☞ WHOOPING COUGH.—Messrs Editors—I observed some time ago a communication over the signature for "A Parent," stating that Dr. Jayne's Indian Expectorant had been the means of saving the lives of three of his children, who were suffering severely with whooping cough; and having but a short time before, lost one of my children by that dreadful complaint, and having another, and my only child, suffering the greatest agony with the same disease, and in hourly expectation of its death, I was induced to purchase a bottle of it, and commenced using it according to the directions—and to the surprise of all it began to mend in fifteen minutes after we commenced using it, and the child has now completely recovered.

I have no acquaintance with Dr. Jayne, but I hereby return him a husband's and a father's grateful acknowledgments.
J. L. SIMPKINS.

Philadelphia, April 22d, 1846.

Jayne's Hair Tonic—We commend the attention of those desirous of restoring their hair or improving its beauty, to this elegant preparation. We hear it every where highly spoken of, and especially by all who have made use of it, as greatly efficacious in stimulating the growth of the hair, and preventing and curing many affections of the skin. Its virtues are amply and sufficiently attested.—*N. Y. Sun.*

Important to Consumptives!!!—Strange! That so many who are afflicted with a Cough that is gradually wearing them down, and slowly, but surely stealing them into that dreadful disease Consumption—that disease which carries off thousands daily, are doing nothing, or what is worse than nothing, gorging themselves with *nostrums*, that are pasted to the sides for cures they are said to have effected on some foreign or unknown persons. When they can be positively cured by using Dr. Rogers' Compound Syrup of Liverwort and Tar, which still continues to effect the most *Wonderful Cures* ever recorded in the annals of medicine. A fact which is proved by reference to the vast number of certificates from the first and most respectable citizens, such as Dr. Wm. J. Richards, Judge Wm. Burke, the Wife of the Rev. G. W. Maley, Dr. Hiram Cox, late Professor in Eclectic Medical College of Cincinnati, and others of this place. Certificates not only of remarkable cures of distressing Cough, but Consumption actually cured, after the Physicians of the highest standing had given them up to die! If men of such high standing will vouch for the *great virtues* of this medicine, we cannot but infer that it is at least all that it is represented to be. It can be had at D. C. Kueeland's, also at Messrs Kidd & Co's
nov23

The time has come when coughs and colds are rife, when consumption insinuates its changeful form—nips many a lovely bud, and lurks within the present blooming flower, the beautious cheek now deadly pale, now flushed with crimson hue, bespeaks the presence of a foe, a direful foe, who flatters to destroy. To drop the metaphor, such is Consumption, often brought on by neglected coughs and colds, wet feet, &c. BEWARE, and use the sovereign remedy, Doctor Sherman's All Healing Balsam, a certain and never failing remedy for coughs, colds, consumption, asthma, pain in the side and breast, whooping cough, palpitation of the heart, liver complaint, bronchitis, &c. Price 25 cents and $1 per bottle. Sold wholesale and retail by W. Jackson, at his Boot and Shoe Store, and Patent Medicine Warehouse, 89 Liberty street, Pittsburgh, and by duly appointed Agents in every town in the U. States. See advertisement. nov23

The Cry is Still they Come!—Some have already made their entry, and a whole Battalion are on their march. This is the season when *General* Disease makes his appearance, his troops are well disciplined and officered. General Consumption his chief warrior, is wending his way onwards, accompanied by his Pioneers. Wet Feet, Cough, Cold, Night Sweats, Spitting of Blood, Debility, Exhaustion, Flushings in the face, &c. &c., are those disturbers of the peace of mankind; Bronchial affections of the Throat, Asthma, Whooping Cough, &c. But thanks to Dr. Sherman, of New York, for his great invention, "*The All Healing Balsam*," Try—and be *cured*!

Price 25 cents and $1 per bottle.

Sold by WM. JACKSON, at his Patent Medicine Warehouse and Boot and Shoe Store, 89 Liberty street, Pittsburgh, and by duly appointed Agents, in every town in the States. oct30

GREAT ITALIAN REMEDY.

PHILADELPHIA, April 26, 1846.

Being afflicted for some 8 years with that most distressing disease, the asthma, and for the last 1 years much of the time confined to my room, and at several different times my life was despaired of; I concluded to obtain some of Mansfield's Sicilian Syrup, which was recommended to me by a friend from New York, who stated that it had cured some of the most inveterate cases known to the medical profession. Suffice it to say, that, after using the above medicine for about 4 weeks, I was entirely relieved, and I believe radically cured. Yours with respect,

It is the best Cough Medicine I ever saw.

READ the following proof of the superiority of DR. D. *Wilbur's Oriental Cough Mixture*, from a respectable citizen, who *has tried it*.

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:

After laboring for several weeks under the disadvantages of a harrassing cough and most distressing cold, which has baffled the skill of the faculty at several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle, I found myself *entirely well*." "*It is the best medicine I ever saw.*"

Wild Cherry and Sarsaparilla.

A VERY IMPORTANT COMMUNICATION.
TO ALL PERSONS IN ALL PLACES,
At All Times,
AND
UNDER ALL CIRCUMSTANCES!

IF YOU ARE SICK, get cured; if well, employ measures to continue so. Every individual indulges in habits, which must, to a greater or lesser extent, disarrange the admirable and intricate combinations which form the system, and consequently

EVERY INDIVIDUAL,

should possess some mild, yet efficacious, simple and accredited agent for preserving all the functions of the body in good order.

DR. WOOD'S

SARSAPARILLA AND WILD CHERRY BITTERS

will achieve this result, and should be in every family, and in the hands of every person, who, by business, profession or general course of life, is predisposed to the very many little ailments that render life a curse, instead of a blessing, and finally result, in their aggregated condition, in the cause

OF DEATH.

The Bitters here mentioned are compounded by a man of great skill and knowledge, from the simples Nature presents to those who care to find them, and which are the only reliable antidotes to the poison of disease. The chief ingredients are the universally beloved *Sarsaparilla* and the *Barkof the Wild Cherry Tree*, with which the red man of the forest cures nearly every disease of the internal organs. These materials, though powerful in their action, are as common sense teaches us,

ENTIRELY HARMLESS;

and prepared as they are here, one of the *greatest medical operatives* in the inhabitable globe. By taking these BITTERS, the *scrofulous* may be restored to beauty, and avoid the sharp knife of the surgeon; for they not only eradicate pimples and tumors, but overcome

CANCER AND KING'S EVIL!

Whoever is subject to the horrors of *Consumption*, should at once purchase this SURE REMEDY. In the retry and miscellaneous subjects, splendid annuals, train of Costiveness follow dreadful local congestions, oftentimes insanity, very frequently mania or hypocondria, violent head aches, palpitations, and other affections of the heart, and rheumatic swellings. Dr. Wood's Compound is one of the most efficient medicines in routing these complaints, and their fountain head, that can possibly be procured.

From being confined to close rooms, and from taking a small modicum of exercise, numerous persons daily are made to deplore a loss of appetite, painful headaches, weakness of the muscles, languor, want of energy sufficient to permit them to seek recreation, &c. &c. These persons say for years, that they "don't feel very well." Many do not employ a method by which they can feel QUITE WELL, they eventually sink under a severe fit of illness, and are

SAVED FROM THE GRAVE

only by a miracle, and even then the lancet, leech, blister and calomel have left them mere shattered hulks, full of aches and sorrows, and not only a pest to themselves, but a source of disgustand annoyance to all with whom they come in contact. All these

FEARFUL CONSEQUENCES

may be avoided by an early application of the virtues of these BITTERS. For the truth of this, the proprietors refer to his word and honor, and in evidence can show files of undoubted certificates which he has received, unsolicited from all quarters. He does not, however, ask the invalid to swallow his certificates, but his BITTERS, and is willing to stake all his hopes dear on earth in favor of their worth.

THE DYSPEPSIA,

in either a modified or severe form, will disappear before the qualities of Dr. Wood's preparation, and he does not hesitate to say he relies on as a permanent one. Did the BITTERS possess no other recommendation, it would be one of the finest vegetable compounds medical science can invent; but it is equal to the complete eradication of

LIVER COMPLAINT,

in every shape, and of every affection, minor or gigantic, of the billiary sparatus. Individuals who are constitutionally sallow, ought regularly to take this gentle and excellent TONIC AND APERIENT, as it will diffuse health throughout every fibre of the frame, and send happiness and love of life thrilling to the heart. FAMILIES OUGHT TO KEEP IT ON HAND.

Every medicine chest on board ship should also be well stocked with this capital remedy as SCURVY CAN cannot illect those who take it, or long resist its vigorous assaults. ALL IMPURITIES OF THE BLOOD vanish before it, and the old relics of early imprudence invariably disappear, soon after being submitted to its action. Every complaint of the stomach is met and vanquished by it. The BITTERS have in no instance failed of curing JAUNDICE, GENERAL DEBILITY, every disorganization of

THE NERVOUS SYSTEM.

By neglecting the little inroads made upon the latter a vast number of our fellow beings are rendered extremely miserable—so miserable, indeed, that they wish to die. Every bottle of Dr. Wood's Sarsaparilla and Wild Cherry Bitters," contains a medicine sufficient to restore to health each of those anxious and imprudent sufferers. Remember that an injudicious cure of mercury is inevitably productive of many evils which are put to flight by this glorious and unsurpassable compound; and that all affections which are

HEREDITARY

may speedily and safely be shuffled off through its agency. As a medicine which must benefit

EVERYBODY,

from the SIMPLY delicate to the CONFINED AND DESPAIRING INVALID, no equal is to be found for it. It would be well to bear-in mind that preventive is infinitely more desirable than cure, and that Dr. Wood's Sarsaparilla and Wild Cherry BITTERS ARE BOTH.

Put up in bottles, three or four times larger than Bristole's or Sand's, for the same price—one dollar per bottle.

THOSE who have been deceived with mock pretended Hair preparations, should read the following statements of respectable persons:

Mr. Abraham Vanderbeck, of 93 Avenue D, New York, certifies that his head was entirely bald on the top, and by the use of two S. bottles of Jones' Coral Hair Restorative, he has a good crop of hair, and will soon have it long, thick, and luxuriant.

Mr. Wm. Jackson, of 89 Liberty st., Pittsburgh, certifies, on the 3d of April, 1847, that Mr. Thoms, Jackson's head, on the top, was entirely bald for fifteen years, and that by using two 2s. bottles of Jones Coral Hair Restorative, the hair is growing fast, thick and healthy. He expects by using this a little longer to have a better head of hair than he ever had. HAVE YOU SCURF OR DANDRUFF? Mr. Power, a grocer, on Fulton st., had his hair completely choked up with dandruff, and Jones' Coral Hair Restorative entirely and permanently cured it.

Directions for using Jones' Coral Hair Restorative:

For forcing the growth of Hair, it is necessary to cause a slight friction on the scalp, so that the Restorative may enter the pores. This may be done by applying it with a moderately hard brush, but it is not necessary to use these harsh means except in actual cases of baldness. Where the Hair falls off, turn gently, &c., apply the Restorative with the hand, or a soft brush. Part the hair in the different places, so that the restorative may touch the scalp. The same directions may be used for Dressing, &c.
