Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

ESTABLISHED IN 1835 BY AN ACT OF CONGRESS.

The Great Remedy for

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents.—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in commendation of Dr. Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Bitters," and even "Syrup of Wild Cherry," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public records in Philadelphia, wealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE,
Corner of Eighth and Race streets, Philada.

60,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this dreadful disease in a single year; then add the fearful catalogue of those cut off by Inflamation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.

And the list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread waste of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its own merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has acquired an enviable reputation and worked its way into general use. One bottle never fails to cure a recent Cough or Cold, while with strict attentions to the directions that accompany each bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has been found relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrup's*," &c., as they contain none of the virtues of the original preparation.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

For sale *Wholesale and Retail*, by W. THORN, 53 Market street; L. JONES, 189 Liberty street, and GODEN & SNOWDEN, *corner of Wood and 2d sts.*, sole AGENTS FOR PITTSBURGH, jy10

SOLDIERS OF THE MEXICAN WAR.

THE subscriber having opened an office in the City of Pittsburgh, in the State of Penn'a, for the purpose of procuring Land Warrants at the Seat of Government, for the discharged Soldiers of the Regular Army, as well as the Volunteers, who have served their country in the present War with Mexico: informs the living, and the representatives of the dead, that by addressing an application to him at this City, giving the name and address of the soldier, and if dead, his representatives, it will receive careful and prompt attention.

Instructions and Blanks will be immediately returned per mail to the applicant, to be executed and returned to me at this place. The Warrants when received, will be immediately sent per mail to the proper owner; or if he should prefer receiving money, I will make sale of his Warrant to the best advantage for cash, and make no charge for the service.

In the event of the death of the soldier, that must be mentioned in the letter, and the warrant will issue according to the following rules: First, to his wife and children, (if he have any.) Second, to his father; and Third, to his mother.

Having a son in the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the matter would receive their prompt attention, should any difficulty arise respecting the necessary proof.

Letters addressed to me on the subject must be post paid, and inclose a Five Dollar Bank Note as my compensation. WM. B. FOSTER.

SICK MAN'S NEVER FAILING FRIEND.

☞ Agencies have been established in all the principal Towns in the Union, and applications are constantly reaching us from almost numberless villages in every section of the Country. Testimonials of their marvellous effects are pouring in from all quarters—and in such numbers that we have not time to read one half of them. What stronger or more conclusive evidence than these important facts can the most sceptical desire? Is it possible, that the many thousands who have tried CLICKENER'S PILLS, can be deceived in their results? If any imposture or quackery existed, would it not long ago have been held up, as it should be, to the scorn and derision of a justly offended community?

☞ Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills; and that nothing of the kind of these two classes of diseases. But it is important to know that nearly all of this dread waste of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its own merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has acquired an enviable reputation and worked its way into general use. One bottle never fails to cure a recent Cough or Cold, while with strict attentions to the directions that accompany each bottle, its use in Pulmonary diseases of long standing and of the most alarming character, has been found relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrup's*," &c., as they contain none of the virtues of the original preparation.

The (original and only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of Europe.

Prepared only by DR. SWAYNE, N. W. corner of Eighth and Race streets, Philadelphia, and for sale by respectable Druggists in nearly all the principal towns in the United States.

"It is the Best Cough Medicine I ever used."

THIS was expressed in our hearing yesterday, by an intelligent gentleman, who had used but about one half a bottle of *Dr. Wildcat's Oriental Cough Mixture*, before he was entirely cured. Come and get a bottle of it, and if the most obstinate cough or cold does not disappear by its use, your money will be refunded. Compounded as it is, of the most effective, though harmless and pleasant remedies, its use for years has not, nor indeed can it, fail to give entire satisfaction.
