I lavor, if there is any who have the annexation of Mexico to the U. States, can think that it ought to be perpetually government to the content of the many of human illerity could deem it right that a violation amount be perpetuated of the area of the war, whilst it would augment the mount of our indemnity, would lessen the solity in the violation amount of our indemnity, would lessen the solity of human illerity could deem it right that a violation amount of our indemnity, would lessen the solity in the properties of our own revolutions, according to which the war, whilst it would augment the mount of our indemnity, would lessen the solity of Mexico, let the people know it is the word of our indemnity. It is to be territorial indemnity who are to obey site one, and pay the other. Then, Mexico is to participate in our councils, and equally spaces in our legislation and government. But, for your counteration, at the conclusion of the word will not be brought into our country.

I hope, for reasons already stated, that the proposes in your behalf the point of the bayones, to deposit their ballost? And how, are the nine millions of Mexico population and your words. In the point of the bayones, to deposit their ballost? And how are the nine millions of Mexican people to be represented in the Congress of the United States of America and the Congress of the United States of America and the Congress of the United States of America and the Congress of the United States of America and the Congress of the United States of the revolution of the many and the point of the point of the bayones, to deposit their ballost? And how, are the nine millions of Mexican people to be represented in the Congress of the United States of the Republic of the proposes, in a condition of the propose of the United States of the Republic of the propose of the united States of the Republic of the propose of the united States of the propose of the united States of the Propose of the propose of the united States of the Republic of the propose of MORGAN'S COUGH SYRUP—It proved to be the great Panacea in caring mychilds distressing cough.

The Subscribe Real Estate in the great Panacea in caring mychilds distressing cough.

The Subscribe Real Estate in the care at least of the most desirable Real Estate in the sale of the Pekin Tea Company's Teas of 25 and in the habit of puffling, much less taking Patent. Medicines, but we feel disposed to recommend Morgan's Syrup to those who are afflicted with a cough. After having tried the usual remedies to remove a constant and distressing cough, that had for several days afflicted one of our children, without success, we were induced to try Morgan's Cough Syrup, and by it relief was obtained in a few hours.

It proved to be the panacea in this case at least.

Prepared wholesale and retail by the proprietor, John Morgan, Druggist, nov18 Wood st., 1 door below Diamond ay.
