Foreign Correspondents to agents of the British Government have frequently cautioned Emigrants at Home and their friends in America, against the frauds that are continually practiced upon them, and have always referred to the well known them, and have always referred to the well known house of Harnden & Co. as the right place for all to apply if they wish to be treated with punctuality and kindness. O'Mealey, Editor of the Pittaburgh Catholic, who has sat in judgment upon us (as he supposes) by ejecting our advertisement from his paper, thus depriving us of a fair chance to come before the Catholic Community, and let them

judge of us by our actions.
