THE BOOURT OF MACNOLIA. Translated from the Courier des Elats Unis, for the

From the mauner in which my master fell, l believed that he was killed. La Pepita screamed. Not being permitted to ride in front, I was of wait for Badiello, in a retired Posada, seek some course behind at the time of the accident. Dona Carmen (seeing my master motionless, and La Pepita turning round at the mercy of her fright ened horse,) leaped to the ground, and went to the assistance of the former. He showed no signs of life; his face was covered with the dust and dirt of the road; his cloak and clothes torn, and his and opened his breast to allow him to breathe

brought as together."

La Pepita:-

told her as much about my master as I had learned ning to me with the good news. from her about the senora; and her tongue was too much excited by the wonderful news to remain

inactive. Dona Carmen raised her head quickly, and the dearest wish of his heart; but he would have would see in it the proof that her conversation eral and your comrades?" his swoon. He was a gallant man, even against he, astonished.

Remarking the confusion of Dona Carmen the Viscount approached her, the better to hear what we were saying; and La Pepita then triumphed, for they spoke together, and love again united them. I never saw, and will never again see, such a ravishing tableau; they were me by the throat, and threw me against the wall, never again see, such a ravishing tableau; they were me by the throat, and threw me against the wall, and there were against the wall, and there were against the said Language of the strictle is nearly double what it then was. Nearly every manufacturer speaks of the high rates of wages given to American ong-tatives, as one of the reasons why the employers the wall, who wants his regard for the intelligence of his readers, and his respect for them, says that the price of float year.
