Napoleon Bonaparte, Jerome Bonaparte, sent in their adhesion to the Repu Series with a proper state of the Country of the Sales o Begium and the Frances copons a farming the Gazette with any information upon which to predicate the silly abildendards about their continuous and the control of the sourceign people has now declared that Government having betrayed that the first of the sourceign people has now declared that Government having betrayed that the sourceign people has now declared that Government having betrayed that the sourceign people has now declared that Government having betrayed that the sourceign people has now the sourceign people has now the subject of the iron trade of Pitts are greated in it, therefore it is de fartenance by the people and default of the sourceign people has now the subject of the iron trade of Pitts are greated in it, therefore it is de fartenance by the people and the sourceign people has now the subject of the iron trade of Pitts are greated in the continuous of the sourceign people has now the subject of the iron trade of Pitts are greated in the continuous of the sourceign people has now the source of the sour we are furthermore told, as a consequence of this deposition of the reader is left to complete the enjoyment of all their rights.

Every citizens will remain in arms until they acquire the enjoyment of all their rights.

Every citizens will remain in arms until they acquire the enjoyment of all their rights.

Every citizens will remain in arms until they acquire the enjoyment of all their rights.

Every citizen who has attained his majority is to be absolute freedom of the press. The right of political and industrial association is secured to all, as the government of the future can only, from the principles upon which it rests, respect the wishes and interests of all the French nation.

The people are advised to meet in commons as deliberate assemblies, to elect real representatives of the people—the masses and not the privileged few; and the elaims of shoolete powers—previous to that time attempts to restore them shall be deemunatively from the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers—previous to that time attempts to restore them shall be deemunated in the claims of shoolete powers.

The following is the speech of Mr. Rush, the American minister, recognizing the provisional government. Shooled the powers of the revolution shall be desired association is secured to all their rights.

Alantic with emotions of the revolution that the claim "Brethren, be calm, I conjure you in the name of Liberty, Equality and Human Fraternity." THE NEW GOVERNMENT, The Provisional Government proposed— M. De La Martine as minister of foreign affairs. is a seen to keep them going. And the owners have the statled themselves of this opportunity, to put up a most article of machinery, called a "Squeezes," shich does away with the old mode of hammering metal, and will be a vast saving to them. This is the statle of the following the saving to them. This is the statle of the saving to them. The same that the saving to the saving the saving to the saving the saving to the saving to the saving quence not inferior to his scientific attainments. M. Carnot, the new minister of public insurrection, was born in 1801, and ranks as one of the purest and most sincere French democrats.

M. Dupont de L'Eure, President of the Council, is

ment:
Gentlemen:—As the Representative of the United States, and charged with the care of the rights and interests of my country and my fellow-citizens residing in France, and being at too greats distance to await instruction from my government, I seize the earliest opportunity of offering my congratula-tions, persuaded that my povernment will approve the earliest opportunity of offering my congratulations, persuaded that my government will approve the step in which I have taken the initiative. I cannot omit to remind you of the friendship which has so long existed between France and the United States. I am certain that loud and universal expressions of hope arises in my country for the prospersions of hope arises in my country for the prospersions of hope arises and glory of France under the institutions now inaugurated in conformity with the will of the nation. Americans have an ardent hope that under the wisdom of France these institutions will have re-ults of which the magnanimous conduct of her pecople in late events afford a pressage.

A meeting of the citzens of publica and variety and a minister of the same day, March 17. Mitchell, a Republican and revolationist, was voted a minister of the committee by accountance of the evening of his arrival Her Majesty's steamer and glory of the universal expectation.

A special meeting of the Repeal Confederation was held. Wm. Smith O'Brien attended, to take in the committee by the committee of the magnanime of the "BOTTLE"

Parkor, as well-as to the Wice Admiral, Sir W. Parkor, as well-as to the Wice Admiral, Sir W. Parkor, as well-as to the Contynion of the His Highness, bordood of His Highness, the Printed of the Printed of t a virtuous, able man, esteement by the people. In 1842 he determinedly opposed the base Guizot ministry, and was returned for four colleges in the department Ettre, on the principles he advocated.— M. Armand Marest, is the talented editor of a republican paper, the National, and uncompromising ly opposed the sway of Louis Philippe on all ques Under similar institutions the United States have enjoyed 70 years of increasing prosperity, with a government of stability, and if the Union gives to others the choice of government, without interference, it naturally feels gratified in seeing another nation under similar institutions, assuring to themselves the benefits of social order and public liberty. Permit me to employ the words which Washington, the great founder of our Republic, used on a similar occasion, and terminate this by adding my M. Marie, minister of public works, is a great adocate, who sided with political offenders.

M. Garnier Pages, the Mayor of Paris, is an advoand the street of the street o vocate who has retained a character both upright

welcome, when required. Wheever leads, we fol-low—insisting that we march forward, though graves were to yawn and gibbets to pawn across our path. Resolutions expressive of a desire to forget differen-ces, and to unite with all repealers, were brought forward and unanimously adopted. Mr. John O'Con-nell issued an address to the people, exhorting them against being led astray by designing demagogues on the approaching demonstration, preaching Peace and Moral force.

The county corporation have yoted addresses. The county corporation have voted addresses. Illuminations have taken place, with bonfires and rejoicings. General meetings are to take place in every parish—some were convened for the 17th of March, St. Patrick's day.

A monster meeting was to have been held in Dublin on the same day, on the subject of the military wearing side-arms in the streets. All the military wearing side-arms in the streets. All the military officers on leave were ordered to join their corps A meeting of the citzens of Dublin was to have been held on the same day, March 17. Muchell, a Reor preventing the demonstration had been issued up to that date. It was daily looked for.

SCOTLAND.

Cheers for the revolution at Edinburgb on the 7th inst. Serious riot. A crowd assembled and demolished houses, thence marched through the streets—smashed over 1,000 lamps. Dragoons and local pensioneers dispersed the mob, cutting off one local pensioneers dispersed to make payment of the canal local pensioneers dispersed the mob, cutting off one local pensioneers dispersed to make payment of the canal local pensioneers dispersed to make payment of the mobile of the county of all pensioneers dispersed to make local pensioneers dispersed the mob, cutting off one man's nose, hacking another's leg.

Cheers for the French Republic in ever quarter. Sixty persons arrested at Glasgow. Eight or nine thousand paraded the streets, broken, baker, gunsmith, jewelers shops, all prominent warehouses for food, stealing watches, guns, etc.

Beigium. Brussels was greatly disturbed on hearing the news of the revolution. Summary means were taken to suppress popular malcontents.

At Constantinople 500 Italians dined together on the 16th ultimo, at Hotel de Anglelerre to celebrate the recent events in Italy. The banqueting hall was hung with banners, and the flag of England was in conspicuous places, draped with that of Cis Alpine Republic.

The Republics of Venice and Genos, through their Nuncio sediced to be present at the diarection. their Nuncio, refused to be present at the dinner.
Several patriotic toasts were drunk, and eloquent speeches were made—praise of Pope Pius and the principles which convulse all Italy.

On the 13th, Baron Tecco, the Sardianan Minister, gavea diplomatic dunner in honor of the Nun.

To-day a similar dinner was given by the Russian ambassador in honor of Signor Feririere, which was followed by a ball, for which some hundred invitations were issued.

The cholera had not disappeare', but was quite disregarded. Mehemet Ali had gone to Malta for his health. He arrived there on the 19th ultimo in Mock Duke
