General Scott's Official Report

The long looked for official dispatch from the commander in chief in Mexico, has been at length received at the seat of government, and published in the Union of the 13th instant.

A part of the troops from Pennsylvania have been ordered to Mexico, and the remainder are to be sent to the several fronts of the army.

The Battle of Molino del Rey

Nearly every person with whom we have conversed appears pleased with the result of the battle of Molino del Rey.

By a telegraphic dispatch received on Saturday last, we learned that a vote had been given by the Pennsylvania volunteers.

A typographical mistake occurred in the dispatch of the 13th inst.

The Common Council, at their session on Monday evening in accordance with the last act of Assembly.

It will be seen by the above which we copy from the Gazette of yesterday, that the efforts of a few individuals to rule, and control the city through their council, have not succeeded in the manner that was anticipated.
