SICK MAN'S NEVER FAILING FRIEND: D'Agencies have been establibued in all thus principal Cities in the Uniton; and applications are constantly reaching us from almost numberies vil-lages in every section of the Country. Testimonialis of their marvellous effects arb pouring in from all quarters—ind in such humbers that we have not time to read one half of them. What stronger or more conclusive evidence that these important facts of the many thousands who have tried CLICKENER'S PILLS, can be deceived in their results 1 If any imposture or quackery existed; would it not long ago have been held up, as it should be; to the scorif and derision of a justly. offended community.? Sort member, Dr. C. Y. Clickener is the öriginal inventor of Sugar Coated Pills; and that nothing of the sort was ever heard of, until he introduced them in June; 1848. Purchisters should, therefore, always d, and favor.
