The Three Big Doors vs. The Wants of the World!!!

150,000 WELL SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts made I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the most sounds, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap whiter suit, to call and purchase at the Three Big Doors.

JOHN M'CLOSKEY.

CLOTHE BEAT;—*J. M. White* has just received at his large establishment, fronting on Liberty and 6th streets, a splendid assortment of TWEEDS for summer; also, a superior lot of French Satin VESTINGS, all of which he is ready to make up in the latest fashion and on the most reasonable terms as usual. Observe the corner, No. 107 Liberty and Sixth streets.

UNBLUSHING IMPUDENCE.—From a published card of M'Calmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That we have abandoned. some time since, the exclusive agency system," and that we have right to claim "exclusive privileges with *Barings*." I never proceeded to sell on any of this spurious concern. I have been selling the teas of the Chop Co. of Pekin Tea Company for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately by an evil designer.

The tea business of M'Calmont & Bond is about eight months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume; but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Company of New York is entirely false, they having been denied even an agency in Philadelphia; for the New York Company, that Company having refused even thus far to confide in them.

I know not what kind of wool they keep, nor what kind of teas; I am only certain that they keep or obtain none of the Pekin Tea Company's of New York.

Any person reading this card will see the gross deception they wish to practice on the public, and to the injury of my business. M'Calmont & Bond are wool dealers in Philadelphia, and have sent an agent out here to pull over our eyes and some of our good citizens. Look out for the black sheep. [nov19] ALEX. JAYNES.

IT IS NOW ADMITTED, by Pantologists, that no original temperament, complexion, constitution, or form of body, confers complete immunity from hereditary disease; that *Scrofula, Consumption*, and other affections, having a similarity of origin, occur in all, although observation convinces us that individuals and families, possessing certain characteristics, are more frequently the subject of these maladies than others. These diseases are a morbid condition of the whole system of nutrition—their products being but the effects of an alteration of the blood and secretions—the ulcers, abscesses, enlarged glands, inflammation, &c., being merely attendant phenomena. The cause exists prior to the phenomena, and must be destroyed before perfect health can be established. This may be done by using *Dr. KELLER'S PANACEA*, the most certain remedy for diseases arising from an impure state of the blood and system of nutrition, ever presented to the afflicted. READ the following proof of the superiority of *Dr. Willard's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY.—After laboring for several weeks under the disadvantages of a harassing cough and most distressing cold, which had, thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. *"It is the best medicine I ever saw."*

Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Comstock & Co. 51 Cortland st., New York, is the most wonderful cure of the 19th century. Its effects are truly miraculous; pains are removed from burns, scalds, &c., and all external sores, in a few minutes after its application, heating the sore on the most delicate skin, leaving no scar. It is equally beneficial in all kinds of inflammatory diseases, such as Neuralgia, Rheumatism, White Swelling and Ulcers, Bruises, Burns, Chilblains, Erysipelas, Piles, The Dolureaux, &c. We might add as proof to all we say, the numerous and prominent physicians who use it in their practice, and hundreds of the richest people in the city of New York. *Each patent kept constantly on hand*, in case of accidents by which life may be lost without, but by its use all burns are subject to no scarring, and the wounds are closed in a few minutes—remember and ask for *Connell's Magical Pain Extractor*, manufactured by *Comstock & Co., N. Y.*, and take no other.

PILES, SORES, &c.—*The Genuine Hays' Liniment*, is an article more justly celebrated as a cure for the above than any or all others. Its cures are almost miraculous, and it is only necessary to let those who know the article bear of its wonderful and great merits, to find a ready sale and true genuine of Comstock & Co.'s Connell's article.

The only genuine in Pittsburgh, Pa., by WM. JACKSON, 89 Liberty st., head of Wood st., also in Washington, Pa., by A. Sweeny & Son, in Brownsville by Bennett & Croker, also by our agents in every town in Pennsylvania, Ohio, Maryland and Virginia. nov19-d&wtf

Soldiers of the Mexican War.

THE subscriber has been appointed an officer in the city of Pittsburgh, in the State of Pennsylvania, for the purpose of procuring Land Warrants at the Seat of Government, for the discharged Soldiers of the Regular Army, as well as the Volunteers, who have served their country in the present War with Mexico; informs the living, and the representatives of the dead, that by a faithful application to him at this City, giving the name and address of the soldier, and if dead, his representatives, it will receive his careful attention.

Instructions and Blanks will be immediately returned per mail to any applicant, to be executed and returned to me at this place. The Warrant, when received, will be immediately sent per mail to the proper owner, or it he should prefer receiving it himself, I will make sale of his Warrant to the best advantage for cash, and make a small charge for that service.

In the case of the death of the soldier, that must be mentioned in the letter, and the warrant will issue according to the following rules: First, to his wife and children, if he have any; Second, to his father; and Third, to his mother.

Having access to the General Land Office at Washington, and one in the Army under General Scott, in Mexico, the matter would receive their prompt attention, should any difficulty arise in the location of warrants.

Letters addressed to me on the subject, must be post paid, and inclose a Five Dollar Bank Note as my compensation. WM. B. FOSTER.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, and attention to the wants of emigrants. We do not allow our passengers to be robbed by the swindling scamps that infest the sea-ports, as we take charge of them the moment they report themselves, and see to their well-being, and despatch them without any detention by the first ships. We say this fearlessly, as we defy any of our passengers to say that they were detained twenty-eight hours by us in Liverpool, whilst thousands of others were detained many days, and that they could be sent in some *crapt*, at a cheap rate, which, too frequently, is the case with others.

We intend to perform our contracts honorably, our *what it may*, and not act as was the case last season with other offices, who either performed not at all, or when it suited their convenience.

SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

Read the Testimony.

St. Louis, Sept. 7th, 1846.

DR. E. EASTERLY & Co.—Gents:—I have been afflicted for about three years with a pulmonary complaint, which has baffled the skill of some of the most eminent physicians of our country. At times my cough was very severe, pain in my *side* and breast, and great difficulty in breathing, with a continual tickling in the throat, until it became almost a burden. At length I saw your advertisement of DR. SWAYNE'S Compound Syrup of Wild Cherry, and was persuaded by a friend of mine to make a trial of it, and I purchased a bottle of you. I am happy to inform you that one bottle has effected a perfect cure, and that I am now in the enjoyment of good health. I make this statement in the form of a certificate, that others who may be afflicted with similar diseases may know where to find a valuable medicine.

Yours, with respect, WM. CARSON.

One word of caution.—Since the introduction of my article to the public, there have been a number of unprincipled individuals got up nostrums, which they assert contain Wild Cherry, and have called them "Balsams," "Syrups," and "Syrup of Wild Cherry," but mine is the original and only genuine preparation ever introduced to the public, which can be proved by the public records of the Commonwealth of Pennsylvania. The only safeguard against imposition is to see that my signature is on each bottle.

SETH W. SWAYNE,

Corner of Eighth and Race streets, Philadelphia.

50,000 DEATHS BY CONSUMPTION

Would perhaps be a small estimate for the ravages of this dreadful disease for a single year, if we add to the fearful catalogue of those cut off by Inflammation of the Lungs, Hemorrhage, Asthma, Coughs, Influenza, Bronchitis, and other diseases of the Lungs and Throat.

And the list would present an appalling proof of the fatality of these two classes of diseases. But it is impossible to calculate correctly all of this direful waste of human life might have been prevented by a timely use of DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

This medicine has now been before the public some eight years, and is the original preparation from the Wild Cherry Tree. Its reputation as a remedy for Coughs, Colds, Bronchitis, and Consumption of the Lungs, based upon real merit, has caused an extensive sale, and numerous newspaper puffs. Those who give it a trial, being benefited by it, recommend it to their neighbors, and thus gradually and surely has it gained an invaluable reputation and worked its way into general use. One bottle generally relieves a recent Cough or Cold, while with strict attentions to the directions that accompany each bottle, its use in Pulmonary diseases of long standing and the most confirmed consumption, has always given relief, and in very many instances has effected complete and permanent cures.

Beware of the worthless "*Balsams*," "*Bitters*," "*Syrups*," &c., as they contain none of the virtues of the original preparation.

DR. SWAYNE'S (and the only) genuine article is prepared by DR. SWAYNE, corner of Eighth and Race streets, Philadelphia, and for sale by agents in all parts of the United States, and some parts of the European Continent.

Prepared only by DR. SWAYNE, N. W. corner of 8th and Race streets, Philadelphia. Price $1 per bottle. Liberal discount to the trade.

Are without a Rival for the Cure of the following Diseases!

GERMAN MEDICINES

VEGETABLE RHEUMATIC PILLS,

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS,

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and energy, and assist digestion. They can be taken in connection with the above compositions, and in every case will entirely destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able; a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing mucus to rise in the nostrils. Jaundice frequently accompanies it, and a dropsy in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a number of such cases originate from the irritating causes above mentioned. Cathartic medicines must in every instance, be avoided in the treatment for it.

The symptoms of Dyspepsia are very various—those affecting the stomach alone, are nausea, heart-burn, loss of appetite, sometimes an extraordinary one, flatulence, sense of fullness or weight on the stomach, sinking or fluttering of the pit of the stomach, acid eructations, or sour arising from the stomach, vertigo, or sometimes dizziness, with a transient nature, but may eventually sink under a severe fit of illness, and are

only by a miracle; and even then, the lancet, leech, blister, and calomel, have left them mere scattered hulks, full of aches and sorrows, and not only a pest to themselves, but a source of disgust and annoyance to all with whom they come in contact. All these

FEARFUL CONSEQUENCES

may be avoided by an early application of the virtues of these Bitters. For the truth of this, the proprietor pledges his word and honor, and in evidence can show files of undoubted certificates which he has received, unsolicited, of cures in this quarter. He does not, however, ask the invalid to swallow his certificates, but like Bitters, and is willing to stake all he holds dear on earth in favor of the result.

THE DYSPEPSIA.

in either a modified or severe form, will disappear before the qualities of Dr. Wood's preparation, and the cure may be relied on as a permanent one. Did the Bitters possess no other recommendation, it would be one of the finest vegetable compounds medical science can invent: But, it is equal to the complete eradication of every COMPLAINT,

in every shape, and of every affection, minor or gigantic, of the biliary apparatus. Individuals who are constitutionally bilious, ought regularly to take this mild, agreeable, and excellent TONIC AND APERIENT, as it will diffuse health throughout every fibre of the frame, and send happiness where life is not life thrilling to the heart. FAMILIES OUGHT TO KEEP IT ON HAND.

Every medicine-chest on board ship should also be well stocked with this valuable remedy, as

SCURVY

cannot afflict those who take it, or long resist its vigorous assaults. All impurities of the Blood vanish before it, and the old relics of early imprudence invariably disappear, after being submitted to its action. Every complaint of the stomach is broken by it. The Bitters are not in existence, failed to cure JAUNDICE, GENERAL DEBILITY, and all disorders of the

NERVOUS SYSTEM.

By neglecting the little inroads made upon the latter, a vast portion of our fellow-beings are rendered extremely miserable—so miserable, indeed, that they wish to die. Even by friend names, or by persons, "Wood's Sarsaparilla and Wild Cherry Bitters" contains a medicinal sum of joy and content for each of those anxious and imprudent sufferers. Remember that these invaluable medicines are not only irrevisably productive of many evils which are put to flight by this glorious and unsurpassable compound; and that afflictions which are

may speedily and safely be shuffled off through its agency. As a medicine which must benefit

EVERY BODY

from the *simply delicate to the confirmed and despairing invalid*, no equal is to be found for it. It would be well to bear in mind that prevention is infinitely more desirable than cure, and that Dr. Wood's Sarsaparilla and Wild Cherry Bitters ARE BOTH.

Put up in bottles, three or four times larger than Jaundice or Sarsaparilla, for the same price.

GERMAN MEDICINES

Are without a Rival for the Cure of the following Diseases!

VEGETABLE RHEUMATIC PILLS,

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Liniments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be more acute.

GERMAN BITTERS,

For the permanent cure of Liver Complaints, Jaundice, Dyspepsia, Indigestion, Chronic Debility, Chronic Asthma, Nervous Debility, Pulmonary Affections, (arising from the liver or stomach,) Diseases of the Kidneys, and all diseases arising from a disordered stomach, in both male and female, such as female weakness, dizziness, fullness of blood to the head. They strengthen the system, and remove all acidity of the stomach, and give it tone and energy, and assist digestion. They can be taken in connection with the above compositions, and in every case will entirely destroy costiveness and renovate the whole system, removing all impurities and remnants of previous diseases, and giving a healthy action to the whole frame.

The symptoms of Liver Complaint are uneasiness and pain in the right side, and soreness upon touch immediately under the inferior ribs; inability to lie on the left side, or if at all able; a dragging sensation produced, which seriously affects respiration, causing very often a troublesome cough; together with these symptoms we perceive a coated tongue, acidity of the stomach, deficiency of perspiration, and sometimes a sympathetic pain in the right shoulder, with a great disposition to sleep and depression of spirits, and sometimes sores in the mouth or throat, causing mucus to rise in the nostrils. Jaundice frequently accompanies it, and a dropsy in the face. These symptoms, if permitted to continue, will eventually produce that most baneful disease, Consumption. In fact, a number of such cases originate from the irritating causes above mentioned. Cathartic medicines must in every instance, be avoided in the treatment for it.
