Together with a large supply of every kind ADIES are cautioned against using Common Prepared Chalk: They are not aware how frightfully injurious it is to the skin! how coarse, how rough, how sallow, yellow, and unhealthy the skin appears after using prepared chalk! Besides it is injurious, containing a large quantity of lead! We have prepared a beautiful vegetable article, which we call Jones' Spanish Lily White! It is perfectly innocent, being purified of all celeterious qualities; and it imparts to the skin a natural, healthy, alabaster, clear, lively white; at the same time acting as a cosmetic on the skin, making it soft and smooth.

Dr. James Anderson, Practical Chemist of Massachusetts, says: "After analysing Jones' Spanish Lily White, I find it possesses the most beautiful and natural, and at the same time innocent white I ever saw. Rose of Alabama; 5 Bags Havana White; 15 Bags Loaf; for sale by J. BENNY, Jr. of New York, is entirely false, they having been denied even an agency in Philadelphia, for the New Mork Company, that Company having refused even thus far to confide in them.

I know not what kind of wool they keep, nor what kind of feas; I am only certain that they keep or obtain none of the Pekin Tea Company's of New York.
