LOCAL MATTERS.

QUARTER SESSIONS.—*July 7.*—Present, Judges PATTON, PORTER, and KERR.

The Court met pursuant to adjournment.

H. S. Magraw Esq. having suggested the decease of the Hon. Richard Biddle, an eminent member of the Bar, moved that the Court do now adjourn, which was seconded by Thomas Hamilton Esq. after a few appropriate remarks, requesting the Court to call a meeting of the members of the Bar, at 3 o'clock P. M. in this place.

After a few brief and expressive remarks from the President of the Court, relative to the eminent character and high reputation of the deceased, it was ordered that, as token of the profound respect, cherished for the memory of the deceased, the Court do now adjourn till to-morrow morning at 8 o'clock, that an entry of the same be made upon the records, that the officer of the Court be requested to notify the absent members of the Bar that a meeting of the profession will be held in this place this afternoon, at 3 o'clock, adjourned.

MESMERISM.—We much regret that a few of our citizens have so little respect for themselves, as to attend the Lectures of Messrs Loomis and Gihon, apparently for no other purpose than to offer insult to those gentlemen. Messrs L. and G. have acted honorably throughout, and given evidence that they are neither knaves nor imposters, notwithstanding the malignant "paper" that has been published in Washington. They have performed all they promised; and we have their assurances that they will perform all that is required by the most sceptical, viz.: a black handkerchief will be placed before the face of the subject after she is bandaged, so as to satisfy those who assert that she sees by removing the bandage and leaving a slight crevice at the sides of the nose. As to her seeing with the natural eye, up through a crevice, between the bandage and the forehead, it is preposterous. The evening on which the exhibition with the "something black before the face" will take place, will be announced in the papers and in bills. We hope a large audience will assemble to witness the success or the discomfiture of the Professors.

That Miss Martha is a *genuine* clairvoyant we do not assert; but that she does see so as to read and describe objects through some other visual organ than the natural eye, we have the fullest faith. It cannot be that, bandaged with raw cotton gloves, handkerchiefs and twine, and by the hands of physicians, she can see to read cards, heads of papers, &c. But we do not write to convince those who make it a business to doubt every thing that is "new under the sun." This we cannot do. But we do ask that the lecturers and the lady may be treated with ordinary decency, since they have done nothing to forfeit the respect of the public. Those who create confusion by making unreasonable and ridiculous requests, only expose themselves to the contempt of men of good sense.

☞ There were quite a number of typographical errors in the local column yesterday morning; some of them so gross that the intelligent reader would at once detect them. We must ask the indulgence of the readers of the *Post* in this matter, as the arrangements of the office are such as to preclude the possibility of avoiding blunders. The local matter is nearly all set after dark, and frequently goes into the form without being proved. We do not know that we appear to much worse advantage than some of our neighbors; yet the strange freaks of the pen and types would be inexcusable under ordinary circumstances. We can only promise to do as well as we can hereafter.

RELIEF.—We understand from our friend Kerr, that the Irish Relief Committee, of Philadelphia, have shipped from this State the vast amount of 25,000 barrels for Ireland. This is exclusive of the donations of the Episcopal Churches, of this State, which is from 8 to 9 thousand dollars in cash, not does it include the *Friends* (Quakers) charity.

The *Scotch Committee* is said to have forwarded the liberal amount of 5000 barrels.

This speaks more, than words can convey. We are rejoiced that "old Pennsylvania" has nobly done her share in the good work of assisting the poor and needy. The gratitude of the people is due in an eminent degree to our *worthy Committee* for their using the exertions that have contributed to swell this magnificent charity.

CONSTABLE OF THE MONONGAHELA WHARF.—George W. Boston was yesterday selected by the Wharf Committee, as Constable of the Monongahela Wharf, an office created at the last meeting of the Councils. Boston was elected on the first ballot; there were three other candidates.

☞ Dr. Brooks, Charles B. Taylor, and some others have discovered that Mesmerism is a humbug!! We begin to suspect that the Magnetic Telegraph may be a humbug also, and that Mr. O'Reilly is an impostor! In order that this matter may be satisfactorily tested, supposing the above named gentlemen require a despatch to be sent east, and an answer returned during a thunder storm. Why cannot the operators transmit intelligence on a wire in a storm as well as in fair weather, since it requires the words but a few seconds to travel from station to station? This is as reasonable as to suppose that because Miss Martha can "see through her head she can see through a wall?"

THEATRE.—The old Pittsburgh favorite, Oxley, took his benefit last evening. It will be pleasing to his friends at a distance to hear that he was received by a very excellent house. His was the best benefit of the season.

Mr. Dowling, prompter, takes a benefit to-night. See his card in another column.

MAD DOGS.—This is the season for them; but we have heard no alarm yet. We pity the unfortunate canine who may appear in the middle of the street with froth on his mouth. Our population is death on such conduct.

THE COURT OF QUARTER SESSIONS met yesterday morning, and was adjourned immediately by Judge PATTON, who announced the decease of the Hon. RICHARD BIDDLE.

☞ The Hon. Richard Biddle will be buried this day. The funeral will start from his late residence on Fourth street, at 3 o'clock, P M. He will be buried in the cemetry.

☞ A beat-man found a little girl, on Tuesday night, about nine years of age, in an old rackety grog-shop, in one of the dirtiest alleys in the city. She had been enjoled there; but for what purpose is unknown.

☞ His Honor, the Mayor, treated the Night Police with some some of Andrews' best Ice Cream, on Tuesday night. Something like a luxury, and one which they deserved.

☞ We regret to learn that Mr. WM. CAMPBELL, a member of the Cambria Guards, who received an honorable discharge from Gen. Scott, is now lying dangerously ill at the Mercy Hospital.

Bar Meeting.

Pursuant to previous notice, a very large meeting of the members of the Pittsburgh Bar, was held in the room of the Court of Common Pleas, on Wednesday afternoon; at 3 o'clock.

Walter Forward proposed the following Resolutions; which he prefaced, with a few affecting and eloquent remarks. They were seconded by Wilson M'Candless, Esq., who also addressed the meeting, and were adopted.

Resolved, That in the death of the Hon. RICHARD BIDDLE, the members of the Bar have sustained an irreparable loss.

Resolved, That we cherish the highest admiration of the professional learning of the deceased—of his general erudition—of his abilities as an advocate and statesman—and of his integrity as a man.

Resolved, That as a testimony of our regard for the deceased, we will wear the usual badge of mourning, for thirty days.

Resolved, That Messrs. Forward, Hampton and Darragh, be a Committee for the purpose of transmitting a copy of the foregoing resolutions, and a letter of condolence, to the widow of the deceased, and to his surviving relatives.

On motion of J. Knox, Esq.,

Resolved, In further respect to the memory of the deceased, that the Judges of the Courts, their officers, and the officers of the county, be requested to meet the members of the Pittsburgh Bar, at half past 2 o'clock to-morrow, at the room of the Court of Common Pleas, to proceed with them, in a body, to the funeral of Mr. Biddle.

On motion of W. M Candless, Esq.,

Resolved, That a Committee of three be appointed to present the proceedings of this meeting to the District Court and Court of Common Pleas, of this county, to the Circuit and District Courts of the United States, for this District, and to the Supreme Court of this State, with the request that they be entered at large on the minutes of the respective Courts.

The Chair appointed Mr. M Candless, Mr. Shaler, and Mr. A. W. Loomis, as the Committee.

On motion of J. A. Wills, Esq.,

Resolved, That a Committee of three be appointed by the Chair, to select appropriate eulogy on the life and character of Richard Biddle, at a meeting hereafter to be called.

Messrs. Wills, Mahon and Flanegan were appointed the Committee.

On motion of Thomas Hamilton, Esq.,

Resolved, That the proceedings of this meeting be published in the newspapers of the city.

On motion of M. Hampton, Esq., the meeting adjourned to meet again at half past 2 o'clock, P. M., to-morrow.

At a meeting of the Board of Managers of St. Paul's Cathedral, held this day, the following resolutions were adopted:

Resolved, That we have heard with sincere regret, of the demise of Sister MARY AGUSTIA STRANGE, a member of the Order of the Sisters of Mercy, which took place at the Mercy Hospital, on Tuesday, the 6th inst.

Resolved, That participating in the general feeling of admiration of the virtues of the deceased, and aware of the amiable qualities and distinguished talents which adorned her, we look upon her decease as a calamity to the Catholics of Pittsburgh; that the deep sadness and zealsevinced by her in thus doing home and friends, to dedicate herself to works of equity and mercy in this diocese, for which purpose she sacrificed much, and could never have expected any earthly reward, entitle her to their grateful recollection; and impose on them the duty of shewing to her memory every possible mark of gratitude and respect.

Resolved, That we attend the funeral in a body, to-morrow, at 4 o'clock, P. M., and that we hereby request the various Societies connected with the Catholic Churches of this city, and the public generally, to unite with us in this mark of respect to the memory of the deceased. (By order.)

L. M. TAAFFE.

☞ At a meeting of the Board of Managers of St. Paul's R. C. Orphans' Asylum, held this day, the lamentable occurrence in the death of Sister Mary Aloysia Strange, a member of the Order of the Sisters of Mercy, having been announced—the following resolutions were unanimously adopted:

Resolved, That the debt of gratitude which the friends of the Catholic Orphans of Pittsburgh owe to the religious community, of which the deceased was so distinguished a member, imposes on them the duty of testifying to the Sisters of Mercy the sympathy they feel for the severe loss occasioned by this sad event.

Resolved, That the amiable character, the talents, zeal and devotedness of the deceased, render her peculiarly entitled to our grateful recollection.

Resolved, That we attend her funeral in a body, to-morrow, at 4 o'clock, P. M.; and that we request the friends of the Orphans, to unite with us in this mark of respect to her memory.

CLOTHING! CLOTHING!! CLOTHING!!!
The Three Big Doors vs. The Western World!!!
$50,000 WELL SELECTED GARMENTS
NOW made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, most certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount said, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

Vegetable Pulmonary Balsam.
WORTH, SEPTEMBER 18, 1843.
My child was afflicted with a bad cough from its birth, which continued to grow worse till the age of two, when she was six years old. At this time I thought it necessary to procure some of your various medicines under the direction of a physician, but it proved to no great benefit. Having heard that the Vegetable Pulmonary Balsam had been recommended in another case by a distinguished physician of Boston, I was induced to purchase a bottle. The good effects were immediate on using it. Her recovery was speedy, and I attribute the preservation of her life to the use of this valuable preparation.
