And the waves bound beneath me as a steed That knows his rider. Welcome to their rost! Swift be their guidance, wheresoe'r it lead! Though the strained mast should quiver as a reed Still must I on; for I am as a weed, Flung from the rock, on ocean's foam, to sail Where'er the surge may sweep, the tempest's breath

For then sweet dreams of other days arise, And memory breathes her vesper sigh to the Declin'd, was hasting now with prone career To the ccean isles, and in th' ascending scale Of heaven, the stars that usher evening rose.

EVENING.

How dear to me the hour when daylight dies,

And sunbeams melt along the silent sea,

WOMAN'S ETES. From woman's eyes this doctrine I derive, They sparkle still like Promethean fire: They are the books, the arts, the academi That show, contain, and nourish all the world Else, none at all in aught proves excellent.

Her eye (I'm very fond of handsome eyes)
Was large and dark, suppressing half its fire e spoke, then, through its soft disguise, Flash'd an expression more of pride than ire,

> Oh'l ever thus from childhood's hour, I've seen my fondest hopes decay; I never loved a tree or flower, But twas the first to fade away. I never nurs'd a dear Gazelle To glad me with its soft black eye. t when it came to know me well, And love me, it was sure to die. Still o'er these scenes my memory wakes And fondly broods with miser care; Time but th' impression deeper makes

As streams their channels deeper wear! fustice Winslow.-What do you know about John

the short of it is, John Wadleigh is a hard working man; that is, he works very hard doing nothing, and that's the hardest work there is done. It will make the hardest work there is done. It will make the hardest work there is done. It will make a rew discovery has been made; (and we cannot to reason that Wadleigh would naturally be a very leepy sort of a person. Well, the weather is sometimes naturally considerable warm, and parson than as an additional supply of "aid and comfort" than as an additional supply of "aid and comfort" than as an additional supply of "aid and comfort" than as an additional supply of "aid and comfort" the Merit of the honest, modest and the presidential chair!

their character as well as any one term. They have purchased two sections of land in Henry co. bave purchased two sections of land in Henry co. state of cultivation. In this little settlement you state of cultivation. In this little settlement you will find carpenters, blacksmiths, wheelwrights, brewers, bakers, tanners, curriers, milers, farmers, each busily at work, as sprize, and, if spies, the venerable man, farmers, each busily at work as his separate locament of the mental manifestations and in the corner of Smithfield and Third streets, and on the corner
