**PITTSBURGH CHAIR AND CABINET WAREHOUSE.**
**No. 52, Third Street, Pittsburgh.**

THE subscribers would respectfully return their thanks to their friends and the public, for the very liberal patronage bestowed since the commencement of the new firm, and would earnestly solicit a continuance of the same.

They would respectfully invite those who want to purchase anything in the furniture or chair line, to give them a call and examine their extensive stock now on hand, consisting of some of the most splendid Eastern and French patterns of Rosewood and Mahogany Furniture. Flattered by the very extensive patronage received in their business, they have, at considerable expense, made arrangements in New York, by which they will have the latest Eastern and French patterns forwarded monthly, thus giving the citizens of Pittsburgh an opportunity of patronizing home industry, and finding in their own city what they formerly would obtain only in the East. Having adopted the principle of small profits and quick sales, they will be able to sell at as low rates as any of the establishments in the Eastern Cities.

**Landreth's Warranted Garden Seeds,**

DIRECT FROM PHILADELPHIA. Each paper bears the label and warranty of DAVID LANDRETH. For sale by F. L. SNOWDEN, No. 29 Wood st., at the stand formerly occupied by Geo. A. Berry. Extract from the Report of the Visiting Committee of the Pennsylvania Horticultural Society, unanimously adopted and ordered to be printed.

LANDRETH'S NURSERIES AND GARDENS.

"These extensive grounds are to be found on the Arsenal. * * * The earliest collection of Camellias was made here. Some of those now in possession of those distinguished nurserymen are ten feet high. * * * The selection of GREEN-HOUSE PLANTS is valuable and extensive.

"The Nurseries are very correctly managed, supplying every part of the Union, a detail of which would occupy too much of our space, we therefore content ourselves with stating that the stock is very large, and in every stage of growth, consisting of FOREST AND ORNAMENTAL TREES, EVERGREENS, SHRUBS, VINES AND CREEPERS, with a collection of herbaceous plants, fruit trees of the best kind and most healthy condition, large beds of seeding apples, pears, plums, &c., as stocks for budding and grafting; a plant very superior to that of working upon suckers, which carry with them into the graft all the diseases of the parent stock. * * *

"GARDEN SEEDS of the finest quality have been scattered over the country from these grounds, and may always be depended upon. The seed establishment of these Horticulturists is one of the most extensive in the Union, and its reputation is well sustained from year to year.

"To obviate the chance of mixture of the farina of the plants of the same family, they have established another nursery at a suitable distance, so that degeneration cannot take place, and which secures to the purchaser a 'genuine article.' Knowing thus the age, quality and process of culture of every plant, the supply from their grounds is recommended with great confidence."

☞ Since the date of the 'Report' from which the above is extracted, the entire establishment has been greatly enlarged. The collection of Camellias embraces all the finer kinds, and consists of some thousands of various sizes; so likewise with Roses, and other desirable plants, both tender and hardy; fruit trees, &c.

The Seed Gardens alone cover fifty acres, and the whole is, as it has been for more than half a century, under the successive management of father and son, the most prominent in America.
