Bowel Complaint.

FROM Dr. M. L. KNAPP, of Chicago, Ill., Professor of Materia Medica in the University of Laporte, Indiana.

Dr. Jayne—Dear Sir:—You ask me what proofs I meet with of the efficacy of your *Carminitive*. I can safely say that I never prescribed a medicine for *Bowel Complaints* that has given so much satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the *Summer Complaint* of children it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and of such and such a child," I have repeatedly heard said. In dysentric affections of adults, I have time and again seen it act like a charm, and give permanent relief in a few hours, I may say in a few minutes. In fine it is a valuable medicine, and no family should be without it. Respectfully.

M. L. KNAPP, M. D.

From the Rev. CHARLES C. P. CROSBY, Louisville, Ky., and late of New York.

Dr. D. Jayne—Dear sir—I am glad to inform you that the medicine made by you for Bowel and Summer Complaints has proved singularly efficacious in my family. My wife has for years been extremely liable to a most distressing dysentery in hot weather; but by the use of JAYNE'S CARMINATIVE BALSAM for two seasons, the attack has been obviated in the course of two or three hours. I have known children, when attacked with a violent Diarrhœa, cured immediately by this medicine. I consider your medicine prepared with great skill, and highly beneficial to human nature. Respectfully yours.

Great English Remedy

For Coughs, Colds Asthma, and Consumption!

THE great and only remedy for Colds, Coughs, Asthma and CONSUMPTION, is the HUNGARIAN BALSAM OF LIFE, discovered by the celebrated Dr. Buchan, of London, England, and introduced into the United States under the immediate superintendance of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the WORST POSSIBLE cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians AS CONFIRMED AND INCURABLE. The Hungarian Balsam has cured, and will cure the MOST DESPERATE OF CASES. It is no quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive tendencies of the climate, but to be used as a preventive medicine in all cases of Colds, Coughs, Spitting of Blood, Pain in the Side and Chest, Irritation and Soreness of the Lungs, Bronchitis, Difficulty of Breathing, Hectic Fever, Night Sweats, Emaciation and General Debility, Asthma, Influenza, Hooping Cough and Croup.

☞ Sold in large bottles, at $1 per bottle, with full directions for the restoration of Health.

Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

ESTABLISHED IN 1835 BY AN ACT OF CONGRESS.

The Great Remedy for

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—GENTS.—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in commendation of Dr. Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Bitters," and even "Syrup of Wild Cherry," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE,
Corner of Eighth and Race streets, Philada.

60,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this dreadful disease in a single year! How sad a tale of fearful calalogue of those cut off by Inflamation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.

And the list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread cause of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefited by it, recommend it to their neighbors, and thus gradually and surely has gained an enviable reputation and worked its way into general use. One bottle never fails to cure a recent cough or Cold, while with street attentions to the direction that accompany each bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has always given relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrup's*," &c., as they contain none of the virtues of the original preparation.

The original and only genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N.W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

A Most Extraordinary Letter.

THE Rev. J. O. Gilbert, a Methodist Episcopal Preacher, writes to Dr. Jayne—Morristown, III. April 27, 1847. Dear Sir—I never but once used your medicines; it was as follows: I was at our country seat, and retired to bed about eleven o'clock, in good health, and fell asleep, but was soon awakened by extreme pain in my right hand and arm. I succeed in keeping my bed till about four o'clock. When I arose I found my hand badly swollen, or in a high state of inflammation. A small black spot on the back of my hand, about the size of a five cent piece. It soon rotted and came out to the bone. When I arose the pain was very severe, running into my head and over the whole system. By twelve o'clock my head and face were badly swollen. The glands of my throat swelled very much, and by that time every tooth in my head was more or less loose; two thirds of the skin of my mouth and lips peeled off; my sight quite effected; no physician near, and I desired my friends to take me home, fifteen miles, but they were fearful I could not stand it, when T. F. Davenport, who kept the public house, requested me to go to his house. Chills, faintness and sickness was constantly increasing upon me; I had become almost insensible. As I reached his house, his mother, alarmed at my appearance, met me at the store with a spoonful of JAYNE'S ALTERATIVE, and repeated the dose two or three times in the course of an hour, in which time the faintness, sickness and chills had principally left—a free perspiration was on the surface and the inflammation vastly abating. The third day I was able to ride home. The Rev. Dr. Plympton informed me that the attack was one of the severest kind of Malignant Erysipelas, and that the use of your ALTERATIVE was the means of saving my life. Respectfully yours, &c.

SOLDIERS OF THE MEXICAN WAR!

THE subscriber having opened an office in the city of Pittsburgh, on the State of Penn'a, for the purpose of procuring Land Warrants at the hands of Government, for the discharged Soldiers of the Regular Army, as well as the Volunteers, who have served their country in the present War with Mexico; informs the living, and the representatives of the dead, that by addressing an application to him at the City, giving the name and address of the soldier, and if dead, his representatives, it will receive careful and prompt attention.

Instructions and Blanks will be immediately returned per mail to the applicant, to be executed and returned to me at this place. The Warrant, when received, will be immediately sent per mail to the proper owner; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for that service.

In the event of the death of the soldier, that must be mentioned in the letter, and the warrant will issue according to the following rules: First, to his wife and children, (if he have any.) Second, to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the matter would receive their prompt attention, should any difficulty arise respecting the necessary proof.

Letters addressed to me on the subject must be post paid, and inclose a Five Dollar Bank Note as my compensation. WM. B. FOSTER.

A POSITIVE AND PERMANENT CURE FOR **RHEUMATISM**

AND ALL NERVOUS COMPLAINTS.

"What though the *causes* may not be explained,
Since their *effects* are duly ascertained,
Let not delusion, prejudice, or pride,
Induce mankind to set the means aside;
Means which, tho' simple, are by Heaven design'd
To alleviate the ills of human kind."

DR. CHRISTIE'S GALVANIC RINGS AND MAGNETIC FLUID.

THIS remarkable invention, which has received the universal approbation of the medical profession of Great Britain, comprises an entirely new application of Galvanism, as a remedial agent, by means of which the ordinary Galvanic Batteries, Electric and Magnetic Machines, &c., are entirely dispensed with, and the mysterious power of Galvanism applied without any of the objections which are inseparable from the general mode now in use. The strong doses, and irregular intervals, in which Galvanism is applied by the Machines, has been pronounced, after a fair and impartial trial, to be *decidedly injurious*, and it was to remedy this radical defect that this new application was projected, which, after unceasing toil, and perseverance, has been brought to its present state of perfection. The *Galvanic Rings* answer all the purposes of the most expensive Machines, and in many other respects are more *safe* and *certain* in accomplishing the desired effect.

The *Galvanic Rings* used in connection with the *Magnetic Fluid*, are confidently recommended in *all disorders which arise from an enfeebled and unhealthy state of the nervous or vital system*, and these complaints are among the most painful and universal to which we are subject. They arise, without exception, from one simple cause—a derangement of the Nervous System—and it was in these cases that other remedies have so often failed, a new agent was greatly needed, which it is confidently believed, has been found in the proper and judicious application of Galvanism.

The Galvanic Rings have been used with entire success in all cases of RHEUMATISM, acute or chronic, applying to the head, face or limbs, *Gout, Tic-Doloreux, Toothache, Bronchitis, Vertigo, Nervous Sick Headache, Indigestion, Paralysis, Palsy, Epilepsy, Spasms, Convulsions, Palpitations of the Heart, Apoplexy, Stiffness of Joints, Spinal Complaints, Lumbago, Neuralgia, Nervous Tremors, Dizziness of the Head, pain in the Chest and Side, General Debility, Deficiency and Nervous and Physical Energy, and all* NERVOUS DISORDERS. In cases of confirmed Dyspepsia, which is simply a nervous derangement of the digestive organs, they have been found equally successful. Their extraordinary effects upon the system must be witnessed to be believed, and as a certain preventive for the preceding complaints they are equally recommended. The Rings are of different prices, being made of all sizes, and of various ornamental patterns, and can be worn by the most delicate female without the slightest inconvenience. In fact, the sensation is rather agreeable than otherwise.

The Galvanic Belts, Bracelets, Bands, Necklaces, Garters, &c.

In some cases of a very severe character, and of long standing, the power as applied by the Galvanic Rings is not sufficient to arrest the progress of disease and ultimately restore health. The improved modification in the Galvanic Belts, Bracelets, &c., entirely remedies this objection; any degree of power that is required can readily be obtained, and no complaint which the mysterious agent of Galvanism can effect will fail to be permanently relieved. These articles are adapted to the waists, arms, wrists, limbs, ancles, or any part of the body, with perfect convenience. The Galvanic Necklaces are used with greater benefit in cases of Bronchitis or affections of the throat particularly; also in cases of Nervous Deafness and with almost uniform success as a preventive for Apoplexy, Epileptic Fits, and similar complaints.

Christie's Magnetic Fluid

is used in connection with the Galvanic Rings and all their modifications. This composition has been pronounced by the French Chemists to be one of the most extraordinary discoveries of modern science. It is believed to possess the remarkable power of *rendering the nerves sensitive to galvanic action* by this means creating a concentration of the influences, at the seat of disease, thus giving rapid and permanent relief. No other composition in chemistry is known to produce the same effect, or to impart a similar property to the nervous system, by means of an outward local application. The Magnetic Fluid contains nothing capable of the slightest injury; its application is agreeable, and it is as harmless in its action as it is powerful in its results. Full explanations and directions accompany it. The combined inventions are in every way perfectly harmless; they are sold at prices within the reach of all and the discoverer only requests a fair trial as a test of their surprising efficacy and permanent benefit.

Christie's Galvanic Strengthening Plasters.

These articles form another valuable application of the mysterious influence of Galvanism. They are an important adjunct to the genuine Galvanic Rings and their modifications, acting upon the same principle, but having the advantage of more local application. These Plasters are confidently recommended as a valuable addition in the speedy cure of Rheumatism, acute or chronic; in all nervous complaints, and as a positive remedy in cases of *Pain and Weakness in the Chest or Back, Pain in the Side, in Asmatic Affections, and in Weakness or Dyspepsia of the Pulmonary Organs.* In Spinal Complaints their effects are of the most decided character, and they have often been used with complete success. They are also of the greatest advantage in Pains and Weakness of the Breast, and are highly recommended for many of those complaints to which females are especially liable. As an effectual means for strengthening the system when debilitated with disease or other causes; as a certain and in Constitutional Weakness, as a Preventive of Colds, and in all affections of the Chest, generally, the Galvanic Strengthening Plaster will be found of the greatest permanent advantage. In a few words it is believed that all the virtues of the best tonic preparation, with the important addition of the galvanic influence, which is neither impaired nor exhausted, while the action continues. These articles will be found entirely free from those objections which are a constant source of complaint with the ordinary plasters in common use.

CAUTION.

☞ The great celebrity and success of these articles have caused them to be counterfeited by unprincipled persons. To provide against imposition, Dr. CHRISTIE has but one authorized agent in each city of the Union. The only agent in Pittsburgh,

CERTIFICATES AND TESTIMONIALS,

Of the highest and most respectable character, are constantly received, regarding the extraordinary value and success of the above articles. It is believed that in the city of New York alone, upwards of EIGHT THOUSAND PERSONS during a period of less than a year, have been entirely relieved of the most painful chronic disorders, some of which have completely baffled all former efforts of medical art, indeed many of the first physicians of this city, who disapprove of the Galvanic and Magnetic Machine, constantly recommend this application in their practice, and with the exception of those who are too prejudiced to give it a trial, the invention has received unanimous favor with the most intelligent among the American Faculty. Dr. Christie is at all times ready and most happy to give every facility to physicians, and all interested, for testing the truth of his assertions and the efficacy of his discovery.

Venitian Blinds.

A. WESTERVELT, the old and well known Venitian Blind Maker, formerly of Second and Fourth sts., takes this method to inform his many friends of the fact that his Factory is now in full operation on St. Clair st., near the old Allegheny Bridge, where a constant supply of Blinds of various colors and qualities, is constantly kept on hand and at all prices, from twenty-cents up to suit customers.

N. B. If required, Blinds will be put up so, that in case of alarm by fire, or otherwise, they may be removed without the aid of a screw-driver, and with the same facility that any other piece of furniture can be removed, and without any extra expense.
