L. HARPER, EDITOR AND PROPRIETOR. PITTSBURGH: MONDAY MORNING, NOVEMBER 1, 1847. ject with a strict reference to that view; and is

The Daily Morning Dost. tory between the Nuecea and the Rio Grande, nounts to but little, when we recollect that the We make the following extracts from a letter amounts to but little, when we recollect that the claim of Mexico was, and still is, not merely to that particular portion of territory, but to every the Times, and published in that paper of Wedness the sail of Territory and published in that paper of Wedness the Times and published in that paper of Wedness the Times and published in that paper of Wedness the Times and published in that paper of Wedness the Times states that a majority of the MONDAY MORNING, NOVEMBER 1, 1847.

[To E. W. Carra, United States Newspaper Agency, Sun Buildings. N. E. corner of Third and Dock, and 440 N. Fourth street—is our on lyan thorised agent in Philadelphia.

[To E. W. Carra, United States Newspaper Agency, Sun Buildings. N. E. corner of Third and thorised agent in Philadelphia.

[To E. W. Carra, United States Newspaper Agency, Sun Buildings. N. E. corner of Third and Balting the country of the passengers going eastward, usually take members were foreigners, and that no plan of action or movement appears likely, to follow the distance as the best, cheapest, and most expeditions. What are the Pennsylvanians about that they do not look more to their own individual interests, and openly expressed their disapprobation of its were found there, also claiming the country, which were found there, also claiming the country, which clusions of a considerable portion of our country in force to force. In fact, this was the only man we should be led to believe that mankind.

[To E. W. Carra, United States Newspaper Agency, Sun Buildings. N. E. corner of Third and the not not to the tract of country the route via Brownsville Cumberland and Balting on or movement appears likely, to follow the distance as the route via Brownsville Cumberland and Balting on or movement appears likely, to follow the distance of twenty four hours the members were foreigners, and that no plan of action or movement appears likely, to follow the distance of twenty four hours the moute via Brownsville Cumberland and Balting on or movement appears likely, to follow the distance of twenty four hours the moute via Brownsville Cumberland and Balting on or movement appears likely, to follow the distance of twenty four hours the moute via Brownsville Cumberland and Balting on or movement appears likely, to follow the distance of twenty four hours the moute via Brownsville Cumberland and Balting on or movement appears likely, to follow the distance of twenty four hours the moute via Brownsville Cumberland and Bal ment, we should be led to believe, that mankind were never worse, in a moral and religious point to had claimed the whole State of Texas as her of view, than they now are; and that the people of the whole state of the should talk less and downer in reference to this man. of view, than they now are; and that the people of this country are more guilty of sustaining wrong, than any other people who have lived be wrong, than any other people who have lived be government after approximation took to it, and it is an interest and domore in reference to this matter. New York and Baltimore will speedily take the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a government after approximation took to it, and intributing and energetic, out whose exertions are lost in the should talk less and domore in reference to this matter. New York and Baltimore will speedily take the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principle a growth of the wind out of "Quakerdom" and render it a "villete present Cabinet is known to be in principl fore them. By many of those to whom we allude, the war in which we are engaged, is referred to as justifying this conclusion; and is therefore condiminating the war against walls and the specific of the specific of the wind out of "Quakerdom" and render it a "village," in sooth, if more spirit and enterprize are free trade one, though M. Rogier, the Minister of the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, in which Campbell lost his life. By conditions, and to those who have not with the laterior, is fully committed to the question of the safety of Gen.

The spirit and enterprize are free trade one, though M. Rogier, the Minister of the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, in which Campbell lost his life. By considering the free trade one, though M. Rogier, the Minister of the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, in which Campbell lost his life. By considering the free trade one, though M. Rogier, the Minister of the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, in which Campbell lost his life. By considering the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, in which Campbell lost his life. By considering the laterior, is fully committed to those who have not with the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, and to those who have not with the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, and to those who have not with the laterior, is fully committed to the question by speeches made when out of office, yet the Govern ward, and to those who have not ward, and to those wh dispute; and had formally declared war against must not sleep amid her voicances. Let the smoke from her pits continue to accord—let the fires of those precautionary steps, which have been assign, affect the professedly religious members of society, while others, with a view to affect the professedly religious members of society demone it as an unboly war, because it is waged against those who derive their religion from the against those who derive their religion from the whole world. Indeed there is no doubt as any letter within a passing of the world. Indeed there is no doubt as any letter within a passing of the great members of constitutions and unnecessary to please sill as it is for the world. Indeed there is no doubt as any letter within a passing to the follow in the first opinions visible. There was a difficulty in the Bank Exchange of the continue to accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by admitting a reason of the four accord—lett the first of sings, even so slightly as by

for the existence of war under any circumstances; and all these elements enter into the opposition to the exceptible of the worl, and in our country especially, either of these characteristics, if truly applicable to the contest in which we are engaged with Mexico, would be sufficient to justify the opposition that is made to it. Without endeavoring, in the position of its necessity. But the subject is here susceptible of a very wide field for speculation, as well as argument. Many things may be done that are strictly just, which are, notwith more at length, those which may remain.

\*\*Bout the lipustice of the war, would have been the extension of the opposition to the exercation of manitand, those who had tolerated so gross a will allow the formout of manitand, those who had tolerated so gross a violation of national justice.

The same arguments which go to support the justice of our conflict with Mexico, will also sustain the position of its necessity. But the subject is here susceptible of a very wide field for speculation, as well as argument. Many things may be done that are strictly just, which are, notwith—
