day; the church bells reminding the inhabitants of the townof the hour of prayer, and their duty CONTENTS :- Introduction -- The County Dow The Great Britain-The way they do it-The to go up to the house of God; the hitberto qui streets, ringing with the gay melody of profane Gillespie Monument and Freemusonry !

Well, after all, it is a great pity that I never was music, and echoidig the deep tread of upwards of so lucky or fortunate as to obtain one kiss of the 2,000 feet. caunot affirm with my countryman, (who was passing down it, by command of the chief officer, he ?) that I ate much better Ice Cream in Dublin, three cheers were given for the ladies of Down; than I have yet tasted in the U. S. and that the which was joined in by the crowd; and the regi-

harvest moon, visible in Yankeeland, is almost as ment marched away. large as the luna, which sheds her silvery light on the dear island I have left behind me. Yet, it is the that for the dear island I have left behind me. Yet, it is

The dear island I have left behind me. Yet, it is true, that from the glorious days of King Brian Boriohme, when monarchs rode to battle on Laugh. They have got every penny of credit they could; then apply for a removal, and before a merchant present moment, the sons of Jerne, and their national character, possess the same phase in every direction. Talk of Arthur the Great, Federick the Great, and Alexander the Great! What were they to our great ARTHUR, who, on the filed of Waterloo, totally discomfited one greater than twang of their bugies, every recollection and rethem all? And your Poets hide their diminished membrance of the ladies of Down, will evapo-heads, at the name of "our own darling, Tom rule ou the breeze." The next morning, at seven have been given to any of the officers of the army Moore;" and your novel writers fall prostrate be. o'clock, the dragoons were in their saddles, and in or navy of the United States; or other persons, in fore the surprising genius, which invoked the wit a short time were far away en route for Dundalk. regard to the return of President General Lopez of the inimitable Mickey Free! And yet, all the honor, all the reward this veritable individual elsimed for his remaind for his veritable individual de Santa Anna, or any other Mexican, to the re-public of Mexico, prior or subsequent to the order of the President or Scoretor of Ur. claimed for his services, was that when the ladies monument, in the fown of Comber. The testi-(God bless them !) wud be afther reading his high-ly intelligint pirrigrinations in the pininshula, they wud give him a characteristic of the late Major General Sir Rollo Gillespie, K.

The County Down for bonny lasses, against the bead of his regiment, after assisting in achieving a glorious triumph, on a victorious battle field, and victorious world; but what have I to do with the Ladies :- glorious triumph, on a victorious battle held, and Verily, nothing. This being Leap year, too, were his last worls were, Oxe Shor MORE FOR THE I to introduce a few here, the most handsome one Hoxon or Down ! might choose to fancy me, and of course I dare not refuse the tempting offer! But, to the point. My friend Education of Education to the point. My friend Edward Gratton and I entered the galia and emblems, and headed by their distinct. government in relation to the return of Gen. Pare-ive banners. Several lodges came from England The demonstration. County Down, a little below Newry, made War-renspoint and Rosstraver, two pretty little villages, which are resorted to in the summer months for sea bathing. Directly opposite, in the County South, stands Carlingford, so justly famous for its delicious oysters. Then there was Castlewellan, (Lord Roden's Town,) and Slieve Donard, and the Mourne Mountains, at the fort of which there Mourne Mountains, at the fort of which there the fort of which the cast (Lord Roden's Town,) and Slieve Donard, and the Mourne Mountains, at the foot of which, the fish-cause they esponsed. This group was presided the House a considerable amount of correspondence in a submitted to Notes in circulation Mourne Mountains, at the foot of which, the fish-ing village of Newcastle, inauspicuously looks out on the Irish Sea. We were here informed, that a short time previous to our visit, an immense shoal of fish having been on the coast, and to the point and it was certainly thrilling to public at this time, without great injury to the boats were manned by every hand that could gaze on that immense concourse, so profusely public interest
