Amecdate of Robert Hoe, Inventor of th Improved Printing Fress. The Moring Post.

A second of Robert Holes and Freese. Improved Printing Freese. In the summer of 1805, the yellow (ever pre-vailed to a fearful extent in the city of Mergerork, I never left the city on these occasions. One day a young man stepped into my store, Said Le, "a am just come on shore from a passenger ship from England—Bristol, if I recollect right. I fied trom the Tyranny (not of George the 3d, but)-of the Queen-tyrant, commonly called step mather. Tain only eighteen years of age; by trade a carpenter: I say for the start of t in you recommend me to a bealthy part of the VOICE OF ALLEGHENY COUNTY! city, where I may board till the fever is over, when FOR PRESIDENT.

Having been a stranger myself, I knew the heart of a stranger. Said I, "Robert, my dwell-JAMES BUCHANAN, ing, you perceive, is on high ground. This neighs accounted the most healthy in the city -you can board with me; if you take sick, I and . TF. W. CARR, United States Newspaper . (C) E. W. CARH, United States Newspaper Agency, Sun Buildings. N. E. conner of Third and Dack, and 440 N. Fourth street is our only au thorised Agent in Philadelphia my wife will nurse you-we wont send you to the At this time he was about five feet five inches

thorised Agent in Philadelphia out and robust, the very picture of health, and s I thought, a fit subject for the yellow fever.— Fore a week he was reported at the Board of the valuable public documents. Williamsport, North'berland, stout and robust, the very picture of health, and as I thought, a fit subject for the yellow fever .---Health, a case of yellow fever. I procured an eminent physician; my wife and I nursed him. On the third day he was under the operation of Report of the Canal Commissioners. Report of the Canal Commissioners. Derwick, The report of the Canal Commissioners, which Harrisburgh, as recently been published to the commissioners of the Canal Commissioners, which Harrisburgh,

week." In this I spoke unadvisedly with my lips; but J thought the end sauctified the means. I sioners sav-

stoners say-knew he would feel easier as soon as the medicine ceased operating. I watched the first full in the while the canal Commissioners of Pennsylvania in the demands of the present year. Cotton Works in Georgia — From a report laid year. Judging from receipts up to 150 of October, before the legislature, we learn that there are thir, it is confidently believed that, had there been no ty two cotton factories in operation or in construc-tion; in the working and building of which two would have reached \$1,000,000. The expendi-late messages to the Legislature comes tion; in the working and building of which two millions of dollars are employed, 3000 persons, the reached \$1 900,000. The expendi-tures, which amounted to \$688,475 \$3, would by and 6000 derive their support from them. The consumption of provisions and agricultural pro-damage by floods, have been reduced to \$627,536 oneratives, amounts annually to 300,000. They stead of \$88,044 40.2 ducts; not including collion for the use of these stead of \$88,044.40." use for manufacturing purposes from 18,000 to The expenditures of the past year have been releation until a satisfactory atransee the past year have been releation until a satisfactory atransee the past year have been releated to the past year have been releated by the past year have been releated by the past year have been by the past year have been
