After on head many (10, 1947), After we had moved to Vera Cruz, anxious to would say to employers, to journeymen, to all—arms.

extend our business, I hired a Mexican to act as whether in relation to this matter or any other,—But all their supposed advantages proved to connect with the Great Western Line towards St. was found on him, but the papers he could not be prevailed on to give any account of on the whole I considered I had good reason to congratulate myself upon the successful termination of the pursuit, Captain Porter's Company dated at Jalapa, on

fidence it will be refunded; the papers, however, are irrecoverably gone.

Federal Honesty!

There is a common saying, among a certain class of moralists, that "a lie, well stuck to, is as good as the truth." This is a favorite maxim of some persons have declared was manufactured by Daniel Webster) has been again and again pronounced a base forgery, having not the slightest foundation in truth; and yet, by far the largest number of Federal prints continue to give circulation to the falsehood. They must make wonderful to the falsehood. They must make wonderful and the falsehood. They must make wonderful to the falsehood and the falsehood Issue Relief — Mr. R. H. Kerrequests to load a loase (orgery, having not the slightest founder of Peters) prints continue to give critical attent Dr. Trevor, of Allegheny City, handed into the fishebood. They must make woodscill into the fishebood into the fishebood into the fishebood. They must make woodscill into the fishebood into the fishebood into the fishebood. They must make woodscill into the fishebood into the fish the famous "Roorback" letters inserted in a par allel column, it would greatly add to the effect of the picture. Or they might give one of the old prophecies about the destruction of the United States Bank; or respecting the election of General Control of the gold would not burst.

The Methodist Book Concern, have now in process of erection at Cincinnati, a splendid building of the gold would not burst.
