Letter OI Mr. Burke. The following letter from ANDREW FURKE, Churches. In Allegheny, the South Common Col. A. M. MITCHELL, 1st Reg't. O. V. Esq, was read in the Democratic Convention on Methodsit E. Sabbath School will celebrate the day Wednesday :

PITTSBURGH, June 30, 1847. Sir-Having been informed that the delegates Democratic priate exercises. After which, the Superintendant County Convention, which assembles at the Court and Libarian will make their yearly report to House to-day, have been instructed to urge my the Stewards, and the election of a Supernomination, as the candidate of the party for State intendaut and Libarian will take place. A collec-Senator, I respectfully request that you will, at the earliest moment propriety will admit, cause my name to be withdrawn from the consideration of the Convention. I have already stated to those of my personal take an interest in religious instruction, are expect-tion will then be made for the benefit of the Library. [L.S.] To this communication, Col. Mitchell has turned the following rather pointed reply: Senator, I respectfully request that you will, at

and political friends who have spoken to me on the subject, the considerations which imperatively forbid my acceptance of the distinguished honor their too kind partiality would prompt them to confer on me. You will permit me, however, to congratulate you, and the members of the Convention, on the fact, that there can be no possible difficulty in the way of the party uniting in the subject of met day, in social enjoyment, which is usual of the emigent gentlemen whose names have been of the emigent gentlemen whose names have been mentioned in connection with the nomination —

And may we not cherish the hope, sir, --notwith-no papers issued on Tuesday morning next; as the and as no particular reference is made in the brave officers and all human comprehension. And may we not cherish the hope, sir,—notwith-standing the very large majorities with which the Federal party have heretofore carried this county the habinger of success at the approaching elec-
