Clothing! Clothing!! Clothing!!!

The Three Big Doors vs. *The Western World!!!*

150,000 WELL-SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low price which they will be sold for, must certainly render the old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount sold, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep of all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call and purchase at the Three Big Doors.

oct21-d&w JOHN M'CLOSKEY.

CANT BE BEAT!—*J. M. White* has just received at his large establishment, fronting on Liberty and 6th streets, a splendid assortment of TWEEDS for summer; also, a superior lot of French Satin VESTINGS, all of which he is ready to make up in the latest fashion and on the most reasonable terms as usual. Observe the corner, No. 107 Liberty and Sixth streets.

my14. J. M. WHITE, Tailor, Proprietor.

UNBLUSHING IMPUDENCE.—From a published card of M'Calmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned some time since, the exclusive agency system," and that we have right to claim "exclusive privileges with their teas." I never pretended to sell the teas of this spurious concern. I have been selling the teas of the New York Pekin Tea Company for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately but as *wood* dealers.

The tea business of M'Calmont & Bond is about eight months old; and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume; but the fact intended to imply thereby, that they have any connection with the so called and well known Pekin Tea Company of New York, is entirely false, they having been denied even an agency in Philadelphia, for the New York Company, that Company having refused even this for to confide in them.

I know not what kind of wool they keep, nor what kind of teas; I am only certain that they keep or obtain none of the Pekin Tea Company's or New York.

Any person reading this card will see the gross deception they wish to practice on the public, and to the injury of my business. M'Calmont & Bond are wood dealers in Philadelphia, and have sent an agent out here to pull wool over the eyes of some of our good citizens. Look out for the black sheep. [nov19] ALEX. JAYNES.

IT IS NOW ADMITTED, by Pantheologists, that no original temperament, complexion, constitution, or form of body, confers complete immunity from hereditary disease; that *Scrofula, Consumption*, and other affections, having a similarity of origin, occur in all, although observation convinces us that individuals and families, possessing certain characteristics, are more frequently the subject of these maladies than others. These diseases are a mortid condition of the whole system of nutrition—their products being but the effects of an alteration of the blood and secretions—the ulcers, abscesses, enlarged glands, inflammation, &c., being merely attendant phenomena. The cause exists prior to the phenomena, and must be destroyed before perfect health can be established. This may be done by using *Dr. KELLER'S PANACEA*, the most certain remedy for diseases arising from an impure state of the blood and system of nutrition, ever presented to the afflicted. "It is the best Cough Medicine I ever Saw."

READ the following proof of the superiority of *Dr. Willard's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS. HAYS & BROCKWAY:—After laboring for several weeks under the disadvantages of a harassing cough and most distressing cold, which had, thus far, resisted the effects of several of the "infallibles," I was induced to purchase a bottle of your Oriental Cough Mixture, and give it a fair trial. To my great surprise, after using only one half of the bottle I found myself entirely well. *"Was the best medicine I ever saw."*

LYCOMING CO. MUTUAL INSURANCE COMPANY.

AGENCY.

THE Subscriber, having been appointed and duly commissioned Agent of the Lycoming County Mutual Insurance Company, is now prepared to receive applications for insurance for said Company. This Company is, perhaps, one of the very best Insurance Companies in the State or Union, having a capital of between one and two millions of dollars in premium notes, and by the regulations of the Company no risk exceeding $5,000 will be taken on any one block of buildings, *or on any one risk*, and no more than $2,500 will be taken on a Rolling Mill, Foundry or Furnace. Buildings in which a stove-pipe passes through the side wall or roof, Cotton Factories or Powder Mills, Manufactories of Printing Ink, and Distilleries, will not be insured on any consideration, whatever; and when the rate per cent. shall be 12 or 15 inclusive, no risk will be taken over $4,000, (except Bridges and Grist Mills.)

The operations of the Company have been such, that for the last six years only one cent upon the dollar has been assed upon the premium notes of the stockholders.

Application can be made to the subscriber, at his office, in the new Court House.
