Three Big Doors vs. The Western World!!!

150,000 WELL-SELECTED GARMENTS now made and ready to be offered on the most liberal terms to my old customers and the public in general. The Proprietor of this far-famed and extensive establishment has now, after returning from the Eastern cities, at much trouble and expense, just completed his fall and winter arrangements to supply his thousands of customers with one of the most desirable stocks of Clothing that has ever been offered in this or any other market west of the mountains. For neatness in style and workmanship, combined with the very low prices which they will be sold for, must certainly render his old unrivalled Three Big Doors one of the greatest attractions of the western country. It is gratifying to me to be able to announce to my numerous friends at home and abroad, that notwithstanding the extraordinary efforts which I have made to meet the many calls in my line, it is with difficulty I can keep time with the constant rush that is made on this establishment. It is a well established fact, that my sales are eight or ten times larger than any other house in the trade, and this being the case on the amount said, I can afford to sell at much less profit than others could possibly think of doing if they wished to cover contingent expenses. I intend to make a clean sweep on all my present stock before the beginning of next year; coming to this conclusion, I will make it the interest of every man, who wants a cheap winter suit, to call at my purchase at the Three Big Doors.

Clothing! Clothing!! Clothing!!!

THE Spring and Summer stock that is now ready to be offered at the old original

THREE BIG DOORS.

is one of the largest and choicest in selection that has ever been assembled by any one concern in this or any other city in the Union. I will not undertake to describe to the reader the different assortments in order that you now have to offer them; but will simply tell them that if they only favor us with a call, I will buy leisure them 175,000 different garments to make a selection from, consisting in part of Coats, from the richest in quality down to the lowest in price; Pantaloons and Vests, by the assortment of the beholder, with both inside and out open, wondering in the most extravagant degree of surprise, how such a vast collection of READY MADE CLOTHING could possibly be collected together under the control of one individual. But such things will be, as long as perseverance and industry is the main-spring of success. Without any intention of boasting, on my part, I will say at the same time, it is of such metal I am principally composed, for nothing in the shape or form of difficulties, no matter what magnitude they may be, can deter me from accomplishing my object, in providing for the farmer, the mechanic, and the day laborer. My whole attention is taken up with the greatest care for their welfare, in getting up fashionable, and at the same time substantial garments, to meet their demands; and as for others, who fancy themselves moving in a different sphere, and requiring as article of the *ne plus ultra* kind, they have only to give me an outline of their wants, and they are suited to a word.

Now, let me say a word or two to my country merchants in the trade: If you wish to save from at least 25 to 30 per cent, in your wholesale purchases, call in at the "Three Big Doors," and if I don't meet your most sanguine hopes, in the way of getting cheap bargains, and fresh seasonable goods, I will not in future attempt to offer any inducements of a similar kind to a generous people of so noble a nature and close discernment.

UNRIVALLING IMPUDENCE.—From a pusillanimous card of M'Calmont & Bond, of Philadelphia, the public would be led to believe that we have been claiming a privilege we had no right to. That "they have abandoned, some time since, the exclusive agency system," and that we have right to claim "exclusive privileges with their sales." I never pretended to sell the sale of this spurious concern. I have been selling the teas of the New York Pekin Tea Company for the last two years, as the public are aware, and have been to New York four times in that time, and never heard of this new concern until lately from dealers.

The sum total of M'Calmont & Bond is about eight months old, and their assumption of the Pekin Tea Company's name is because a name is open for any man or firm to assume; but the fact intended to imply thereby that they have any connection with the so called and well known Pekin Tea Company of New York, is positively false, they having been denied even an agency in Philadelphia, for the New York Company, that Company having refused even thus far to confide in them.

I know not what kind of wool they keep, nor what kind of teas; I am only certain that they keep or obtain none of the Pekin Tea Company's of New York.

Any person reading this card will see the gross deception they wish to practice on the public, and to the injury of my business. M'Calmont & Bond are wool dealers in Philadelphia, and have sent an agent out here to pull wool over the eyes of some of our good citizens. Look out for the black sheep. [nov19] ALEX. JAYNES.

Encouraged by increased business, the Proprietors have added to and extended their arrangements during the winter, and are now prepared to forward freight with regularity and dispatch, unsurpassed by any other Line. Their long experience as Carriers, the palpable superiority of the Portable Boat system, and the great capacity and convenience of the warehouses at each end of the Line, are peculiarly calculated to enable the Proprietors to fulfil their engagements and accommodate their customers, and confidently offering the past as a guarantee for the future, they respectfully solicit a continuance of that patronage which they now gratefully acknowledge.

All consignments to Taaffe and O'Connor will be received and forwarded, Steamboat charges paid, and Bills of Lading transmitted free of charge for Commission, advancing or storage. Great English Remedy!

FOR Coughs, Colds, Asthma, and Consumption'—The great and only Remedy for the above diseases is the *Hungarian Balsam of Life*, discovered by the celebrated Dr. Buchan, of London, England; and introduced into the United States under the immediate superintendence of the inventor.

The extraordinary success of this medicine, in the cure of Pulmonary diseases, warrants the American Agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any and every remedy else of the day, and have been given up by the most distinguished physicians, as confirmed and incurable. The Hungarian Balsam has never failed, and will not in the most desperate cases. It is a quack nostrum, but a standard English medicine, of known and established efficacy.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, not only to counteract the consumptive of the climate, but to be used as a preventive from the effects of bad colds, coughs, spitting of blood, pain in the side and chest, irritation and dryness of the lungs, bronchitis, difficulty of breathing, hectic fever, night sweats, emaciation and general debility, asthma, influenza, whooping cough, and croup.

Price 50 cents and $1 per bottle, with full directions for the restoration of health.

Pamphlets, containing a mass of English and American certificates of cures, to be had free of charge, showing the unequalled merits of this great English Remedy, may be obtained of the Agents, gratuitously.

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, great attention to the comfort and safety of those who leave our passengers to be robbed by the swindling scamps on the sea-ports, as we take charge of them the moment they report themselves at the Office of the Company, and despatch them without any detention by the first train. We say this literally, as we defy any of our passengers to show that they were detained twenty-four hours by us in Liverpool, whilst thousands of others were detained months, and in some cases, in spite of *all craft*, at a cheap rate, which, too frequently proved their coffin.

We intend to perform our contracts honorably, *cut what it may*, and not act as was the case last season with other Agencies, who either performed not at all, or when it suited their own convenience.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC MIXTURE.

THIS celebrated remedy is constantly receiving its high encomiums from the leading all over the world. It has now become the only medicine for family use, and is particularly recommended for Dropsy; all stages of this complaint immediately relieved: no matter of how long standing. (See pamphlet for testimony.)

Gravel, and all diseases of the urinary organs; for these distressing complaints it stands alone; no other remedy can relieve you, and the cures testified to will convince the most skeptical—(see pamphlet.) Piles, a complaint of most painful character, is immediately relieved, and a cure follows by a few days use of this remedy. Fits, Spasms, Colic, Kidneys, &c., or Inflamation of the same, is immediately relieved by a few days use of this medicine, and a cure is always the result of its use. It stands as a certain remedy for such complaints, and also for derangements of the female frame. Its English Compounds, Sarsaparilla, painful menstruations. No article has ever been offered, except this, which would touch this kind of derangements. It may be relied upon as being imported in style, quality and effect, and we feel permitted to do so, could give a thousand names as proof of cures in this distressing class of complaints—See pamphlet. All broken down, debilitated constitutions, from the effect of mercury, will find the bracing power of this article to act immediately, and the poisonous nuisance be removed from the system.

Eruptive Diseases will find the alterative properties of this article PURIFY THE BLOOD, and drive such diseases from the system. See pamphlet for testimony of cures in all diseases, which the limits of an advertisement will not permit to be named here: Agents give them away; they contain 32 pages of certificates of high character. Send a stronger array of proof of the virtues of a medicine, never appeared. It is one of the peculiar features of this article, that it never fails to benefit in any case, and if bone and muscle are left to build upon, let the emaciated and lingering invalid more on, and keep taking the medicine as long as there is an improvement. The proprietor would caution the public against a number of articles which assume the heads of SARSAPARILLAS, SYRUPS, &c., as cures for Dropsy, Gravel, &c. They are good for nothing, and concocted to gull the unwary; TOUCH THEM NOT. Their inventors are thought of among such diseases till this article had done it. *A particular study of the pamphlet is earnestly solicited.* Agents, and all who sell the article, are glad to circulate gratuitously. Put up in 50 cent bottles, at $2; 12 oz. do. at $1 each—the larger holding 6 oz. more than the two small bottles. Look out and not get imposed upon. Every bottle has "Vaughn's Vegetable Lithontriptic Mixture," blown upon the glass, the written signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," stamped on the cork. None other are genuine.

Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 367 Main street, Buffalo, wholesale and retail.

HARNDEN & CO.'S

PASSENGER AND REMITTANCE **Office.**

HARNDEN & CO. continue to bring out persons from any part of England, Ireland, Scotland or Wales, upon the most liberal terms, with their usual punctuality, great attention to the comfort and safety of those who leave our passengers to be robbed by the swindling scamps on the sea-ports, as we take charge of them the moment they report themselves at the Office of the Company, and despatch them without any detention by the first train. We say this literally, as we defy any of our passengers to show that they were detained twenty-four hours by us in Liverpool, whilst thousands of others were detained months, and in some cases, in spite of *all craft*, at a cheap rate, which, too frequently proved their coffin.

We intend to perform our contracts honorably, *cut what it may*, and not act as was the case last season with other Agencies, who either performed not at all, or when it suited their own convenience.

Drafts drawn at Pittsburgh for any sum from £1 to £100, payable at any of the Provincial Banks in Ireland, England, Scotland and Wales.

Connell's Magical Pain Extractor.

IT is now conceded by medical men that Connell's Magical Pain Extractor, manufactured by Comstock & Co., 21 Courtland st., New York, is the greatest wonder of the 19th century. Its effects are truly marvellous. All pains are removed from burns, scalds, &c., and all cutting pains cured by the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma. Scarcely a fever fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes a perfect sound again.

Rev. Hezekiah Jewis, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The Rev. Dr. Bangs, of this city, was cured after all of the other medicine he had ever taken. Dr. L. J. Beals, 19 Dutch st., Fulton street, gave it to a sister-in-law who was laboring under a consumption, and whose sorely afflicted with the Asthma. In both cases its effects were immediate—both restoring them to comfortable health.

Mrs. Capt. Ellis, No. 53 Greene st., suffered from Asthma 12 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine, and it is only necessary to let those who know the article and use it with such great success, that it is to be had now and forever at 21 Courtland st.

"It is the best Cough Medicine I ever Saw."

READ the following proof of the superiority of *Dr. Wistar's Oriental Cough Mixture*, from a respectable citizen, who has tried it:

PITTSBURGH, Dec. 15, 1847.

MESSRS HAYS & BROCKWAY.—After laboring for several years under the disadvantage of a bad cough, and most distressing cold, which had, thus far, res
