Bowel Complaint.

FROM Dr. M. L. KNAPP, of Chicago, Ill., Professor of Materia Medica in the University of Laporte, Indiana.

Dr. Jayne—Dear Sir:—You ask me what proofs I met with of the efficacy of your *Carminitive*. I can safely say that I never prescribed a medicine for *Bowel Complaints* that has given so much satisfaction, and my patients are so spec ly and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the *Summer Complaint* of children it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such and such a child," I have repeatedly heard said. In dysentric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine it is a valuable medicine, and no family should be without it. Respectfully.

M. L. KNAPP. M. D.

From the Rev. CHARLES C. P. CROSBY, Louisville, Ky., and late of New York.

Dr. D. Jayne—Dear sir—I am glad to inform you that the medicine made by you for Bowel and Summer Complaints has proved singularly efficacious in my family. My wife has for years been extremely liable to a most distressing dysentery in hot weather; but by the use of JAYNE'S CARMINATIVE BALSAM for two seasons, the attack has been obviated in the course of two or three hours. I have known children, when attacked with a violent Diarrhœa, cured immediately by this medicine. I consider your medicine prepared with great skill, and highly beneficial to human nature. Respectfully yours.

Great English Remedy

For Coughs, Colds Asthma, and Consumption!

THE great and only remedy for Colds, Coughs, Asthma and CONSUMPTION, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendance of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the WORST POSSIBLE CASES that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians as CONFIRMED AND INCURABLE. The Hungarian Balsam has cured, and will cure the MOST DESPERATE OF CASES. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of Colds, Coughs, Spitting of Blood, Pain in the Side and Chest, Irritation and Soreness of the Lungs, Bronchitis, Difficulty of Breathing, Hectic Fever, Night Sweats, Emaciation and General Debility, Asthma, Influenza, Hooping Cough and Croup.

☞ Sold in large bottles, at $1 per bottle, with full directions for the restoration of Health.

Pamphlets, containing a mass of English and American certificates, and other evidences, showing the unequalled merits of the great English Remedy, may be obtained of the Agents, gratituously.

Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

ESTABLISHED IN 1835 BY AN ACT OF CONGRESS.

The Great Remedy for

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents.—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in commendation of Dr. Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Bitters," and even "Syrup of Wild Cherry," but mine is the original and only genuine article ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE.

Corner of Eighth and Race streets, Philada.

50,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this dreadful disease in a single year; then add the fearful calculation of many more as the victims of Inflammation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.

And the last would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread waste of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to unfinished newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has gained an enviable reputation and worked its way into general use. One bottle never fails to cure a recent Cough or Cold, while with strict attentions to the directions that accompany each bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has always given relief, and in very many instances has effected cbm plete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrups*," &c., as they contain none of the virtues of the original preparation.

The original and only genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N.W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

A Most Extraordinary Letter.

THE Rev. J. O Gilbert, a Methodist Episcopal Preacher, writes to Dr. Jayne—Morristown, Indiana, April 27, 1847. Dear Sir—I ever felt quite a need your medicines; it was as follows: I was at our country seat, and retured to bed about eleven o'clock, in good health, and fell asleep, but was soon awakened by a severe pain in one side and breast, which exceeded in keeping my bed till about four o'clock. When I arose I found my hand badly swollen, or in a high state of inflammation. A small black spot on the back of my hand, about the size of a five cent piece. It soon rotted and came out to the bone. When I arose the pain was very severe, running into my head and over the whole system. By twelve o'clock my head felt as if it were really swelling. The glands of my throat swelled very much, and by this time every tooth in my head was more or less loose; two thirds of the skin of my mouth and lips peeled off; my sight quite effected; no physician to be had; I solicited my friends to take me home (fifteen miles) but they were fearful I could not stand it, when T. F. Davenport, who kept the public house, requested me to go to his house. Chills, faintness and sickness was constantly increasing upon me; I was almost insensible. As I reached his house, his mother, alarmed at my appearance, met me at the stove with a spoonful of JAYNE'S ALTERATIVE, and I repeated the dose two or three times in the course of an hour, in which time the faintness, sickness and chills had principally left—a free perspiration was on the surface and the inflammation vastly abating. The third day I was able to ride home. The next day Dr. Plympton informed me the attack was one of the severest kind of Malignant Erysipelas, and that the use of your ALTERATIVE was the means of saving my life. Respectfully yours, &c.

A POSITIVE AND PERMANENT CURE FOR

RHEUMATISM

AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and incapable of the slightest injury; its application is agreeable, and it is as harmless in its action as it is beneficial in its results. Full explanations and directions accompany it. The combined inventions are in the possession of the proprietor—and can be seen by every perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important subject to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. They are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic, in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections, and in Weakness or Oppression of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Joints, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes, as a certain cure for Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of great and permanent advantage. In a few words it embraces all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

The Celebrated Italian Remedy

FOR THE CURE OF CHRONIC DISEASES

MAZONI'S SICILIAN SYRUP OR TROPICAL HYGIENE.

Discovered by Dr. Mazoni of Italy in the year 1845, and introduced into the U. States early in 1846.

THIS unrivalled medicine for the radical cure of *Chronic* diseases has spread throughout Europe with the most unequalled speed and triumphant success, effecting the most astonishing cures ever known or recorded in the annals of Medical History. Since its introduction into the United States it has equally sustained the high reputation it so justly received in the East, curing here as it has done there, the most inveterate and long standing diseases with which the human family are afflicted. The Physicians of Europe and America (as far as they have become acquainted with its mode of operation) together with the thousands who have been restored to health by its superior efficacy with one united voice proclaim it to be the most perfect remedial agent ever offered to suffering humanity. It is now an established fact *"that Consumption may be, can be, and has been cured by Dr. Mazoni's Sicilian Syrup or Tropical Hygiene.*

This is the only medicine that has ever been discovered that has achieved a cure where this disease had gained a settled and permanent hold upon the system. For the truth of this assertion, we have the certificates of some of the most eminent Physicians of Europe and America, expressly declaring that they have prescribed it in hundreds of instances where the patients were considered beyond all hope of recovery, and, to their astonishment, has effected the most speedy and perfect cures. No one who is unacquainted with its action can imagine the wonderful success that attends the administration of this medicine in every variety of chronic disease, particularly Consumption, Scrofula or kings evil, Asthma, Phthisic, Piles, (see cases reported in pamphlets and circulars) Cancers, Liver Complaints, Costiveness and Indigestion, Sore and Inflamed Throat, Bronchitis, Dropsies, Chronic Inflamation of the Kidneys, Gravel, Great Debility and Inability of the nervous system, Spinal affections, Paralysis, Chronic Diarrhœa, Pain in the breast and side, Coughs, Colds, Chronic Rheumatism, Diseases of the Stomach and Bowels, inward weakness and falling down of the womb, and all the chronic diseases peculiar to females in their various relations in life This medicine is prepared only by Dr. Mazoni himself, and is composed entirely of vegetable material containing the extract of 42 of the most rare Tropical plants but few of which are known to the medical Profession generally.

It has so far surpassed every other medicine ever offered to the world in eradicating disease, that it has not only enlisted many of the most talented medical men in the world in its favor, but what is more extraordinary the government where it was discovered *"Has made it an offence punishable with death to attempt counterfeiting
