CLOTHING! CLOTHING!! CLOTHING!!!

The Three Big Doors vs. The Western Hall!!

150,000 WELL SELECTED GARMENTS

NOW made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest curiosities of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, difficulty I can assure them I never in the constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the same gold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

$1000 REWARD

IS offered to any person who will produce one fourth the amount of real certificates of positive cures in cases of CONSUMPTION or DISEASED *Lungs* as DR. ROGERS' LIVERWORT and TAR has made in this city or any other place where it has been introduced. Although it has not been puffed in the city papers in EDITORIAL FORM by the PROPRIETOR for the SOLE purpose of GAIN, (as most medicines are without regard to their worth) yet the demand has been enormous. In the city of Dayton alone, where this medicine has not been advertised to the amount of ten dollars, we received an order from Messrs. Ells, Claflin & Co. to the amount of one THOUSAND BOTTLES. And this too, in the summer season, when there is comparatively little or no demand for medicine of this character.

☞ This medicine still *performs* CURES that *seem almost incredible,* but as they are here, and in the neighborhood where it is prepared, can be had from their own mouths, it must convince the most sceptical of the worth of this medicine.

☞ REMARKABLE cure of CONSUMPTION. Mr. Gabriel Whitehead, of this city, was reduced so low that ALL HIS FRIENDS, and even his PHYSICIANS had given him up to DIE!!!

MR. A. L. SCOVILL.—As I owe my life to the use of DR. ROGERS'S LIVERWORT and TAR, I feel it a duty, and shall without fear or delicacy give my testimony as evidence that others who may be afflicted with CONSUMPTION or diseased Lungs may know that this medicine is no HUMBUG, but is worth ten thousand physicians' prescriptions for the disease for which it is recommended.

Last summer I was taken with a most DISTRESSING COUGH, and about the first of July my Lungs were so diseased, that I bled in a few days several quarts of blood, which reduced me so low that all my friends, and even my physicians thought I must soon DIE with CONSUMPTION. My brother, however, heard of some of the extraordinary effects of this medicine, and procured a bottle, and before I had taken one half bottle, it seemed to go to the *very seat of the disease* and raised a LARGE QUANTITY of MATTER and PHLEGM, and my COUGH was *stopped by a charm.* I have since used some two or three bottles, and am now able to attend to my business as well as ever.

I feel very thankful to be an instrument of this medicine for if I had not been for some all powerful medicine to have raised the matter and phlegm, and healed my lungs, I should without doubt have now been in my grave.

If any one will call on me on Catharine street, half a square below Linn, I will give them the particulars and refer them to numerous friends who visited me during my sickness.

Jan. 10th, 1847. GABRIEL WHITEHEAD.

STATEMENT OF DR. HIRAM COX.

Late PROFESSOR in the Cincinnati ECLECTIC MEDICAL COLLEGE, and a physician well known, who has an extensive practice, in relation to the cure of Miss Helt, after having given up to DIE with the last stage of CONSUMPTION, by a number of able PHYSICIANS.

MR. A. L. SCOVILL:—However reluctant I have been to permit my name to appear, attached to a certificate recommending *Patent Medicines* or *Catholicisms,* I nevertheless think it my duty, not only to my patrons, but to the community, and, all afflicted with diseases requiring Cough Medicines to state, that in three particular cases of incipient CONSUMPTION, viz: Miss Helt, sister-in-law of Mr. John Carr of this city, a Miss Barger, sister-in-law of Mr. V. Wunder, butcher, and Mr. R. K. Cox, one of our City Council, that Dr. Rogers' celebrated LIVERWORT AND TAR operated more LIKE A SPECIFIC, than any remedy of a similar character in its operation than I have ever used in my *practice.* One of the cases above, viz: Miss Helt, was reduced to the *last stage of Scorfulous Consumption,* as pronounced by several PHYSICIANS who were in attendance previous to my being called to treat the case. She is at this present time in the bloom of health, and from appearance, as likely to die with any other disease, as any other young lady of this city. As it respects the health of the other two cases, all the interesting promontory symptoms of disease are subsided from the use of a few *bottles* of the *Syrup above.*

Very respectfully, &c.

The Most Astounding Discovery.

A BLESSING! A MIRACLE!! A WONDER!!!

To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c. &c.

FOUR years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers as that claimed by ANTONIO VESPRINI for his invention. Many classed him and his invention in a humbug, (and, alas! many foolish persons without trying, do the same now;) at length, after testing it in the hospitals, the Medical Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. The inventor we consider the true philanthropist of suffering mankind.

(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societe de l'Institute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yellow or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the president, who had used it, in proof of his assertions.)

READ THIS!

FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

Paris, Nov 4, 1840.

In consideration of the sum of $3600, I have divulged to MR. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "*Jones's Italian Chemical Soap.*"

Witness, Henry J. Holdsworth.
(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jones's Italian Chemical Soap,* in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Erisypelas, Sun-burn, Morphew, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.

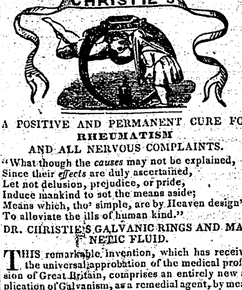
CHRISTIE'S



A POSITIVE AND PERMANENT CURE FOR RHEUMATISM

AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to sot the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong dose, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious,* and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid,* are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nerves or vital system,* and these comprise the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in those cases that other remedies having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Hysteria, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, Pain in the Chest and Side, General Debility, Defective and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. The extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.,

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will be permanently relieved. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally; also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to possess the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is as agreeable as it is extraordinary in its action as it is beneficial in its results. Full explanations and directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at a price to suit all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plaster.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections,* and in *Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes; as a certain aid in Constitutional Weakness, as a Preventive of Fever and Ague, and in all affections of the Liver, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In a few words; it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

☞ The great celebrity and success of these articles have caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. CHRISTIE has but one authorized agent in each city of the Union. The only agent in Pittsburgh is

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art, indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.

Jone's Italian Chemical Soap.

PERSONS, in purchasing this, must always ask for JONES'S ITALIAN CHEMICAL SOAP; and, perhaps, as many have been cheated with counterfeits will be too much discouraged to try the genuine, we say to such, Try this once—you will not regret it; but always see that the name of T. I HEREBY certify that my hair was falling out in immense quantities daily, and was turning gray, and that since I have used Jones's Coral Hair Restorative, it has entirely ceased falling—is growing fast, and has a fine dark look.
