UrnBLUSHING IMPUDENCE.—From a puolismed rand of M'Calmont & Bond, of Philadelphia, the public would be ied to believe that we have been claim-ing a privilege we had no right to. That "they have abandoned, some time since, the exclusive agency sys-tem," and that we have right to claim "exclusive privil-eges with their tens." I never pretended to sell the tens of this spurious concern. I have been selling the tens of the New York Pekin Tea Company for the last two years, as the public ner aware, and have been to New York four times in that time, and never heard of this nere concern until lately but as yood dealers. The tea business of M'Callmont & Bond is about eight months old, and their assumption of the Pekin Tea Com-pany's namic is because a name is open for any man or tim they have any connection with the so called and well known Pekin Tea Company, that Company having refused even thus far to confide in them. I know not what kind of wool they keep, nor what kind of teas: I am only certain that they keep or obtait none of the Pekin Tea Company's of New York.
