The Celebrated Relian Remedy *
FOR THE CURE OF CHRONIC DISEASES MAZON'S SICILIAN SYRUP OR TROPICAL Discovered by Dr. Mazoni of Italy in the year 1845, and introduced into the U. States early in 1846.

This unrivalled medicine for the radical cure of Chronic discases has spread the original troops with the most unequalled speed and trumphant success, effecting the inostrasionishing cores ever known or recorded in the annuls of Medical History. Since its introduction into the United States it has equally sustained fife high reputation it so justly received in the East, curing here as it has done there, the most
