LAUGHING GAS!

BY the urgent request of several gentlemen, Dr. Colton will give

A Grand Exhibition

OF THE NITROUS OXIDE,

EXHILERATING AS LAUGHING GAS,

AT THE ATHENÆUM, MUSICAL HALL,

Liberty st., near Wood, Tuesday ev'g, Aug 31.

Dr. C. gave the same exhibition in the Tremont Temple, Boston, in 1845, for the benefit of the Pittsburgh sufferers.

Forty Gallons of Gas will be prepared, so that a large number can inhale it.

The effect of the Gas is to develope the leading traits of character of those under its influence. Some will sing, others speak, others dance, others laugh, others cry, &c. Sufficient consciousness is retained to avoid all improprieties in the presence of a promiscuous audience.

Fifteen young men, of the first respectability, are engaged to inhale the Gas.

Twelve strong men are engaged to stand upon the stage (which will be erected with a railing around it) to protect them under the influence of the Gas from injuring themselves or others.

The whole entertainment will be conducted with that propriety and decorum which shall deserve the patronage of an intelligent class of ladies and gentlemen. Dr. C. can pledge himself that it shall be entirely different from those usually given of the same kind.

The whole will conclude with a series of the most brilliant

PHILOSOPHICAL EXPERIMENTS.

A brief lecture on the properties of the Gas will precede the Exhibition.

Doors open at 7. To commence a quarter before 8. Tickets 25 cents. Balcony 12½ cents.

N. B. Front Parquette and Dress Seats will be reserved for Ladies, and those who accompany them.

Welch's National Circus!

FROM THE OLYMPIC AMPHITHEATRE,

PHILADELPHIA.

THIS splendid equestrian company composed entirely of STAR PERFORMERS, will exhibit under their splendid *Water Proof Pavilion*, conveniously furnished for the comfortable reception of 3000 persons, at Pittsburgh, on the 10th, 11th, 13th, 14th, 15th and 16th of September next, in front of the AMERICAN HOTEL.

Independent of Wells' celebrated *Brass Band*, the company will be saluted, on their arrival, by Mr. Wallace's *String Band*, playing airs from the most *popular Operas.*

In the evening the pavilion will be illuminated by the *patent sylvic Gas*, invented by B. F. Caston, Esq., of the United States Navy Department, Washington. It is an entirely new method, giving a superior light, free from all nauseous effluvia, not liable to all other attempts, and casting a light scarcely less brilliant than the noonday sun.

Constituting this company will be found Mr. *J. G. Cadwallader*, who will ride his much admired act of the *Russian Envoy*, the *Terrors of a Sorcerer of Siam*, and the beautiful episode of the *Spirit on his last wing*, on 2, 3, and 4 horses.

Madame Louisa Howard, the great FEMALE EQUESTRIAN, whose admirable personations, on a single horse charm and delight all who behold her, justifying public opinion in awarding to her the high position she has successfully held amidst a host of rival stars.

CLOWNS—*Dan Rice*, the 'mirth-provoking Dan,' whose infinite JEST and FUN, unstained by rudeness and vulgarity, places him far beyond the reach of IMITATION.

Mr. HORACE NICHOLS, the Prince of Ring Masters.

THE RIVERS FAMILY, whose union of talent, is without a parrallel in the world. CHARLES RIVERS the most finished artist in his arrangement and execution of scenes and gymnastic groups. FREDERICK RIVERS presents every kind of Foreign act, that can surprise by novelty, and Master RICHARD RIVERS, (the 'inimitable,') will perform his act on a single horse, as performed before the President and Senators of the United States, and by all present declared the most perfect union of *WONDER AND GRACE* the world ever knew.

Master T. NEVILLE, who has acquired the rare art of riding, and executing the most difficult feats BACKWARDS on a single horse.

Mr. WM. STOUT will ride his fine classic sets, on 2, 3 and 4 horses, forming a pyramid of *five persons*, whom he will bear above his horses at *lightning speed.*

SIGNIOR GERMANI, the mighty Italian equestrian will ride his incredible necromantic scene, introducing, 'Les batons du diable,' and his Golden Paletons, &c. &c. He will also bring forward his two wonderful dogs, whose feats are without equal in the Arena.

Mr. W. HOWARD, the Spanish scenic rider, and great representative of the Red Man of the Forest.

Mr. CHARLES FOSTER, who rides a great dramatic scene, and a Grand Military act, entitled

HONOR TO OUR HEROES.

Or *All for our Country*, in which by the aid of *correct costume*, he will represent the Chief Patriarch praying for his country, GEN. ZACK TAYLOR, at Monterey, HERAR STIFF, a Yankee volunteer, 'Scott *Arms*,' the commander of Mexico, concluding with the *SOLDIER OF FREEDOM*, bearing the memorable resolve,—'GEN. TAYLOR NEVER SURRENDERS.'

MONS DERIOUS, of the 'Cirque Glompique,' will introduce the Arabian Dancing Mare, 'HAIDEE,' whose beautiful dances far surpass anything of the kind ever yet brought before the public. Also the comic ponies, Romeo and Juliet, will by their comic *dinner scenes*, leaps and counter leaps, prove their instinctive bent for drollery.

☞ Parents and guardians may with confidence bring their families, as under the watchful care of the proprietor, nothing approaching a shade of vulgarity can find its way among the choice representations of the Arena.

The afternoon and evening performances *entirely* varied. aug24-14in

NEW ARRANGEMENT.

U. S. Hotel, Canal Basin, Pittsburgh, Pa.

THE subscriber having leased the above establishment, and having refitted and made some material alterations and additions, is now prepared to accommodate his friends and the travelling community in the best possible manner. The advantages of this excellent House are peculiar to itself, as those travelling by Canal, particularly in inclement weather, or landing at midnight, have only to step from the packet into the beautifully furnished apartments, where they will be contented and comfortable. In addition to the extensive accommodations belonging to this house, the proprietor has at great expense refitted, renovated, and made such additions as will secure to him the promise of his kind patrons "We'll call again."

The Bar, the Dining Room, the Chambers, and particularly the culinary departments, are so provided for that we challange competition anywhere.

The fare will be of the best the market affords, and the prices liberal.

The proprietor having been engaged in catering for guests for many years past in the east, feels assured that by strict attention to business with a watchful eye to the comforts of his guests, he will deserves a share of public patronage.

Public Sale

OF valuable building Lots, suitable for private residences at Auction.

On Tuesday, August 31st, at 10 o'clock in the forenoon, will be offered for sale at public Auction, on the premises, 41 Valuable Building Lots, and Buildings thereon, beautifully situated for private dwellings in front of the Mansion House and grounds of the Allegheny Cemetery, extending from the State Road to the Allegheny River, on land adjoining the Borough of Lawrenceville, near the United States Arsenal; at the same time sundry machinery and tools connected with the rope making business. It is the most valuable and handsomest situated property offered at Auction for several years.

Terms of sale—one-fourth in Cash at the time of sale, the remainder in one, two and three years with interest to be secured by bond and mortgage on the premises. A plan of the lots can be seen at the warehouse of George Cochran and M'Kenna's Auction Rooms. GEO. COCHRAN,

Houses and Lots in Lawrenceville at Auction.

ON Tuesday morning the 31st inst., at 9½ o'clock, on the premises, will be sold, that valuable lot of ground, situate near the Allegheny Arsenal, having a front of 54 feet on the east side of Butler street and extending back 150 feet to an alley 20 ft. wide, on which is erected a large three story frame building occupied as a store by J. Green, and five dwellings. Also one other lot of ground adjoining the above, having a front of 46 feet, and extending back 150 feet to said alley, on which is erected a good double brick dwelling house with basement, a pump of excellent water in front, and a large stable in the rear. Title indisputable. Terms at sale.

REAL ESTATE.

In the city of Pittsburgh, and Liverpool, Ohio.

THE subscriber will sell the following VALUABLE PROPERTY in the city of Pittsburgh, upon highly eligible terms, both as to price and time.

1st. A lot of ground on Third street, extending from Third street to Second street, having a front of thirty feet. This lot is covered by that spacious warehouse, extending from street to street now in the occupancy of A. Beelen.

2d. A lot of ground, being sixty-six and two-thirds feet on Third street, and extending back towards Second street, about eighty feet. This lot adjoins the first lot mentioned in this advertisement, and extends towards Market street, to the buildings now erecting, by S. A. Gormley, Esq., if requested. it will be divided into two lots of 22 feet on Second streets.

3d. Four lots of ground on Market street, situate between the building now being erected by Mr. Dunlap, on the corner of Second and Market streets, and the Watson buildings. These lots average 19 feet. They are now offered at a price, and upon terms that render them more eligible for investment, than any lots in the city. The attention of those who want to purchase excellent business stands, at a reasonable rate, is particularly requested to them.

4th. The lot on Fourth street, formerly occupied as a Police Office, having a front of 29½ feet, and a depth of 85 feet, more or less. The lot now offered for sale, and the one adjoining it, are believed to be the only lots now in the market, lying between Market and Wood streets, on Fourth, and the rapid rise of property on Fourth street, renders it an object to purchasers to make a quick application.

5th. A lot situate on the corner of Smithfield and 6th streets, fronting on Smithfield 20 feet, and extending along 6th street to Church alley 60 feet. On the lot are two tenements; it is subject to a ground rent of $47 per annum. It will be sold at a very moderate price to a good purchaser.

6th. A house and lot on Penn street, adjoining Cadwalader Evans, and now occupied as a boarding house by Mr. Shiletto. This lot has a front of 24 feet, and extends back to Brewery alley 110 feet; the house is a modern three story house, with back buildings, with spacious rooms and entry, and is well worthy the attention of purchasers. It will be sold low, as the proprietors reside in Philadelphia, and do not wish to retain property of that description.

7th. A house and lot on Hay street, between Penn street and the River, the house three stories high, with a basement, having a front of eighteen feet on Hay street and extending back the same breadth 110 ft. to an alley, with the use of the alley. The house is well finished in modern style, and is replete with every convenience, and will be sold cheap, in order to close a trust in favor of creditors.

8th. Lot No 50, in the plan of lots laid out by Cook & Cassatt, on Holmes' hill. Any person wishing to purchase for the purpose of building, or speculation, will find this lot an advantageous property.

9th. Three several ground rents, one forty-five dollars per annum: one of sixteen dollars per annum: and one of twenty-one dollars per annum, issuing out of property on 2d street, near the Kensington Iron Works.

10th. The subscriber will likewise sell the following valuable property situated in or near the town of Liverpool, Ohio. The undivided third part of a tract of land adjoining said town, being part of Sections Nos. 17 and 23 in township No. 5, of first range; containing, originally, about sixty-seven acres, now reduced by fractional sales to forty-two acres; the right of the present proprietor will consist of about fourteen acres when set off in severalty:

ALSO:

The undivided 3-4 of a tract of land, containing 13 acres adjoining said town of Liverpool, being part of Section No 23, in township No 5, of first range.

ALSO:

The undivided 3-4 part of a piece of land, adjoining the town of Liverpool, containing in the whole, about 4½ acres, being a part of fractional Section No. 23, in township No. 5, range first.

ALSO:

The three undivided fourth parts of four lots in the town of East Liverpool, being Nos. 41, 124, 130 and 140.

ALSO:

The undivided fourth part of a piece of land, in the vicinity of said town of Liverpool, containing between seven and eight acres, bounded on the north by lands of John Allison, and others; on the south, by lands of Isabella Fawcett; and on the west by other lands of James Blakely.

ALSO:

Three lots in the town of Liverpool, being lots Nos. 99, 107, and 110, in the said town plat, formerly owned by William Beeler.

ALSO:

27 lots in the town of Liverpool, Nos. 212, 228, 234, 254, 255, 267, 270, 271, 276, 277, 278, 279, 293, 295, 296, 297, 302, 311, 312, 347, 326, 324, 328, 329, 237, and 244.

The town of Liverpool is about fifty miles below Pittsburgh, on the Ohio River, and is one of the most flourishing and thriving villages in Ohio. The situation is remarkably healthy; the town well built, with numerous churches and schools; the population and the property offered, will afford to the mechanic and man of business, either for improving or speculation, decided advantages, as it will be sold at low prices, to close a concern in which creditors are interested.

McAlister's All-Healing Ointment.

INSENSIBLE PERSPIRATION.

THE preceding figure is given to represent the INSENSIBLE PERSPIRATION. It is the great *evacuation* for the impurities of the body. It will be noticed that a thick cloudy mist issues from all points of the surface, which indicates that this perspiration flows uninterrupted-ly when we are in health; but ceases when we are sick. Life cannot be sustained without it. It is thrown off from the blood and other juices of the body, and disposes by this means, of nearly all the impurities within us. The language of Scripture is "in the *Blood* is the Life." If it ever becomes impure, it may be traced directly to the stoppage of the *insensible perspiration*. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores, and it relieves itself from all impurity *instantly*. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practioners, however, direct their efforts to restore the Insensible Perspiration. The Thompsonian for instance, *steams*, the Hydropathist shrouds us in wet blankets, the Homopathist deals out infinitisimals, the Allopathist bleeds and doses us with mercury, and the blustering Quack gorges us with pills, pills, pills.

To give some idea of the amount of the Insensible Perspiration, we will state that the learned Dr. Lewenhock; ascertained that five-eights of all we receive into the stomach, passed off by this means. In other words, if we eat and drink eight pounds per day, we evacuate five pounds of it by the Insensible Perspiration.

This is none other than the used up particles of the blood, and ther juices giving place to the new and fresh ones. To check this, therefore, is to retain in the system five-eights of all the virulent matter that nature demands should leave the body.

By a sudden transition from heat to cold, the pores are stopped, the perspiration ceases, and disease begins at once to develope itself. Hence, a stoppage of this flow of the juices, originates so many complaints.

It is by stopping the pores, that overwhelms mankind with coughs, colds, and consumption. Nine-tenths of the world die from diseases induced by a stoppage of the Insensible Perspiration.

Let me ask, now, every candid mind, what course seems the most reasonable to pursue, to unstop the pores, after they are closed. Would you give physic to *unstop* the pores? Or would you apply something that would do this upon the surface, where the clogging actually is? And yet I know of no physician who makes any external applications to effect it. Under these circumstances, I present to physicians, and to all others, McAlister's *All-Healing Ointment*, or the *World's Salve*. It has *power* to restore perspiration on the feet, on the head old sores, upon the chest, in short, upon any part of the body, whether diseased slightly or severely.

It has *power* to cause all external sores, scrofulous tumors, skin diseases, poisonous wounds, to discharge their putrid matter, and then heals them.

It is a *remedy* that sweeps off the whole catalogue of cutaneous disorders, and restore the entire cuticle to its healthy functions.

It is a *remedy* that forbids the necessity of so many and deleterious drugs taken into the stomach.

It is a *remedy* that neither sickens, gives inconvenience, or is dangerous to the intestines.

It preserves and beautifies the surface from all derangement of its functions. The surface is the outlet of five eights of the bile and used up matter with it. It is pierced with millions of openings to relieve the intestines. Stop up these pores, and death knocks at your door. It is rightly termed All-Healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost degree and responsibility upon me I declare before Heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.

I have had physicians, leading men of the profession; I have had ministers of the Gospel, Judges on the bench, Aldermen and Lawyers, gentlem of the highest erudition and *multitudes of the poor*, use it in every variety of way, and there has been but one voice—one united and universal voice—saying "McAllister, your Ointment is *good*.

CONSUMPTION.—It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if pains exist in the chest, it penetrates directly to the lungs, seperates the poisonous particles that are consuming them and expels them from the system.

I need not say that many suffering persons of consumption continually, although we are told it is foolishness, I care not what is said, so long as I can cure several thousand persons yearly.

HEADACHE.—The Salve has cured persons of the Headache of ten years standing, and who had it regularly every week, so that vomiting often took place.

Deafness and Ear Ache are helped with like success.

COLD FEET.—Consumption, Liver complaint, pains in the chest or side, falling off the hair, one or the other always accompanies cold feet.

The Salve will cure every case.

In Scrofula, Erysippias, salt Rheum, Liver complaint Sore Eyes, Quinsy, Sore Throat, Bronchitis, Broken or Sore Breast, Piles, all Chest Diseases, such as Asthma, Oppression, Pain, also Sore Lips, Chapped Hands, Tumours, Cutaneous Eruptions, Nervous Diseases, and of the Spine there is probably no medicine now known so good.

BURNS.—It is the best thing in the world for Burns. (Read the Directions contained in the box.)

PIMPLES ON THE FACE.—Masculine Skin gross surface. Its first action is to expel all humor. It will not cease drawing till the face is free from any matter that may be lodged under the skin, and then gently hacking out to the surface. It then heals. When there is nothing but grossness, or dull repulsive surface, it begins to soften and soften until the skin becomes as smooth and delicate as a childs.

WORMS.—If parents knew how fatal most medicines were to children taken inwardly, they would be slow to resort to them. Especially "mercurial lozenges" called "medicated lozenges," "vermifuges" pills, &c. &c. In most cases no one can tell, inwardly when worms are present. Now let me say to parents that this Salve will always tell if a child has worms. It will drive every vestige of them away. (Read the directions around the box.)

There is probably no medicine on the face of the earth at once so sure and so safe in the expulsion of worms.

TOILET.—Although I have said little about it as a hair restorative yet I will stake a reputation the world! They may bring their Oils far and near, and mine will restore the hair two cases to their one.

OLD SORES.—That some Sores are an outlet to the impurities of the system, is, because they cannot pass off through the natural channels of the Insensible Perspiration. If such sores are healed up the impurities must have some other outlet, or it will endanger life. This salve will always provide for such emergencies.

RHEUMATISM.—It removes almost immediately the inflammation and swelling, when the pain o course ceases.

FEVERS.—In all cases of fever, the difficulty lies in the pores being locked up, so that the heat and perspiration cannot pass off. If the least moisture could be started the crisis has passed and the danger over. The All-Healing Ointment will in all cases of fevers almost instantly unlock the skin and bring forth the perspiration.

SCALD HEAD.—We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of the ointment cured them.

CORNS.—Occasional use of the Ointment will always keep corns from growing. People need never be troubled with them if they will use it.

AS A FAMILY MEDICINE.—No man can measure its value. So long as the stars roll along over the Heavens—so long as man treads the earth, subject to all infinities of the flesh—so long as disease and sickness is known—just so long will this good Ointment be used and esteemed. When man ceases from off the earth, then the demand will cease, and not till then. JAMES McALISTER & Co

Sole proprietors of the above Medicine. Price 25 cents per box.

CAUTION.—As the All-Healing Ointment has been greatly counterfeited, we have given this Caution to the public that "no Ointment will be genuine unless the names of *James McAlister*, or *James Mc Alister & Co.*, are WRITTEN with a PEN upon EVERY label." Now we hereby offer a reward of $50 to be paid on conviction in any of the constituted courts of the United States, for any individual counterfeiting our name and Ointment.

PRICE 25 CENTS PER BOX.

To Country Merchants,

POSTMASTERS, BOOKSELLERS, &c.—*Books of Universal Utility.—Sear's Popular Pictorial Works*, the most splendid illustrated volumes for families, ever issued on this American Continent, containing more than Two Thousand Beautiful Engravings, designed and executed by the most eminent artists of England and America.

☞ The extraordinary popularity of the above volumes in every section of the Union, renders an agency desirable by all business men, in each one of our principle towns and villages.

Merchants and others visiting the City of New York, and respectfully requested to call at No 128 Nassau street, and examine them.

Our most successful agents are those who advertise the works in all the papers published in their neighborhood, and secure good sub-agents to assist them in selling in different volumes. In this way every family has an opportunity of purchasing the works. It is a well known fact that there is a large number of persons who will purchase books at their own doors, when brought, and examined there, who would never visit a book store.

Full particulars of the principles and profits of the business, will be given to all who desire them, by addressing post paid ROBERT SEARS,

No 128 Nassau street, New York.

Newspapers copying the above, (including this notice) and giving it eight insertions, shall receive any one of the bound volumes, which retails from two dollars and a half to three dollars per volume, or any three volume of the Pictorial Family Magazine for 1847 and '48. Send only one paper directed as above. aug23 3t
