Correspondence of the Morning Post. MINESOTO TERRITOTY. LA POINT, MADELINE ISLAND, ?

July 20th, 1847. me bere, at the office of the American Fur Com which I had however, always kept a little below day, as dealers are awaiting private lotters Mar-per for us to express any opinion in regard to it pany, near the head of Lake Superior, some 400 the written representations of them. They are a ket is depressed, 17th, at day light; I embarked on "the good ship, bout 180 feet above the water; and about ten (now steamer) Julia Palmer, in company with miles in length. They are worn into many shapes some thirty or forty passengers, among whom by the waves below and the dripping waters above; Mr. Whitney, (the great Railroad Projector,) Col. stant running of various colored waters over them, Taylor, owner of the boat, and about a dozen ladies which receive their tinges from the number of

ing points. After rambling in this vicinity for a gaio. But the most wonderful and beautiful sight few hours we steered for Eagle River and Eagle | River and Eagle | Philadelphia ......July 15 few hours; we steered for Eagle River and Eagle to me, was the redoubt beneath the waters; (which Missouri ... July 31 your house, as thick as an ordinary brick wall, and minds that "this is a great country." weighing, perhaps one hundred tons.

From Eagle River we started for Ontonagon tiful evergreens.

Dr. Jackson, the United States' Geologist, to much to the interest of our trip

The country in this vicinity is much more designated by the Rain!—The Bedford Springs is that about Copper Harbor; and it is likely to prove a good grain growing and grazing region. The least set the cellure and every man bulks at \$4.50; 50 bbls. at \$4.50; 50 a good grain growing and grazing region. The weather is delightful—rather warm on shore and quite cool on the lake; but, as we strike across from point to point, we enjoy a most agreeable variety; and the weather is never warm in the middle of the lake. The water of the lake looks was discharged on the garrets to the cellars—and every man bbls, at \$4 50; \$0 bbls, at \$4 25 cty. He bad received upon his discharge, a comfort to be seems to have his pockets filled with Benton nint deposition of clothes, and a few dollars in money. He had made application for work at several places in Altegheny and in this city; but his prison gait and Altegheny and in this city; but his prison gait and Altegheny and in this city; but his prison gait and Altegheny and in this city; but his prison gait and a few dollars in money. He had made application for work at several places in Altegheny and in this city; but his prison gait and a few dollars in money. He had made application for work at several places in Altegheny and in this city; but his prison gait and a few dollars in money. He had made application for work at several places in Altegheny and in this city; but his prison gait and the WINDOW GLASS—The demand is increasing for all sizes of window glass, which is owing to and no one would employ him. He came to quit the fact that he was a discharged convicty. Arsenal. The Piano forte, Horse and Carriage, will be sold this day, at 11 o'clock, at the residence of E. Harding, Allegheny and no one would employ him. He came to quit the holders refused that the was a discharged convicty. Arsenal. The Piano forte, Horse and operations had induced inquiries which led to a discovery of the fact that he was a discharged convicty. Arsenal. The Piano forte, Horse and operations had in this city; but his prison gait and a few dollars in money.

WINDOW GLASS—The demand is increasing to sold this day, at 11 of the large number of buildings going up, reliaceipnia now ne accounted for this—to which the replied "that the great abundance of money in the city, but throughout the country. The mans the replied "that the great abundance of money in the city, but throughout the country. The mans the city but said that the great abundance of money in the city but throughout the country. The mans the city but said that the great abundance of money in the city but throughout the country. The mans the city but said the
