Consumption, Cough, Spitting of Blood, Bronchitis, Asthma, &c.

TO Consumptives; four-fifths of you are really suffering from neglected colds, or an obstruction and consequent inflammation of the delicate lining of those tubes through which the air we breathe is distributed to the lungs. This obstruction produces pain and soreness, hoarseness; cough, difficulty of breathing, hectic fever, and a spitting of blood, matter, or phlegm, which finally exhausts the strength of the patient, and death ensues. JAYNE'S Expectorant *never fails* to remove this obstruction, and produces the most pleasing and happy results. IT IS CERTAIN in its effects, and cannot fail to relieve.

Great Remedy of the Age!

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY,

ESTABLISHED IN 1835 BY AN ACT OF CONGRESS.

The Great Remedy for

Consumption, Coughs, Colds, Asthma, Bronchitis, Liver Complaint, Spitting Blood, Difficulty of Breathing, Pain in the Side and Breast, Palpitation of the Heart, Influenza, Croup, Broken Constitution, Sore Throat, Nervous Debility, and All diseases of Throat, Breast, and Lungs; the most effectual and speedy cure ever known for any of the above diseases is

DR. SWAYNE'S

COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents:—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of several of the most eminent physicians of our country. At times my cough was very severe, pain in my side and breast, and great difficulty in breathing. In this way I continued to suffer, until life became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with such diseases may know where to find a valuable medicine. You can use this testimony in commendation of Dr. Swayne's Compound Syrup of Wild Cherry as you think best. Yours, with respect,

WM. CARSON.

ONE WORD OF CAUTION.—Since the introduction of my article to the public, there have a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry; some are called "Balsams," "Bitters," and even "Syrups of Wild Cherry," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

DR. H. SWAYNE,
Corner of Eighth and Race streets, Philada.

$0,000 Deaths by Consumption

Would perhaps be a small estimate for the ravages of this dreadful disease in a single year; Read the fearful catalogue of those cut off by Inflamation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Liver.

And the list would present an appalling proof of the fatality of these two classes of diseases. But it is important to know that nearly all of this dread host of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. It is recognized as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs based entirely upon its intrinsic merits, owes but little to inflated newspaper puffs. Those who give it a trial, being benefitted by it, recommend it to their neighbors, and thus gradually and surely has it gained an enviable reputation and worked its way into general use. One bottle never fails to cure a recent Cough or Cold, while with strict attention to the directions that accompany each bottle, (if necessary,) forward passengers further West by the best mode of conveyance without any additional charges for their trouble. Where persons sent for decline coming out, the amount paid for passage will be refunded in full.

REMITTANCES.

TETTER, ITCH, SALT RHEUM, &c.—Who would for a single day scratch, when afflicted with the Tetter, Itch, or other diseases of the skin, if they knew who would relieve and cure them.

'Tis horrible to be obliged to rub and scratch when alone, but more horrible to abstain from it, (for decency sake,) when in company. Let it be remembered that DR. LEIDY'S TETTER & ITCH OINTMENT is the most efficacious of any other preparation in existence in curing the Tetter, Itch, and other diseases of the skin. As all diseases of the skin must arise from the impurity of the blood and the fluids of the body, and where such diseases be of long standing, and the constitution affected thereby, if Dr. Leidy's Sarsaparilla Blood Pills be used with the Ointment, they will cure any case whatever, and if they do not, the money will be returned by Dr. Leidy. Most cases, however, will be effectually cured by Dr. Leidy's Tetter and Itch Ointment, unless the whole system is impregnated by the diseased humors, which will be completely carried off from the system by Dr. Leidy's Blood Pills, and the surface of the skin healed by the Ointment. They have been known to effect permanent cures when all other remedies had proved unavailing, and in the last stages of disease.

They have in many cases *superseded the prescriptive skill of the most eminent Physicians*, and received besides their unqualified commendation.

They have been repeatedly recommended by men of the most distinguished characters, throughout the land, and been sanctioned in Europe by Noblemen, and Princes of Royal blood.

They have been introduced into the Hospitals of Edinburgh, Paris, and Vienna, and through the disinterested exertions of our Foreign Ambassadors, they have received the favorable commendation of the Emperor of Russia, and his celestial Majesty of the Chinese Empire.

☞ Scarcely a Packet vessel of any repute sails from the port of New York, without an abundant supply of the

SICK MAN'S NEVER FAILING FRIEND.

☞ Agencies have been established in all the principal Cities in the Union, and applications are constantly reaching us from almost numberless villages in every section of the Country. Testimonials of their marvellous effects are pouring in from all quarters—and in such numbers that we have not time to read one half of them. What stronger or more conclusive evidence than these important facts can be adduced to satisfy sceptical desire? Is it possible the many thousands who have tried CLICKENER'S PILLS, can be deceived in their results? If any imposture or quackery existed, would it not long ere this have been held up, as it should be, to the scorn and derision of a justly offended community?

☞ Remember, Dr. C. V. Clickener is the original inventor of Sugar Coated Pills; and that nothing of the sort was ever heard of, until he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Coated Vegetable Pills, and take no other, or they will be made the victims of a fraud.

"It is the Best Cough Medicine I ever used."

THIS was expressed in our hearing yesterday, by a highly intelligent gentleman, who had used but about one half of a bottle of *Dr. Wilfarth's Cough Mixture*, before he was entirely cured. Come and get a bottle of it, and if the most obstinate cough or cold does not disappear by its use, your money will be refunded. Compounded as it is, of the most effective, though harmless and pleasant remedies, its use for years has not, nor indeed can it, fail to give entire satisfaction.

CLOTHING! CLOTHING!! CLOTHING!!!

The Three Big Doors vs. The Western World!!!!

150,000 WELL SELECTED GARMENTS NOW made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old arrival at Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this popular establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap suit, to call and purchase at the Three Big Doors.
