Arrangements for 1842.

DOCHE, BROS. & CO., sole Agents for the BLACK & BALL LINE, of Liverpool and New York Packets, take the liberty of announcing to their old friends and customers, that their arrangements for the year 1843 being complete, they are prepared to bring out passengers, by the above splendid Line, from Liverpool to New York and Philudelphia. They refer to their former course of doing business, and assure those who entrust them with their orders, that the same satisfaction will be rendered as heretofore.

RENITANCES TO customers with one of the most designable stocks of Clo-thing that has ever been offered in this or any other mar-netwest of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unri-valled Three Big Doors one of the greatest attractions of the western country. It is granifying to me to be able to announce to my numerous triends at home and abroad, that notwithistanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold. I can affood to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my presentates before the beginning of next year; coming to this conclusion, I will make it the inter-est of every man, who wants a chean water suit or call promptly attended to.
