NEW YORK PEKIN TEA COMPANY.

CAUTION TO THE PUBLIC.

ALEXANDER JAYNES is the only authorised agent in Pittsburgh and Allegheny cities, for the sale of the Pekin Tea Company's Teas of 75 and 87 Fulton st., New York. Another person in Pittsburgh pretending to sell our teas is an imposter, and deceives all who may patronize him. It is commonly known that the Pekin Tea Company's teas have proved superior to all other teas sold, and for this reason many persons have dishonestly pretended to have the sale of the Pekin Tea Company's teas, when they are all the time vending trash and cheap stuff which they have obtained elsewhere. Others again assume the name of Tea Company and imitate our packages, and thereby deceive many.

We are informed that there is a person in Pittsburg selling Teas under the name of the New York and Philadelphia Pekin Tea Company. We have only to say that this assumed company have no connection whatever with the New York Pekin Tea Company, as consumers of tea will readily discover by comparing the article they sell with the genuine tea, sold by the New York Pekin Tea Company, at the store of A. Jaynes, 92 Fourth st.

N. B. Messrs. M'CALLMONT & BOND, of Philadelphia, have no connection whatever with the New York Pekin Tea Company, nor have they any right or privilege to sell teas under a name so nearly resembling ours, as to have a tendency to mislead the public. DOUGLASS & CO.,

MORGAN'S *COUGH SYRUP*—Another life saved by using this great and best of cough medicines in time. It only costs 25 cents a bottle.

ZELIENOPLE, Pa., Oct. 15, 1845.

Mr. John B. Morgan: Dear Sir—Allow me to inform you of the good effects of your great Cough Syrup. I have been afflicted severely with a distressing cough for several weeks allowing me no rest at night and but little ease during the day—When I was in Pittsburgh I bought a bottle of your Cough Syrup, and am very happy to state that, after using the bottle I found my cough removed, and was restored to my usual health. I do think if it had not been for the Cough Syrup, in relieving me so soon, I should have gone into a rapid consumption. You will please send me six bottles, as my neighbors wish me to supply them with the Cough Syrup. JOHN B. BYERS.

"BEST COUGH MEDICINE IN THE WORLD!" Another evidence of the superiority of Dr. Willard's Cough Mixture over all others. Read the following certificate from a respectable citizen of the Fifth Ward:

PITTSBURGH, Nov. 3, 1847.

This certifies that for some weeks past I was troubled with a very serious cough, which was evidently becoming seated on the lungs to such an extent as to resist the effect of every medicine which I had been using. I was finally persuaded to call at Hays & Brockway's Drug Store, and get a bottle of Dr. Willard's Oriental Cough Mixture; which, to my great surprise, relieved me very much; after taking only two or three doses, and before I had used one bottle, I was entirely cured. I was so much pleased with its effects that I have brought others to buy it, and shall continue to recommend it to my friends, *as I firmly believe it to be the best cough medicine in the world!"*

ANDREW McCAFFRY.

THE New York and Philadelphia Pekin Tea Company having understood that certain persons in Pittsburgh were claiming the exclusive right to sell their Teas in that city, would state that they have abandoned, some time since, the exclusive agency system, and that neither Mr. Jaynes, Douglass & Co., nor any other concern, has a right to claim any exclusive privileges with their Teas. The general agent of the company, Mr. J. R. Stockdale, is now at McMasters' Eagle Hotel, Liberty street, Pittsburg, ready to receive orders. All Teas sold by this company, are warranted equal to any sold in the United States, and no payment required until buyers are entirely satisfied as to the fact.

PULMONARY BALSAM.—Messrs. Reed & Cutter: I feel it a duty I owe to my fellow creatures to state something more respecting your Vegetable Pulmonary Balsam. Since I first used the Balsam, about eleven years ago, the happy effect of which I then gave an account of, I have had several severe complaints and attacks at my lungs, one a few days since, and in every instance I have used the Balsam alone with complete and perfect success. It has effected relief and cure within a very few days. It is certainly a safe medicine. I do not know that it will cure a fixed consumption, but I believe it will be in many cases a preventative, and prevention is better than cure. I do therefore, for the love of my fellow-men, earnestly recommend the use of this Balsam, in all pulmonary complaints. I am confident that it has been the means of preserving my life to this day. BENJAMIN PARSONS.
