Chemical Soap! Where, indeed, will science stop! Here we have a preparation made in the form of a beautiful piece of soap, which we know by actual practice, to cure every cutaneous eruption, every disfigurement of, and even discolored skin ! Where will its magic and singular power cease ! The Ne-gro, the Creole, the Yellow Race of the East, and the Red Man of the Far West, are alike under the in fluence of its extraordinary powers of clearing yel low or discolored skin, and make it white and beau-tiful, and of charging the color of dark, or black, or brown skin."
