Our State Nominations.

Owing to the great press of other matters on yes terday, we were anable to say anything in relation to the nominations which have been unanimously sanctioned by our State Convention. As it respects the nomination for the Presidency, it is unnecessary for us to say any thing. The fame of JAMES Bu-CHANAN is established; and cannot be increased by This was the distinguished characteristic of the camour commendations. The Convention, in unani- paign of 1840, when pledges were made to suit the mously recommending him to the General Convenfron at Baltimore, have only acted in accordance with the wishes of the great body of the Democratic party in our State ; and, whatever may be the doon of that Convention, his name will ever be before the people, with their long cherished princiheld in honored remembrance by the friends of equal rights, and equal political privileges, throughout the country.

Of the nomince for Canal Commissioner, (ISBAE) PAIETES, Jr. Esq.,) we need only say that he is a sterling Democrat, of the old Westmoreland legion. This is enough to recommend him to the Democmey of the West :-- indeed to the whole State ; fo estmoreland Democrats are always ready, when the interests of their country or their State require them to act." We should not wonder if he shall leave Westmoreland, on the day of election, with three thousand majority !
