Transportation Lines.

Pittsburgh Portable Boat Line,

1847.

FOR the transportation of freight between Pittsburgh and the Atlantic cities, avoiding transhipments on the way, and the consequent risk of delay, damage, breakage and seperation of goods.

PROPRIETORS:

BURBRIDGE & CASH, 278 Market st., Philadelphia.
TAAFFE & O'CONNOR, cor Penn and Wayne sts., Pittsburgh.

AGENTS:

O'CONNORS & Co., North street, Baltimore.
W. & J. T. TAPSCOTT, 75 South street, New York.

Encouraged by increased business, the Proprietors have added to and extended their arrangements during the winter, and are now prepared to forward freight with regularity and dispatch, unsurpassed by any other line. Their long experience as Carriers, the palpable superiority of the Portable Boat system, and the great capacity and convenience of the Warehouses at each end of the Line, are peculiarly calculated to enable the Proprietors to fulfil their engagements and accommodate their customers, and confidently offering the past as a guarantee for the future, they respectfully solicit a continuance of that patronage which they now gratefully acknowledge.

All consignments to Taaffe & O'Connor will be received and forwarded, Steam Boat charges paid, and Bills of Lading transmitted free of any charge for Commission, advancing or Storage. Having no interest directly or indirectly in Steam Boats the interest of the Consignors must necessarily be their primary objects in shipping West; and they pledge themselves to forward all Goods consigned to them promptly, and on the most advantageous terms to the owners.

SUMMER ARRANGEMNTS.

1847

Monongahela Route,

VIA

BROWNSVILLE AND CUMBERLAND TO BALTIMORE AND PHILADELPHIA.

Time to Baltimore.....32 hours.
Time to Philadelphia.....40 hours.

THE Splendid and fast running steamers Consul, Louis M'Lane and Swatara, have commenced making double daily trips. One boat will leave the Monongahela wharf every morning precisely at 8 o'clock—Passengers by the morning line will arrive in Baltimore next evening in time for the Philadelphia Mail Boats or Rail Road cars. The evening Boat will leave the wharf daily at 4 o'clock, except Sundays. Passengers by this boat will lodge on board, in comfortable state rooms. Leave Brownsville next morning at 6 o'clock; cross the mountains in day light; sup and lodge in Cumberland. Thus avoiding night travel altogether. The preparations on this route are ample, and the connections complete; so that disappointments or delays will be unknown upon it.

Passengers can stop on the route and resume their seats again at pleasure, and have choice of Rail Road or Steamboat between Baltimore and Philadelphia.

Coaches chartered to parties to travel as they desire.

Secure your tickets at the office, Monongahela House, or St. Charles Hotel.

Bingham's Transportation Line,

1846.

CONDUCTED on strict Sabbath-keeping principles, though not claiming to be the only line that is so conducted. The proprietors of this old established line have put their stock in the most complete order, and are thoroughly prepared to forward produce and merchandize to and from the Eastern cities on the opening of navigation.

We trust that our long experience in the carrying business, and zealous attention to the interests of customers, will secure to us a continuance and increase of the patronage heretofore bestowed on 'Bingham's Line.'

Our arrangements will enable us to carry freight with the utmost despatch; and our prices shall always be as the lowest charged by other responsible lines.

Produce and merchandize will be received and forwarded east and west without any charge for advertising, storage or commission.

Bills of lading forwarded and every direction promptly attended to.

Bowel Complaint.

FROM Dr. M. L. KNAPP, of Chicago, Ill., Professor of Materia Medica in the University of Laporte, Indiana.

Dr. Jayne—Dear Sir:—You ask me what proofs I meet with of the efficacy of your *Carminitive*. I can safely say that I never prescribed a medicine for *Bowel Complaints* that has given so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the *Summer Complaint* of children it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such and such a child." I have repeatedly heard said. In dysentric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine it is a valuable medicine, and no family should be without it. Respectfully,

M. L. KNAPP. M. D.

From the Rev. CHARLES C. P. CROSBY, Louisville, Ky., and late of New York.

Dr. D. Jayne—Dear sir—I am glad to inform you that the medicine made by you for Bowel and Summer Complaints has proved singularly efficacious in my family. My wife has for years been extremely liable to a most distressing dysentery in hot weather; but by the use of JAYNE'S CARMINATIVE BALSAM for two seasons, the attack has been obviated in the course of two or three hours. I have known children, when attacked with a violent Diarrhœa, cured immediately by this medicine. I consider your medicine prepared with great skill, and highly beneficial to human nature. Respectfully yours,

C. P. CROSBY.

Great English remedy

For Coughs, Colds Asthma, and Consumption!

THE great and only remedy for Colds, Coughs, Asthma and Consumption, is the CHAMOMILE BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendance of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the WORST POSSIBLE CASE that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians as CONFIRMED AND INCURABLE. The Hungarian Balsam has cured, and will cure, more CONSUMPTIVES in a month, than a quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of Colds, Coughs, Spitting of Blood, Pain in the Side and Chest, Irritation and Soreness of the Lungs, Bronchitis, Difficulty of Breathing, Hectic Fever, Night Sweats, Emaciation and General Debility, Asthma, Influenza, Hooping Cough and Croup.

☞ Sold in large bottles, at $1 per bottle, with full directions for the restoration of Health.

Pamphlets, containing a mass of English and American certificates, and other evidences, showing the unequalled merits of the great English Remedy, may be obtained of the Agents, gratituously.

Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

ESTABLISHED IN 1835 BY AN ACT OF CONGRESS.

The Great Remedy for

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents.—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in commendation of Dr. Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Bitters," and even "Syrup of Wild Cherry," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE,
Corner of Eighth and Race streets, Philada.

50,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this distressing disease in a single year; then add the fearful catalogue of those cut off by Inflammation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.

And the list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread waste of human life might have been prevented by the timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has it gained an enviable reputation and worked its way into general use. One bottle never fails to cure a recent Cough or Cold, while with strict attentions to the directions that accompany each bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has always given relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrups*," &c., as they contain none of the virtues of the original preparation.

The *original* and only genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N.W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

The Most Astounding Discovery.

A BLESSING! A MIRACLE!! A WONDER!!! *To cure Eruptions and Disfigurements of the Skin, Pimples, Freckles, Sunburn, Salt Rheum, Scurvy, Sore Heads, &c. &c. &c.*

FOUR years ago last August, the capitol of France was astonished in consequence of a discovery made by an Italian Chemist. Many doubted—it seemed almost an impossibility that any thing made by the hands of man, could have such singular powers as that claimed by ANTONIO VESPRINI for his invention. Many classed him and his invention as a humbug, (and, alas! many foolish persons without trying, do the same now) at length, after testing it in the hospitals, the Medical Society of Paris, (the best chemists in the world) delivered the following report to Signor Vesprini:

"We have now minutely and carefully examined the singular invention of Vesprini. We have analyzed its component parts—we have used it in several cases, and we hesitate not to pronounce it (The Italian Chemical Soap) as a great blessing, and a truly wonderful remedy for any cutaneous eruption or disfigurement of the skin. In this manner we consider the true philanthropist of suffering mankind.

(Signed) LEOPOLD DUPREY, Pres."

Then comes the report of the "Societe de l'Institute," of scientific experiments:

"We are astounded," exclaims the aged president, "at this singular preparation—Vesprini's Italian Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin! Where will its magic and singular power cease? The Negro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the influence of its extraordinary powers of clearing yel low or discolored skin, and make it white and beautiful, and of changing the color of dark, or black, or brown skin." (Here several persons were brought forward by the president, who had used it, in proof of his assertions.)

READ THIS!

FROM THE INVENTOR HIMSELF TO THE PRESENT PROPRIETOR.

Paris, Nov 4, 1840.

In consideration of the sum of $3600, I have divulged to MR. T. JONES, residing in the City of New York, N. A., the whole process of manufacturing, together with a statement of the ingredients composing my Italian Chemical Soap. He is to manufacture it for sale in the United States only, and to have the privilege of naming it "*Jones's Italian Chemical Soap.*"

Witness, Henry J. Holdsworth.
(Signed) ANTONIO VESPRINI.

There are probably few persons of intelligence, who, after reading the above, will doubt the qualities of *Jones's Italian Chemical Soap*, in curing Eruptions, Disfigurements, Freckles, Salt Rheum, Scurvy, Erisypelas, Sun-burn, Morphew, Tan, Yellow or Brown Skin, &c. Should there be such persons, perhaps the following recommendations, as well as hundreds from others, may convince them.

Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other 'remedies' having so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Fits, Cramp, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremore, Dizziness of the Head, pain in the Chest and Side, General Debility, Deficiency of Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. The *Magnetic Fluid* has a very great effect upon the system when first witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Garters, Necklaces, &c.,

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat generally, also in cases of Nervous Deafness; and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action* by this means causing a concentration of the influence, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanations and directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic, in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections*, and in *Weakness or Oppression of the Pulmonary Organs*. In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the breast, and are highly recommended for many of those complaints to which females are especially liable, as an effectual means for strengthening the system when debilitated with disease or other causes; as a certain aid in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In a few words; it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

☞ The great celebrity and success of these articles have caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. CHRISTIE has but one authorized agent in each city of the Union. The only agent in Pittsburgh,

W. W. WILSON.

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art, indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.

Jone's Italian Chemical Soap.

PERSONS, in purchasing [illegible] for JONES'S ITALIAN CHEMICAL SOAP, perhaps, as many have been cheated by buying articles which will be too much discouraged to say to such, Try this once—you will but always see that the name of T. JONES is on the wrapper. Price 50 cents a cake.

For sale by W. JACKSON, Agent, corner of Wood and Liberty streets, *the only place* in Pittsburgh where the Genuine can be obtained; ALL OTHERS ARE COUNTERFEIT. jan22

Jones's Coral Hair Restorative.

I HEREBY certify that my hair was falling out in immense quantities daily, and was turning grey, and that since I have used Jones's Coral Hair Restorative, it has entirely ceased falling—is growing fast, and has a fine dark look. Before I used Jones's Coral Hair Restorative, I combed out handfuls of hair daily."
