with other medicines: that may are described by the being covered with deep, painful and offensive ulcers, and were as hollow and porus as a honey-comb. It was at this stage of his complaint, when death appeared inevitable from a loathsome disease, that he commenced the use of Jayne's Alterative, and having taken sixteen bottles, is now perfectly cured.

The Alterative operates through the circulation, and purifies the blood and eradicates disease from the system, wherever located, and the numerous cures it has performed in diseases of the skin, cancer, scorfula, gout, liver complaint, dyspepsia, and other chronic diseases; is truly astonishing—Spirit of the Times.
