The Allorating Post.

L. HARPER, EDITOR AND PROPRIETOR. PITTSBURGH FRIDAY MORNING, MAY 7, 1847.

DEMOCRATIC NOMINATIONS. FOR GOVERNOR.

OF ALLEGHENY COUNTY.
FOR CANAL COMMISSIONER

HORRIS LONGSTRETH, OF MONTGOMERY COUNTY. Isthmus Of Tchuantepec.

fon the 10th of March last, to a gentleman of not sustain men whose efforts are exerted to carry Philadelphia, on the subject of a canal across the Isthmus of Tehuantepec, (pronounced Ta-waunta-pac, to connect the waters of the Atlantic and Pacific Oceans, and thus afford to our products an easy, safe and expeditious transit to the islands o

140 miles in width, and it is said that the Indians have crossed it in their canoes; during the rainy season -so trilling is the elevation of the land be tween the head waters of the fivers flowing into the treasonable language employed by at reading the treasonable language employed by a part of the press of the United States, in reference deemed entirely practicable, by every one who has deemed entirely practicable, by every one who has given this isthmus even a partial examination, their desire that the arms of their country may be unsuccessful, and appear to take fiendish delight from more than 300 years past—Fernando Cortez in all of the disasters of the di

commerce a most decided advantage over that of for the purpose of advancing party projects." isthmus of Tehnantepec lying between the 16th necks! and 19th degrees of north latitude, with the river Huasacualco, emptying into the Gulf of Mexico,

and the Tehuantepec into the Pacific, which are This gentleman does not belong to that class of

tion, may yet become. the constitutional power of Congress over this gratitude is one of the chief characteristics of her wound up as speedily as possible, in order to pre matter, expresses himself as being fully satisfied people. on that point-not only from the uniform action of the government in making treaties with other powers; but from the express language of the constitution itself. The subject will no doubt be uzab, for the following copy of a letter from Maj.

due time, by their representatives. Gen. Taylor and the Executive. There is a singular deficiency in the retentive "DEAR SIR:

There is a singular deficiency in the retentive of Dran Sin:

powers of the Whig leaders. Indeed it would seem that a capacity to forget the past is indispensable only 900 men, Col. Doniphan met 4000 Mexicans cords. Were hourly increasing in France. that a capacity to forget the past is indispensable in filling the station of leader in that party. There must be an entire forgetfulness of the state of affairs in the Convention that framed the Constitution of our Union; nothing of the differences which to the elevation of the elevation only only three of his own men.

"The official details of this splendid affair, will authorities of affairs in Ireland is improving.

culisr operations of Whiggery. Until a few months county, a few days since. The sentiment is as past, the Whig presses of our country were con- beautiful as it is true: tinually abusing the Executive, on account of the Resolved, That the thanks of the Democracy of Wing candidate. Here was a chance for him to to be associated together? And what miscrean

must be thrown into the back ground. Mexico-since Gen. Taylor has told the Whigs Tribune—thinks that men aught to do the washing what he can do-since they have been shown the killed, and all the men under him, by the Mexi- very cross, or very -, but her proposition will cans! Oh Whiggery, Whiggery! verily thy name not take-among the ladies!

Mexican Whiggery.

We instituted a comparison the other day, be ween the leader of the native Mexicans in th outhwest, and the leader of the Mexican Whigs it this section of the country-between SANTA An A of Mexico, and Thomas Conwer, of Ohio and the comparison was in no way favorable to the latter. We now give an extract from one of the Mexican Whig papers, as contrasted with the FRANCIS R. SHUNK, sentiments of a British paper, printed in Canada The following is from the Torchlight, at Xenia,

the masses of the whig party are favorable to the prosecution of this war—it is a libel upon the intelligence and honesty of the people to say so. The people are opposed to the war either for territory or Parlangteria, May 6, 2 for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will for the more sport of throat cutting, and they will be sport of the more sport of throat cutting, and they will be sport of the more sport of throat cutting. Many of our exchange papers contain a letter ple are opposed to the war either for territory or from the Hon. George M. Dallas, bearing date

Oceanica, the Western coast of America, and the now remote Indies. This Isthmus is only about

Long Point, Canada:-" The American Whig Press .- We are astonished having pointed out this route for a communication between the two oceans, as long ago as 1520.

The Vice President suggests that securing the right to improve this isthmus, by means of a ship canal, or a rail road, should be made a point in any negotiations which may be opened with Mexical any negotiations which may be opened with Mexical any negotiations which may be opened with Mexical and a more disgosting than to have graph. The disasters of their army; and for no reason than their being opposed to the present administration. If our Gov. at full rates.

Indian Corn was quiet and steady in value.

A further advance of one shilling a quarter took place on the 14th.

The above is all we have yet received by Televice Provided the control of the canada press should venture to say one tithe of what is weekly said, even by the Whig newsplace on the 14th.
