Sear's American Renovating Pills.
FOR several months past, I have been much troubled with a bilious habit, attended with an incrustive and costive state of the bowels, and rheumatic affections; I have made use of the Medicated Vapor Bath, and various kinds of Medicine, without receiving any benefit. Seeing Sear's A. H. V Renovating Pills advertised, I was induced from the recommendations attached to them, to make trial of them. In a few days they afforded me great relief, and in the short time in which I have taken them, I have experienced more benefit from them than I have received from any medicine. Their operation has been natural, easy, and effectual. Others of my family have been indisposed, and have used them, and received much benefit. I can with with confidence recommend them to individuals and families, as a safe and effectual medicine, in all cases in which the stomach and bowels are disordered.

The Truth by Men of Truth.
CONCERNING SELLERS' VERMIFUGE.—A single vial producing wonders.—Read the following from the Rev. S. Wakefield, Pastor of Liberty street, M. E. Church:

PITTSBURGH, March 8, 1847.

MR. R. E. SELLERS:—It is from a sense of duty, as well as with great pleasure, that I bear testimony to the virtue of your justly celebrated Vermifuge. I procured a *single bottle*, and gave it to three of my children, who had been ill for several weeks. The eldest was seven years old, the next four, and the youngest eighteen months. The first passed fifty-six worms, the second forty-seven, and the third a considerable number not distinctly recollected, since then they have been doing well, and are now in good health. Yours respectfully, S. WAKEFIELD.

From the Rev. S. E. Babcock, of the Methodist Episcopal Church:

PITTSBURGH, December 14, 1845.

MR. R. E. SELLERS:—I gave my little daughter, (between three and four years old) three doses of your Vermifuge, according to prescription, with the happiest success. The number of worms expelled I do not know precisely, but it was large. She is now in possession of good health. I think the medicine may be confided in with great confidence.

As this Vermifuge has never been known to fail in any instance, when worms actually existed, parents should give it in preference to all others.

Prepared and sold by R. E. SELLERS, between 3d and 4th, on Wood street.

For sale by Dr. Cassel, Fifth Ward. my12

PORTER'S *City Daguerrian Gallery*, Philo Hall, Third st., Pittsburgh, Pa., and Franklin Buildings, Baltimore, Md.

Mr. Porter respectfully announces that he has at considerable expense fitted up apartments, and arranged light for Daguerreotyping purposes. His long experience in this art has enabled him to overcome many of the objections too common to pictures taken by this method.

Mr. Porter is aware that the impression his gone abroad owing to the many failures to produce good pictures, that clear and distinct Daguerreotypes cannot be made in Pittsburgh. His experiments, however, since he has opened his Gallery, fully warrant him in saying that as good pictures can be made here as elsewhere.

Ladies and gentlemen are invited to call and examine specimens.

Instructions given, and instruments and materials furnished upon reasonable terms.

All orders from country operators promptly attended to. nov23-tf
