Privingen, Nov. 3, 1847.

This certifies that for some weeks past I was troubled with a very sorious cough, which was evidently becoming sected on the lungs to such an extent as to resist the effect of every medicine which I had been using. I was finally persuaded to call at Hays 4 Brockway's Drug Store, and get a bottle of Dr. Willard's Oriental Cough Mixture; which, to my great surprise, relieved me very much; after taking only two or three doses, and before I had used one bottle, I was entirely cured. I was so much pleased with its effects that I have brought others to buy it, and shall continue to recommend it to my friends, as I firply believe it to be the best cough medicine in the world?
