For the Marning Post. BUENA VISTA, Feb 23d, 1848. came off 'on Thursday, evening, will assuredly be long remembered as the commencement of an Even a the history of public assemblies in Pittsburgh. It was we'l calculated to prove, that, in no particular, are our citizens lacking in liberality and entorprise. The cause, to aid which this entertainment was pro-neased is evidently one in which the Bearle of Pitts and event. Reeder. LOCAL MATTERS. The lass or Coust .- We hope our readers he communication in relation to the London Inns of Court, and the Pittsburgh Project, which we published yesterday. Such a conscise statement of have more title to the name of woman than you facts, would not fail to make a deep impression upon for I have some small specimens of humanity, that are immortal, and you only have your writings to immortalise you, and there are some doubts whether the minds of intelligent people.

immortalise you, and there are some doubts whether they will prove immortal. Please read your edito-rial_matter, before you publish it; and notice how # all the characters look. Some men would think that your husband appeared at great disadvantage, when he left you holding the panther, to go for the cord to bind him with. Most men would hold the Panther, and send the woman for the cord. attention. Panther, and send the woman for the cord. We have a history of a woman called Eve, who transacted new innectant business, in the absence transacted very important business, in the absence of her husband, and afterward persuaded him, to do

of her husband, and afterward persuaded him, to do as she had done; from that day our sex were in very degraded condition, until the time that the Star, was seen shining over the Manger in Bethlehem. From that time, "the seed of the woman has brais ad the head of the serpent?" and our condition has been improving, and will continee to improve, till "the Lion shall lie down with the Lamb." Then the panthers will all be tame: and we will get our the panthers will all be tame: and we will get our made.

rights. There is another promise given us, of a state where there is neither marrying nor giving in mar-riage; but you do not expect to go there yet. You must write your antobiography, and give tho Bear story, and the Panther story, with embellish-ments; and all your other adventures. They would ents and all your other adventures. They would of the slightest encroachments upon the shadows of fill the Visiter for a year, and would form a sufficient variety, at least in the literary department: and Liberty and Equality that really now exist, should variety, at least in the literary department; and you must write for the Liberty Party, and do not let not fail to be present; that, their voices may be, You must write for the Liverty Party, and do not let hem wrong the women. Mr. Riddle could attend to the other matters, and it would be a valuable paper. But tell us something nore about that "Noble, heard; for theyhave yet a right to speak out loudly,

and uproariously, when occasion requires. The Report has not been published, as required but teri us something more about that "Noble, generous, big hearted, Mr. Riddle;" all the women are wishing to get acquainted with him. He must be very courageous, to permit such a Panther tamera sy you to enter his office. I suppose you have him quite tame by this time, will he permit you o stroke his head. by a resolution of the meeting of last Saturday. We are not much surprised at this; as it is a document that would suit the public mind very well, in the present state of feeling. But, it may appear in some Whig paper, this morning,-just in time to be too The dear fellow-you had better have the porlate,-not one half of those who should see it, will at \$1,3s; prime white Corn is selling at 55 \$2 trait of the Judge taken out, and that of Jennie Deans, put opposite his; and then, brave nobility of mind would be personified.

of mind would be personified. But you make a great mistake about the part that would suit you in the managerie. Van Am-burgh's would suit you best. Is it fair to take the praise bestowed on Jennie Deans, and refuse the censure 7 But editors gene-rally mention, that they hold a different opinion from their correspondents; or, if they select matter, choose the good. There will be fun at the Iong of Court meet-
