Daily Review of the Markets.

OFFICE OF THE POST,
SATURDAY MORNING, May 15, 1847.

There was no perceivable change in the market yesterday from the previous day's quotations. The operations in Flour were not heavy, but still prices were firm. We heard of sales to the extent of 200 bbls. at $5,13, to be delivered next week; 250 bbls. at $5,20; 400 bbls. at $5,12½; 100 bbls. at $5,25, a choice brand. We are told that some of the transporters are asking $2,00 for carrying a barrel of flour to Philadelphia! We hear a great many complaints on the part of the flour merchants, about the exhorbitant rate of carriage, but before expressing any sentiments in the matter, we shall obtain the statement of the other parties, and then let the public know the facts.

Business generally was light yesterday. The sales were small to city and country, at quotations below.

Whooping Cough.—Messrs Editors—I observed some time ago a communication over the signature for "A Parent," stating that Dr. Jayne's Indian Expectorant had been the means of saving the lives of three of his children, who were suffering severely with whooping cough; and having, but a short time before, lost one of my children by that dreadful complaint, and having another, and my only child, suffering the greatest agony with the same disease, and in hourly expectation of its death, I was induced to purchase a bottle of it, and commenced using it according to the directions—and to the surprise of all it began to mend in fifteen minutes after we commenced using it, and the child has now completely recovered.

I have no acquaintance with Dr. Jayne, but I hereby return him a husband's and a father's grateful acknowledgments.

Philadelphia, April 22d, 1846.

Jayne's Hair Tonic.—We commend to the attention of those desirous of restoring their hair or improving its beauty, to this elegant preparation We hear it every where highly spoken of, and especially by all who have made use of it, as greatly efficacious in stimulating the growth of the hair, and preventing and curing many affections of the skin. Its virtues are amply and sufficiently proved.—*N. Y. Sun.*

GREAT ITALIAN REMEDY.

PHILADELPHIA, April 26, 1846.

Being afflicted for some 8 years with that most distressing disease, the asthma, and for the last 3 years much of the time confined to my room, and at several different times my life was despaired of; I concluded to obtain some of Mazoni's Sicilian Syrup, which was recommended to me by a friend from New York, who stated that it had cured some of the most inveterate cases known to the medical profession. Suffice it to say, that, after using the above medicine for about 4 weeks, I was entirely relieved, and I believe radically cured. Yours with respect,

VEGETABLE PULMONARY BALSAM.—About four years since, I was attacked with a violent cough. I tried various remedies, and consulted several physicians without relief. On the recommendation of a friend, I commenced using the Vegetable Pulmonary Balsam, and derived immediate relief from it, and by continuing the use of it a short time, my cough was entirely removed. I have since always taken it myself, and recommended it to others, when attacked with a cough, and never know it to fail of giving immediate relief, although I have recommended it to many. I can, therefore, with confidence recommend it to the public.

A RECEIPT FOR THE HUMAN HAIR.—To force its growth and health—Make it soft, silky, clear and fine.

Persons who (in consequence of the many useless things sold), set down every article (be it ever so good) as a humbug. If people could be made to try a 3s bottle of Jones' Coral Restorative, and see how it makes dry, rusty, red light hair moist, soft, auburn and dark; keeps it so, and by its use for some time, causes it to grow naturally beautiful, if people could see the number of poor re-pectable Mechanics that use it (aye, and find it the cheapest thing they can use,) for dressing and beautifying the hair, for keeping it soft and in order three times as long as any other article made, and it costs but 37½ cents for a bottle. Read these certificates.

BALD HEADS, BALD HEADS—Mr. William Jackson, of 59 Liberty street, Pittsburgh, Pa., certifies, on the 3d of February, 1847, that Mr. Thomas Jackson's head, on the top, was entirely bald for 15 years, and that by using two 3s bottles of Jones's Coral Hair Restorative, the hair is growing fast and thick, and will soon be entirely restored.

Grey Heads, Grey Heads—Read—I hereby certify that my hair was turning grey, and that since I have used Jones's Coral Hair Restorative it has entirely ceased falling—is growing fast, and has a fine dark look. Before I used Jones's Coral Restorative I combed out handfuls of hair daily.

WM. THOMPSON, 92 King st., N. Y.

Mr. Power, grocer, in Fulton st., had his hair choked up with dandruff, and Jones's Coral Hair Restorative entirely cured it.

Do you want to dress, beautify, and make your hair soft and fine. Read—I, Henry Cullen, late barber on board the steamboat South American, do certify that Jones's Coral Hair Restorative is the best article I ever used for dressing, softening, cleaning, and keeping the hair a long time in order; all my customers preferred it to any thing else.

Sold by W. Jackson, at his Boot and Shoe Store, and Patent Medicine warehouse, 89 Liberty st., head of Wood st., Pittsburgh—In Bottles at 37½, 50 cts. and one Dollar. my7
