Feeling man my duty to maintain den plains, wherein the mind might be enabled to The fighting commenced now in earnest; discover, if not gold and gems, at least, clear though the Mexicans had an army, according to Proposition to Make a Monarchy of Mexico. and beautiful streams of living water, gently flow- Santa Anna's own words, of 8,600 soldiers, and "Mustang," of the "Delta," writes, on the 13th ing over glistening sands, or snowy pebbles, into 70,000 hostile inhabitants in the city. The firing of Paredes, of the king of the French to place the

Derogatory to the character of the mass of man body of Pennsylvanians, after much labor, digging means in their power to carry it successfully through the walls, took the battery—killing some and its truth is applicable, to a great extent, even 20 of the enemy. We also burned the cotton to those above the condition of the uneducated, and balles, and blowed up the houses. We received "A great many of the Centralists, of wealth and Jan. 26, 1837. the ignorant. We are inclined to believe, that the no firing from that point afterwards. In this strength, who have heretofore opposed the measure the ignorant. We are inclined to believe, that the no firing from that point afterwards. In this with decision and energy, conceiving their power and place to be among the things that were, and tion to the measures most proper to be pursued, in the political administration of his government.

The Washington Union also has a letter from a gentleman in Vera Cruz, disclosing a similar project, in which he seems to think the English figure most in which he seems to think the English figure most in the city. During the political administration of his government. By this means, a door is at once opened for entire seige, seven of our men were badly wounded prominently.

freedom. Yet how few are there, who pass beyond And on the 12th, company K was, by some means, the threshold! How few who even venture to look surrounded by a large body of lancers—twenty to within the glorious temple of their liberty, in order one of our men. In this fight they lost 13 killed Monday evening, for the purpose of devising to discover what may be witnessed, by every anx and wounded. The police brought in 12 of the means to collect funds in aid of the suffering reladead bodies; the other was so mangieu, and the Examine the professions of Medicine, of Law, dogs had eaten him him so, that they buried him where he lay The others were buried in one law, a great many lamilies of the volunteers here, who will require of trasting to those of a former age, deemed wiser than we are; rather than make the effort to be come wiser than they were. Our laws are in many particulars far more comprehensive, and iust, died with their narrasson and their faces towards of the volunteers here, who will require the assistance of the benevolent and humane fices will of course be represented.

They had determined upon hearing our national ashes;—and may that respect be paid to the memory or of the Pennsylvania regiment, who tell—who particulars far more comprehensive, and iust, died with their narrasson and their faces towards of the volunteers here, who will require the assistance of the benevolent and humane fices will of course be represented.

The add nothing our national grave, with the position of the pennsylvania regiment, who tell—who of the evening passed off in excellent order. A the rapidity with which this edifice is advancing of the volunteers here, who will require the assistance of the benevolent and humane first and nothing could persuade them from it.—

The adrance of the volunteers here, who will require ashes;—and may that respect be paid to the medical profession. Suffice it to say, title in relation to raising peppermint in Michigan, of the evening passed off in excellent order. A the rapidity with which this edifice is advancing of the volunteers here, who will require from it.—

The adrance of the benevolent and humane fices will of course be represented.

The adrance of the volunteers here, who will require ashes;—and may that respect to the assistance of the benevolent and humane first and nothing could persuade them from it.—

The adrance of the volunteers here, who will require ashes;—and nothing could persuade them from it.—

The adrance of the volunteers here, who will require ashes;—and nothing could persuade them from it.—

The adrance of the volunteers here, who will require ashes;—and nothing could persuade them from it.—

The adrance of the volunteers here, who will require ashes;—and nothing could persuade t particulars far more comprehensive, and just, than those of former times; and yet how often do we hear a wish expressed, that we had some of the enemy—which is their due.

So far, have I been spared by the Great Being; those "good old English Laws;" or, that we had some of the American character he had ever witnessed among us a Solon or a Lycurgus! And, whenever approposition is made to abrogate an old law, with merciful protection of me so far; and my prayer and from the enemy passed off in excellent order. A the rapidity with which this edifice is advancing from which we learn that the business is carried Mexican gentleman, sitting in front of me, remark. OLIVER W. OWEN, of the American character he had ever witnessed that we had any idea of.

An Excellent Toast.—The following toast from which we learn that the business is carried Mexican gentleman, sitting in front of me, remark. OLIVER W. OWEN, of the American character he had ever witnessed in law, with though surrounded by danger from the enemy and from disease. I feel thankful to God for His neglect.
