Transportation Lines.

Pittsburgh Portable Boat Line,

1847.

FOR the transportation of freight between Pittsburgh and the Atlantic cities, avoiding transhipments on the way, and the consequent risk of delay, damage, breakage and seperation of goods.

PROPRIETORS:

BUEDINGER & CASH, 278 Market st., Philadelphia.
TAAFFE & O'CONNOR, cor Penn and Wayne sts., Pittsburgh:

AGENTS:

O'CONNORS' & Co., North street, Baltimore.
W. & J. T. TAPSCOTT, 75 South street, New York.

Encouraged by increased business, the Proprietors have added to and extended their arrangements during the winter, and are now prepared to forward freight with regularity and dispatch, unsurpassed by any other Line. Their long experience as Carriers, the palpable superiority of the Portable Boat system, and the great capacity and convenience of the Warehouses at each end of the Line, are peculiarly calculated to enable the Proprietors to fulfil their engagements and accommodate their customers, and confidently offering the past as a guarantee for the future, they respectfully solicit a continuance of that patronage which they now gratefully acknowledge.

All consign ments to Taaffe & O'Connor will be received and forwarded, Steam Boat charges paid, and Bills of Lading transmitted free of any charge for Commission, advancing or Storage. Having no interest directly or indirectly in Steam Boats the interest of the Consignors must necessarily be their primary object in shipping Westg and they pledge themselves to forward all Goods consigned to them promptly and on the most advantageous terms to the owners.

SUMMER ARRANGEMNTS.

1847.

Monongahela Route,

VIA.

BROWNSVILLE AND CUMBERLAND TO BALTIMORE AND PHILADELPHIA.

Time to Baltimore.....32 hours.
Time to Philadelphia.....40 hours.
(ONLY 70 miles staging.)

THE Splendid and fast running steamers Consul, Louis M'Lane and Swatara, have commenced making double daily trips. One boat will leave the Monongahela wharf every morning precisely at 8 o'clock. Passengers by the morning line will arrive in Baltimore next evening in time for the Philadelphia Mail Boats or Rail Road cars. The evening boat will leave the wharf daily at 4 o'clock, except Sundays. Passengers by this boat will lodge on board, in comfortable state rooms. Leave Brownsville next morning at 6 o'clock; cross the mountains in day light; sup and lodge in Cumberland. Thus avoiding night travel altogether. The connections on this route are ample, and the connection complete; so that disappointments or delays will be unknown upon it.

Passengers can stop on the route and resume their seats again at pleasure, and have choice of Rail Road or Steamboat between Baltimore and Philadelphia.

Coaches chartered to parties to travel as they desire.

Secure your tickets at the office, Monongahela House, or St. Charles Hotel.

Bingham's Transportation Line.

1846.

CONDUCTED on strict Sabbath-keeping principles, though not claiming to be the only line that is so conducted. The proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward produce and merchadize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will secure to us a continuance and increase of the patronage heretofore bestowed on 'Bingham's Line.'

Our arrangements will enable us to carry freight with the utmost despatch; and our prices shall always be as the lowest charged by other responsible lines.

Produce and merchandize will be received and forwarded east and west, without any charge for advertising, storage or commission.

Bills of lading forwarded and every direction promptly attended to.

REMITTANCES and passag to and from GREAT BRITAIN AND IRELAND, by W. & J. T. Tapscott 75 South street, corner of Maiden Lane, New York, and 96 Waterloo road Liverpool.

The subscribers having accepted the agency of the above house, are now prepared to make arrangements upon the most liberal terms with those desirous of paying the passage of their friends from the old Country, and flatter themselves their character and long standing in business will give ample assurance that all their arrangements will be carried out faithfully.

Messrs. W. & J. T. Tapscott, are long and favorably known for the superior class, accommodation and sailing qualities of their Packet Ships. The QUEEN OF THE WEST, SHERIDAN, ROCHESTER, GARRICK, HOTTINGUER, ROSCIUS, LIVERPOOL, and SIDDONS, two of which leave each Port monthly, from New York the 21st and 26th and from Liverpool the 6th and 16th; in addition to which they have arrangements with the St. George and Union Lines of Liverpool Packets to insure a departure from Liverpool every five days being thus determined that their facilities shall keep pace with their increasing patronage, while Mr. W. Tapscott's constant personal superintendance of the business in Liverpool is an additional security that the comfort and accommodation of the passengers will be particularly attended to.

The subscribers being (as usual) extensively engaged in the Transportation Business between Pittsburg and the Atlantic Cities, are thereby enabled to take charge of and forward passengers immediately on their landing, without the least disappointment or delay, and are therefore prepared to contract for passage from any sea port in Great Britain or Ireland to this City; the nature of the business they are engaged in giving them facilities for carrying passengers in far inland not otherwise attainable, and will, (if necessary,) forward passengers further West by the best mode of conveyance without any additional charges for transhipping. Where persons may decline coming out, the amount paid for passage will be refunded in full.

REMITTANCES.

The subscribers are also prepared to give drafts at sights, for any amount payable at the principal Cities and Towns in England, Ireland, Scotland and Wales; thus affording a safe and expeditious mode of Remitting funds to those Countries, which persons requiring such facilities, will find it their interest to avail themselves of.

Application (if by letter post paid) will be promptly attended to.

CLOTHING! CLOTHING!! CLOTHING!!!

The Three Big Doors vs. The Western World!!!

150,000 WELL SELECTED GARMENTS

NOW made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular establishment. It is well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I would make a clean sweep of all my present stock before the beginning of next year coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

$1000 REWARD

IS offered to any person who will produce one fourth the amount of real certificates of positive cures in cases of CONSUMPTION or DISEASED *Lungs* as DR. ROGERS' LIVERWORT and TAR has made in this city or any other place where it has been introduced. Although it has not been puffed in the city papers in EDITORIAL FORM by the PROPRIETOR for the SOLE purpose of GAIN, (as most medicines are without regard to their worth) yet the demand has been enormous. In the city of Dayton alone, where this medicine has not been advertised to the amount of ten dollars, we received an order from Messrs. Ells, Claffin & Co. to the amount of one THOUSAND BOTTLES. And this too, in the summer season, when there is comparatively little or no demand for medicine of this character.

☞ This medicine still *performs* CURES that *seem almost incredible*, but as they are here, and are our own neighbors whose testimony can be had from their own mouths, it must convince the most sceptical of the worth of this medicine.

Another REMARKABLE cure of CONSUMPTION. Mr. Gardner Whitehead, of this city, was reduced so low that ALL HIS FRIENDS, and even his PHYSICIANS had given him up to DIE!!!

Ms. A. L. SCOTT.—As I owe my life to the use of DR. ROGERS' LIVERWORT and TAR, I feel it a duty, and shall without fear or delicacy give my testimony as evidence that others who may be afflicted with CONSUMPTION or diseased Lungs may know that this medicine is NO HUMBUG, but is worth ten thousand physicians' prescriptions for the disease for which it is recommended.

Last summer I was taken with a most DISTRESSING COUGH, and about the first of July my Lungs were so diseased that I bled in a short time several quarts of blood, which reduced me so low that all my friends, and even my physicians thought I must soon DIE with CONSUMPTION. My brother, however, heard of a case of the wonderful cures made by this medicine, and procured a bottle, and before I had taken one half bottle, it seemed to go to the very seat of the disease and opened a LARGE QUANTITY OF MATTER and PHLEGM, and my DISEASE was stopped by a charm. I have since used some two or three bottles, and am now able to attend to my business as well as ever.

I think it due to all to the center of this community, for if it had not been for some all possessed medicine to have raised the matter and phlegm, and healed my lungs, I should without doubt have now been in my grave.

If any one will call on me on Catharine street, half a square below Penn, I will give them the particulars and refer them to numerous friends who visited me during my sickness.

Jan. 30th, 1846. GARDNER WHITEHEAD.

STATEMENT OF DR. BRANT COX.

Late PROFESSOR in the Cincinnati ECLECTIC MEDICAL COLLEGE, and a physician well known, who has an extensive practice, in relation to the case of Miss Bell, after he, as a last resort, gave up the case with the last chance of CONSUMPTION, by a number of able PHYSICIANS.

Ms. A. L. SCOTT.—However reluctant I have been to permit my name to appear, attached to a certificate recommending *Patent Medicines, Nostrums or Catholicons*, I never felt so much as in duty bound not only to my patrons, but to the community, and, all afflicted with diseases requiring Cough Medicines to state, that the case of Miss Bell, who was given up by a number of able physicians in the case of incipient CONSUMPTION, was Miss Bell, daughter of Mr. John Carr of the city, a Miss Ringer, sister-in-law to Mr. V. Woodley, butcher, and Mr. R. K. Cox, one of the City Council, that Dr. Rogers' Compound Syrup of LIVERWORT AND TAR operated more like a specific, than any remedy of a similar character in its operation than I have ever used in my practice. One of the cases above, Miss Bell, appeared to be laboring under the *last stage of Scrofulous Consumption*, and was in attendance previous to my being called to treat the case. She at that time was in the enjoyment of as apparently good health, and from appearance, as likely to die with any other disease, as any other young lady of this city. As it respects the health of the other two cases, all the distressing premonitory symptoms seem to have subsided from the use of a few *bottles of the Syrup above.*

Very respectfully, &c.

The Most Astounding Discovery.

A BLESSING! A MIRACLE!! A WONDER!!!

To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c. &c.

FOUR years ago last August, the specialist of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers in that climate of Europe, as to entirely cure the eruption. Many classed him and his invention as a humbug, (and, alas! many foolish persons without trying, do the same now;) at length, after testing it in the hospitals, the Royal Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed it in the component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider the true philanthropist of suffering mankind.

(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societe de l'Institute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin!" Where will its magic and singular power cease! The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the president, who had used it, in proof of his assertions.)

READ THIS!

FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

Paris, Nov 4, 1840.

In consideration of the sum of $3600, I have divulged to Mr. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it *"Jones's Italian Chemical Soap."*

Witness, Henry J. Holdsworth.

(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jones's Italian Chemical Soap*, in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Erisypelas, Sun-burn, Morphew, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.

CHRISTIE'S

A POSITIVE AND PERMANENT CURE FOR **RHEUMATISM**

AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other remedies having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Weakness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the head, pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Carters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power to be applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely removes this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles can be applied to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally; also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and Belts, in many instances. This composition has been pronounced by the French Institute to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the system receptive to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is perfectly safe, and the strongest doses can be taken with perfect impunity, while it is certain to be beneficial in its results. Full explanations and directions accompany it. The combined inventions are in every way precisely harmless; they are sold at prices that place them within reach of all, and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and the modifications, acting upon the same principle, but having the advantage of more local application. They are constantly recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic; in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections*, and in *Weakness or Oppression of the Pulmonary Organs*. In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes; as a certain aid in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In a few words it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is entirely wanting in the imported, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

☞ The great celebrity and success of these articles have caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. CHRISTIE has but one authorized agent in each city of the Union. The only agent in Pittsburgh,

W. W. WILSON.

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art. Indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.

Jones's Italian Chemical Soap.

PERSONS, in purchasing this, must always ask for JONES'S ITALIAN CHEMICAL SOAP; and, perhaps, as many have been cheated with counterfeits will be too much discouraged to try the genuine, we say to such, Try this once—you will not regret it; but always see that the name of T. JONES is on the wrapper. Price 50 cents a cake.

Jones's Coral Hair Restorative.

I HEREBY certify that my hair was falling out in immense quantities daily, and was turning gray, and that since I have used Jones's Coral Hair Restorative, it has entirely ceased falling—is growing fast, and has a fine dark look. Before I used Jones's Coral Hair Restorative, I combed out handfuls of hair daily."

Medical.

Sprains, Strains, Pains of the Breast and Side, and diseases of the Spine,

CURED and effectually relieved by the use of Nature's own Remedy, the AMERICAN OIL, obtained from a well in Kentucky, 185 feet below the Earth's surface. A lady in Kentucky was cured of a Spinal Disease, which had confined her to her bed for many weeks completely helpless, by the use of this remedy, after various other remedies had been tried in vain. Read the following testimonial.

PITTSBURGH, August 22, 1846.

This is to certify, that we have used the AMERICAN OIL for the whooping cough among our children, by giving them from 20 drops to a small tea spoon full at night, which always enabled them to rest well through the night; I also applied it to one of the children that got her arm burnt, the child ceased crying by the time the arm was dressed and bound up. I also was afflicted with a pain in my side and breast, and have been so for 16 years. I commenced using the Oil by taking a teaspoonful twice a day, and in 2 or 3 days using the Oil
