MORE HOME TESTIMONY.

PHILADELPHIA, January 25, 1847.

Dr. Swayne—Dear Sir: In justice to yourself and a duty I owe to suffering humanity, I cheerfully give my testimony, and declare to the world the most astonishing effects, and the great cure your COMPOUND SYRUP OF WILD CHERRY performed on me, under the most unfavorable circumstances. I was taken with a violent Cough, Spitting Blood, severe Pains in the Side and Breast, which seemed to break down and enfeeble my constitution so that my physician thought my case beyond the power of medicine, and my friends all gave me up to die; but thanks to you and the effects of your great discovery, I now feel myself a well man, and raised from a mere skeleton to as fleshy and healthy a man as I have been for years, and shall be pleased to give any information respecting my case, by calling at my residence, Mechanic street, third door below George street, Northern Liberties.

ASTHMA OF 11 YEARS' STANDING permanently cured by DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, *after all other remedies had failed.*

CINCINNATI, Feb. 19, 1847.

DR. SWAYNE: This may certify that eleven years ago last Fall, I was troubled with the Phthisic which increased upon me in defiance of all the remedies I could hear of, until the year 1839 '40, when I was obliged to leave my Native New England, for a mild clime, which had the effect to mitigate my sufferings for three or four years, after which the disease increased until last winter, my sufferings were intense, almost beyond endurance, being obliged to set up night after night, from inability to lay in bed. Last Fall I felt the symptoms earlier than usual in the season, but hearing that DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY, was a sovereign remedy for *Diseases of the Lungs*, I immediately commenced its use, and the result was almost immediate relief. For the last six weeks I have not felt the least symptoms of the Asthma, and feel confident that I am well oft, and that I have been cured by the above named medicine.

Yours respectfully, J. W. KNIGHT,
Walnut street between 3d and 4th.

But beware the base impostors who would desecrate this tree,
By their Paraguric cures and rhyming ribaldry;
Beware of him who buys the right to tamper with your health;
Who adds "Wild Cherry" to his name by treachery and stealth;
Who bottles Paragoric, and then calls it, through deceit,
The "Balsam of Wild Cherry!" Oh! beware of such a cheat!
If you would shun this venal craft, be healthy and be blest,
Take "Dr. Swayne's Wild Cherry," the original and best.

Read the most remarkable cure ever recorded!

Dr. Swayne—Dear Sir: I feel called by a sense of duty I owe to suffering humanity, to acknowledge my grateful thanks for the wonderful effects of your Compound Syrup of Wild Cherry on me, after suffering month after month with the most afflicting of all diseases, Consumption. The first symptoms were of a very heavy cold which settled on my lungs, which gradually grew worse, with profuse night sweats, a hacking cough, spitting blood, with great debility. My constitution seemed broken down, and nervous system very much impaired. I went to Philadelphia, was treated there by physicians of the highest standing, but received no benefit whatever from them, but gradually grew worse, until my physicians, as well as myself, gave up all hopes of recovery, and I felt like one who is about to pass through the Valley of the Shadow of Death. At this "awful juncture" I heard of your Compound Syrup of Wild Cherry, of which I purchased six bottles, which I am happy to say entirely cured me, and I am now enjoying better health than I ever have before in my life. Physicians who witnessed my case are highly recommending it in similar cases, and I wish you to make this public, so that all may know where to procure a remedy at once which will reach their disease before tampering with the many "quack nostrums" with which the country is flooded. My residence is at 45 Ann street, where I should be happy to have the above substantiated by a personal interview.

Be not deceived by the many spurious and worthless preparations of Wild Cherry, ushered into notice by ignorant pretenders, but see that the signature of Dr. Swayne is on each bottle, which is the only guarantee against imposition.

The Most Astounding Discovery.

A BLESSING! A MIRACLE!! A WONDER!!!

To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c. &c.

FOUR years ago last August, the capital of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers as that claimed by ANTONIO VESPRINI for his invention. Many classed him and his invention as a humbug, (and, alas! many foolish persons without trying, do the same now;) at length, after testing it in the hospitals, the Medical Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. Its inventor we consider the true philanthropist of suffering mankind.

(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societe de Plastitute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yel low or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the president, who had used it, in proof of his assertions.)

READ THIS!

FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

Paris, Nov 4, 1840.

In consideration of the sum of $3000, I have divulged to Mr. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "*Jones's Italian Chemical Soap.*"

Witness, Henry J. Holdsworth.
(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jones's Italian Chemical Soap*, in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Ringworms, Sun-burn, Morphew, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.

CHRISTIE'S

A POSITIVE AND PERMANENT CURE FOR

RHEUMATISM

AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong dosc, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other 'remedies' having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all NERVOUS DISORDERS.* In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waiste, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat (generally also in cases of NERVOUS DEAFNESS; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *invigorating the nerves sensiting to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanations and directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, pain or chronic; in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections, and in Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes, as a certain aid in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found a great and permanent advantage. In a few words; it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art, indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.
