When Sally Lyon gave her hand in marriage to er things that could be best dispensed with. These Ralph Lyon, she was a delicate, timid girl of she took to a pawnbroker's, and obtained an adelighteen, who had passed the springtime of her vance of fifteen dollars. She had two dollars in

Ralph Lyon was an industrious mechanic, who carnings. But this did not last a great while; ap always had steady work and good wages. Still nettie, long indulged, was strong; and he soon rehead in the did not seem to get shead as some others did not withstanding Sally was a trugal wife, and did all her own work, instead of patting him to the expense of help in the family. Of course, this being the case, it was evident there was a leak be brought home each week was scarcely suffisomewhere, but where it was neither Ralph nor his cient to buy food, and it was clear that there would wife could tell.

Thomas Jones has bought the piece of ground quarter day came round in the markets. next to his cottage," said Ralph one day to Sally, product of her own exertions. Plain sewing was deely this morning.

and says that next year he hopes to be able to put obtained by Mrs. Lyon, and an additional labor of up a small frame house, big enough for them to three or four hours in the twenty four added to her up a small frame house, big enough for them to live in. He paid sixty dollars for the lot, and it is already over-tasked body. Instead of feeling relations to be a live in the paid sixty dollars for the lot, and it is already over-tasked body. Instead of feeling relations to be a live in the besorted husband-only perceived at least a quarter of an acre. He is going to put it buked at this, the besorted husband-only perceived in interest beyond the despatches of yesterday.

all in garden this spring, and says he will raise e. freely the making his poor wife's condition really the wife his bough to give him potatoes and other vegetables freely, thus making his poor wife's condition really for a year to come. It puzzles me to know how worse than it was before.

dollars were spent in drinking, smoking and chew ing. Understanding this, the thing is very plain. In four years, eighty dollars saved in each year, would give the handsome sum of three hundred and twenty dollars. Thomas Jones neither drank. smoked, nor chewell, and consequently, not only saved money enough in a few years to build him-

time, to let his wife have a washer-woman to help her every week, and to dress much more combett able than Sally Lyon had beed able to Jo. The difference in the condition of the two fami-ties sets Mrs. Lyon to thinking and calculating soon
