A serious downward tendency has taken place in the Grain market since the departure of the steamer on the 4th, only occasionally arrested by repeated broken weather. This, however, has failed to give a firm tone to the market. The sabve quotations were freely realized, and greater confidence was manifested among buyers that the combled large imports of Foreign breads with the combled large imports of Foreign breads that the markets have not as yet retrograded to any thing like the point to which they appear.
