my room, and at several different times my life was despaired of; I concluded to obtain some of Mazoni's Sicilian Syrup, which was recommended to me by a friend from New York, who stated that it had cured some of the most inveterate cases known to the medical profession. Suffice it to say, that, after using the above medicine for about 4 weeks, I was entirely relieved, and I believe radically cured. Yours with respect,

OLIVER W. OWEN,
No 175 Bertram st., Philad'a.

In cases of dyspepsia, which is simply a nervous derangement of the digestive organs—they have been found equally successful.

These applications are in the form of Rings and Magnetic Fluid, Bands, Bracelets, Belts, &c.

☞ "Important to those who are afflicted with diseased Lungs.

Dr. Rogers Liverwort and Tar. This specific seems to deserve all that the vender claims for its all healing virtues. We have seen a very emphatic certificate from Dr. Cox, late professor in the Cincinnati Eclectic College, who represents it to be a very different article from the prevailing nostrums of the day, and as very valuable in the treatment of that insidious class of diseases, which are the bane of this variable climate."

Cincinnati Morning Signal.

If physicians of Dr. Cox's character in the profession give their testimony in favor of this celebrated medicine, it must be valuable.

N. B. Notice the certificate of Professor Cox in another column, also, one of a remarkable cure from Mr. Gabriel Whitehead, under the head of Liverwort and Tar.
