This poem is said to have been translat The Joint Police Committee in the Councils altimore have made a very able report against the into Japanese, by order of the Emperor, and is hung u libidinous "Model Artistes" exhibitions. The Commbroidered in gold in the temple of Jeddo. .. It has a een translated into the Chinese and Tartar languages " Upon inquiry, they find such exhibitions to be o be most indelicate and offensive nature, and that i written on a piece of rich silk, and suspended in the rial palace at Pekin. It was translated into Englis the most indeficate and one are addre, and that should be suppressed, both for the preservation morals and the vindication of the community fro as follows, by Dr. BowRing, and is said to have lost much of its origingal beauty by the translation. It is a he guilt of encouraging, or even quietly enduring a

noble composition, and should be preserved and comgross an outrage against decency. "The committee would observe, that any wanto mitted to memory by every render of the Post. exposure of the person, or any exhibition of immoral or lascivous tundency, is a gross misdemeenor at the common law; and if it should happen that the GOD.

G O D. O Thou ETERNAL ONE! whose presence bright All space doth occupy, all motion guide; Unchanged through Time's all devestating flight; Thou only God! There is no God beside! Being above all beings! mighty one! Whom none can comprehend and none explore; Who fall'sit existence with Thyself alone-Embracing all-supporting-ruling o'er-Being whom we call GoD-and be now no more!

In its sublime research, philosophy May measure out the ocean deep-may count These is no weight nor measure-none can mon Up to Thy mysteries: Renson's brightest spark, Though kindled by Thy light, in vain may try To trace thy connects, infinite and dark; To trace thy counsels, infinite and dark; And thought is lost e'er thought can sour so high, Even like past moments in eternity.

Even new pass moments in clernity. Thou from primeval nothingness did'st call First, chaos-then existence-Lord, on Thee Eternity had its foundation-sail Sprang forth from Thee-of light, joy, harmony, Sole origin,-all lie, all beauty Thine. Thy word created all, and doth create; Thy word created all, and doth create; Thy word areated all, and doth create; Thy aplendor fills all space with rays divine. Thou art, and wort, and shaft he! Glorious! Grea Life giving-life sustaining Potentate!

Lite giving—lite sustaining Potentate ! Thy chains the unmeasured Universe surroun Upheld by Thee, by Thee inspired with breatl Thou the beginning with the end hast bound, And beautifully mingled life and death ! As sparks mount upward from the flery blaze, So suns are born, so worlds spring forth from ? And as the spangles in the sumy rays. Shine round the silver snow, the pageantry Of heaven's bright army glitters in Thy praise. A million tracker light army glitters in Thy praise.

A million torches lighted by Thy hand, Wander unwearied through the blue abyss; They own Thy power, accomplish Thy commans All gay with life, all eloquent with bliss. What shall we call them? Piles of crystal light? A glorious company of golden streams? Lamps of celestial ether burning bright? Sun's lighting systems with their joyous beams But Theu to these art as the noon to night!

But then to these art as the non-non-sector Yet, as a drop of water in the sen, All this magnificence in There is lost: What are ten thousand worlds compared to Thee? And what and I then? Herven's unnumbered host, Though multiplied by nyriads, and arrayed In all the glory of sublinest thought, Is but an atom in the balance weighed Against Thy greatness, is a cypher brought Against Inturity. What am I then? nought?

Nought !-- But the offluence of Thy light divin-Nought !--But the effluence of Thy light divide Pervading worlds, halt reached my boson too Yes, in my spirit doth Thy spirit shine, As shines the sunbeams in a drop of dew. Nought! but I live, and on Hope's pinions fly Pager towards Thy presence; for in They I live, and breathe, and dwell; aspiring high, Even to the throne of Thy divinity. I am, O God! and surely Thor anist be !

Then art! directing, guiding all, Thea art! Direct my understanding, then, to Thee; Confroit my spirit, guide my wandering heart Though but an atom 'midst immensity, Suil I am something, fashloned by Thy hand I hold a uniddle rank 'twixt hearen and earth I hold a uniddle rank 'twixt hearen and earth Will not the Councils of Pittsburgh take this mat-On the last verge of mortal being stand, Close to the realms where angels have their birth Just on the boundary of the spirit land ! The chain of bring is complete in me : ach-is yet under discussion. They In me is matter's fast gradation lost, And the next step is spirit—Deity ! I can contantand the lightning, and an dust ! A moturch, and a slave—a worm, a God ! Whence cuine I here ? and how so marvelous! Constructed and conceived ? unknown ?? This Laves surely through some higher energy, For from itself alone it could not be: en weare in a land where " Error of opinion may have shown to the country by their acls, that they be tolerated, as reason is left free to combat it." are "the apologists of Mexico ;" and we are dis And reason does combat such soul-dishonoring sen- posed to give them the full benefit of their true potiments as those of this Native party; and, by the inficence of her power, she thins the ranks of all such prevent us from laying before our readers such facts, parties, as hold opinions at variance with our glori- going to show the beneficial operation of the Tariff

ARTHUR BROWN, JR .- This individual seems L LOCAL MATTERS. a lion in our city. His arrival was announced in INMS OF COURT .- We think the project has ceased the papers; and great solicitude has been manifeste by our citizens as to his welfare. We had a sight excite. The failure of the meeting on Saturday at him yesterday afternoon in the Mayor's office.

egal aristocracy ! . Shame.

to excite. And values at this yesterday sitemoon in the Mayor's office. should be a lesson to the originators. The very men who were depended upon to aid in carrying it through, were careful to absent themselves. About a half dozen respectable citizens—they all law-yers—countenanced the affair by their presence; others opposed it. The abound object of the pro-jectors is to establish an institution that will aid in perpetuating the legal profession to the end of time. This is a queer movement in this age of reform! While the great and good men of the present day are working with a view to relieve society of the evis. Watches, *e.c.* at Auction. Correspondence of the Pittsburgh Morning Post. Definition of the originators. The very at him yesterday sitemoon in the Mayor's office. He has the same red head, the same sunken eye and sallow complexion. His dress is different. He has been in the east for some time, and of course, comes among his western fliends in the style and fastion of the originators. The very difference is to establish an institution that will aid in perpetuating the legal profession to the end of time. This is a queer movement in this age of reform! While the great and good men of the present day are working with a view to relieve society of the evils that neccessrily follow the pursuit of law, we have that necessarily follow the pursuit of law, we have the few sentences he uttered, while in the presence

n our city-in the West-a movement to build up a of the Mayor. But it is found, by himself, we should say, that he is now in a tight place. At 4 o'clock, yesterday afternoon, he was brought The pretension that the mechanics are to be benbefore Mayor Adams and examined. Three depo-

sfitted by the " free lectures forever," is the voriest sitions were read. One by John Groat, a salesman into the library, is another humbug. Mechanics at the "Three Big Doors," who declared that in want something else. They want labor elevated. September, 1846, Brown came to him, got some clothing, to the amount of \$40, for which he gave their industry; they want a thousand things, which him a check upon the Exchange Bank. The next the legal profession will never bestow upon them. day, Groat ascertained that Brown had no money in
