J. M. WHITE, Tallon, Proprietor. DR. HOFFLAND'S CELEBRATED GERMAN MEDICINES

Are without a Rivel for the Cure of the following Diseases!

If taken according to the directions they will cure any case, no matter who or what else has failed.

VEGETABLE RHEUMATIC PILLS,

For the permanent cure of Rheumatism, Gout, Gangrene, Hysteria, and severe nervous affections, and are highly recommended for the cure of Dropsy, Hemoral Asthma and Neuralgia. Patients using them, in most cases, experience benefit soon after the first dose. They quiet the nervous system, which enables them to rest well during the night. They never fail to effect a cure, when taken according to directions.

No outward application can permanently remove rheumatic pains from the system. Limiments sometimes act as a palliative for a short period, but there is always danger in their use. They may cause the pain to leave one place for perhaps a vital part, or else where the pain will be note acute. Pittsburgh Portable Boat Line. Roche, Brothers, & Co.

If Ageneies have been established in all the principal Cities in the Union, and applications are constantly reaching us from almost numberless villages in every section of the country. Sestimonials of their marvellous, effects are pouring in from all quarters—and in such numbers that we have not time to read one half of them. What stronger or more conclusive evidence than these important facts can the most sceptical desire? Is it possible, that the many thousands who have tried CLICKENERY. PHLS, can be deceived in their results? If any, imposture or quackery existed, would it not long ago have been held up, as it should be, to the acorn and derision of a justly offended community.

If Remember, Dr. C. V. Clickener is the original inventor of Sugar Conted Pills; and that nothing of the sort was ever heard of, multi he introduced them in June, 1843. Purchasers should, therefore, always ask for Clickener's Sugar Conted Vegetable Pills, and take no other, or they will be under the victims of a fraud.

150,000 will be supported by the Medical of the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive stablishment has now, after returning from the Eastern cities, at much trouble and expense, must completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the momitains. For meatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions on the western country. It is graitfying to me to be able to announce to my numerous friends at home and abrond that notwithstanding the extraordinary efforts which I have made to meet the many calls in my fine, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well establishment fact, that my sales are eignt or ten times larger than any other house in the trade, and this being the case on the amount sold. I can affeot to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion. I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at ille Three Big Doors.
