McAlister's 131-Healing Omemont INSENSIBLE PERSPIRATION!

THE preceding figure

SENSIBLE PERSPIRATION

It is the great evacuation for the impurities of the

UNDER ALL CIRCUMSTANCES! F YOU ARE SICK, get cured; if well, employ measures to continue so. Every individual induges in habits, which must, to a greater of lesset that a thick cloudy mist saues from all points o the surface; which indi sauce from all points of binations which form the system, and consequently the surface; which indicates that this perspiration flows uninterrupted should possess some mild, yet efficacious, simple and when we are inh a lth; the body in good order.

DR. WOOD'S

but corries when we are sick. Life cannot be sustained without it. It is thrownoff from the blood and other fuices of the body, and disposes by this means, of nearly all the impurities within us. The language of Scripture is "in the Blood is the Life." If it ever becomes impure, it may be traced directly to the stoppage of the insensible perspiration. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the por es, and it relieves itself from all impurity instantly. Its own heat and vitality are sufficient, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practicular, sking so much internal remedies. All practicular, showever, direct their efforts to restore the longuage of the language of the insensible Perspiration. The Thompsoniar for internal remedies, without one particle of medicine, except to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practicular, showever, direct their efforts to restore the language of the internal organization. The Thompsoniar for instance, steams, the Hydropathist shrouds us in early curve disease of the internal organization, their aggregated condition; in the cause the folly of taking so much internal remedies. All practicular, showever, direct their efforts to restore the language of the internal organization of the language of the internal organization of the stage of the very many little allments that render in the insensition of the internal organization. The Blood is stagnant, or infected, is to open the pores upon the surface. Thus we see, all that is necessary when the blood is stagnant, or infected, is to open the pores upon the surface. Thus we see the folly of taking so much internal remedies. All practicular is the blood and of the cause of the internal organization of the surface. The blood of the moving from the blood is stagnant, or infected, is to open the pores upon the surface. Thus we see
